

## The Thomas Merton Archives at St. Bonaventure University

Comparison of entries from Thomas Merton's typescript and manuscript [Fitzgerald File](#)  
to entries from the publications *The Secular Journal* (1959) and *Run to the Mountain* (1995)

This chart compares the dated entries in the Fitzgerald File to those in *The Secular Journal* and *Run to the Mountain*, and shows where there is a match both in date and subject matter. The matches are usually not a simple matter of transcription from one source to another, but rather involves editing. This chart also shows that there is at least one entry in *Run to the Mountain* that does not appear in the other two sources, and quite a number of entries that appear in *Run to the Mountain* and *The Secular Journal* that do not appear in the Fitzgerald File. This shows that there is another, unidentified source that was used as the basis for *Run to the Mountain*.
