

## Two female comedians bring two times the laughs to SBU

**Becky Donohue**

On Tuesday, Oct. 5, comedian and lecturer Michelle Garb will discuss the dangers, preventative measures and recovery associated with eating disorders, at 8 p.m. in Dresser Auditorium in The John J.

Murphy Professional Building. Garb's comedic and educational lecture, "Fat Brain/ Skinny Body," encourages audience participation and covers topics ranging from body image and eating disorders to sports, men, obesity and the media. Garb is an example of someone who has gone through the pain of an eating disorder and come out on the other side.

At 8:30 p.m., Thursday, Oct. 14, in the Rathskeller, stand-up comedian Becky Donohue will poke fun at the idiotic extremism that can lead to conflict, leaving you fired up and wanting to hug your neighbor all at once. Donohue has appeared on Comedy Central's "Premium Blend" and is the creator and co-founder of [www.girl-comic.net](http://www.girl-comic.net), the only webzine both written and run by female, stand-up comedians.
