Dear Grandma

Thought I would
write you a few lines to let you
know that we are all well and
hope to hear that you are the same.
I had a terrible time with my stom-
ach last night. Guess I ate too many
green apples. Mama and Lottie
went over to see the big bridge at

Kingua last Sunday. Papa
John, Frank and I kept house
while they were gone. Papa is getting
ready to go out with advertising
wagon to bill our Fair. for Sept
14. 1876th. We are going to have
a grand time. Wish you could
be here, but I will close by sending
much love in which Papa
Mama and all the rest join
with soon to your loving grandson
Harry
