

The Lelon Hospital & Lecture  
April 25<sup>th</sup> 62

Dear Father & Mother  
I thought I would write  
a few lines to day to  
tell you that you need not  
send any more letters  
here for I am & going  
to New York in a few days  
& perhaps to day as to  
Marian I think I should be  
better off in my own state  
although this is a good place  
here But many I can get my  
discharge quicker in N.Y. than  
here I wonder if  
I need lines in N.Y. yet?

I got that paper the other  
day that had that stages in  
that was a great thing I couldnt  
think for my life what  
that was until I smelt the  
sweet. I guess we shall  
go to day so I cant wait  
much this time
