Dear Mr. Winey,

Thank you for the photos of Alexander Bird, and yes, I accept your "Bible". I have a friend who is a professional photographer, I'll ask him to take the photos you need. I know that he is swamped with

work from now
until Christmas so
I may not get the
photos to you
before the first of
the year. I hope
this delay won't pose
any problems for you.

Sincerely (and
Merry Christmas),

Jan Whitcomb
