Dear Mrs. Whitehurst,

How pleased I was to receive from you the photographs and slides of 1st Lt. Alex Bird's shoulder straps. They are just as I had wanted them and the photographer's work is excellent. Thank you very much for having these photographs taken for me.

You did not include an invoice for the costs of the photographic work. I did not mean for you to have this work done at your expense. Please do send me the costs for the photography and I will be happy to send you a check to cover those charges you incurred on my behalf.

Mark and I have submitted a vignette type article on Alex Bird to a magazine for publication and it has been accepted. When it will be published has not been promised but I will see that you get a copy when it is finally out.

Again, thank you very much for sending me the photos, I really do appreciate it.

Sincerely yours,

Michael J. Winey

Dear Mr. Wency -
