tones and stimulates the circulation,
restoring the health.
Hence it rapidly cures a vari-
ety of diseases, such as: Bo-

THE price of refined petroleum
per gallon for the past five years has been as
follows: In 1861, 75c; in 1862, 35c; in 1863,
50c; in 1864, 55c; in 1865, 68c. The
supply continues to increase, but not in a corre-
sponding ratio with the demand.

The Flood and the Oil Barrels

The record great flood made sad havoc with
the oil barrels on the streams in the oil region.
The Pittsburg Commercial says 21,672 have
been already collected at that point. Seven
thousand were filled and the remainder empty.

THE Postage Law.—The new
postage law requires that all domestic letters
upon which the postage shall be wholly unpaid
shall be sent at once to the Dead Letter office.
Upon such letters as may have the
postage only partly paid, the balance due
shall be paid by the recipient.

A PRINTER'S TOAST.—At a Print-
ers' Celebration in Richmond several years
since, some "old Yankee" type gave the
following toast: "The families of Virginia —
like the stars seen in the heavens—they would
not be there were it not for their bright or-
ginals in heaven."

NEW MUSIC.—We have received
from G. W. Willard, of No. 545 Broadway,
New York, the following new pieces of music:
"It's alwaysauxier," "Night of my soul," of
the "Irishman"; and "Song of the Sea
Shell." Mr. Willard was formerly located at
Dunkirk, and will be remembered by most of
our readers as a prompt and popular dealer in
music and musical instruments.

DEATH OF CAPT. HENRY DARBY
OF THE 64th REGIMENT, N. Y. V.—It has
concern our painful duty to announce the death
of Capt. Henry Darby, of the 64th N. Y. V., in
nably leading his command at the battle
of Buckville, Va., on the 15th inst. His re-
mains will be brought home for burial.

We also learn that Capt. Herkley and
Lieut. E. M. Banks are wounded, we do not
know how severely.—*Goranda Bulletin*.

STATE SHEEP FAIR.—The New
York State Sheep Breeders and Wool Grow-
ers Association, will hold its Annual Fair at
Canandaigua, on the 9th, 10th and 11th days
of May next. About \$1500 are subse-
quently to be competed for by residents of
any State or Country. The exhibition will
be held on the fine Fair Grounds of the Out-
standing Agricultural Society. Many of the fin-
est flocks in the country will be represented
in this exhibition.

NATIONAL HOTEL, BUFFALO.—To
our readers who visit Buffalo, we would say,
you will stop at the National Hotel. It is
conveniently situated on Exchange street, conveni-
ent to Main and Seneca Streets, and, while
not the most pretentious, is a first class place.
It is well provided with一切 necessary and comfort-
