The 2 bayonets & one scabbard were lost or stolen under the following circumstances

On the 27th day of Oct 1863 the 152th Regt NYs broke camp at Bridgeport Ala and took up the line of march to open communications with Chattanooga Tenn via Lockport Valley Tenn under Genl Hooker. We were ordered to leave a camp Guard those that were not able to undergo rapid marches - On or about the 8th of Nov 1863 the camp Guard including the slightly sick were ordered to rejoin their Regiments and 3 of my men being unable to carry their Guns & accoutrements, were obliged to put them in with the Quartermasters stores for transportation to their Regiments and in reaching their destination 2 Bayonets & one scabbard were either stolen by the Guards on the Steamboat - on Tenn River or lost in being transported as above stated, which was entirely beyond my contrall all of which I certify to be true & correct
