IN MEMORIAM.

Wm. Hawkins died, Sunday, Sept. 30th, at his residence in Beaver Meadows. Deceased had been in poor health for some years but had been confined to the house for only about one week. He died of a complication of ailments, contracted while in the army.

He is survived by his wife, two sons, William of Buffalo and Harold of Beaver Meadows and one daughter Maria also of that place, three brothers, John, Hadley and Harrison Hawkins of East Otto and three sisters, Mrs. Jas. Hufstader of Springville, Mrs. Webster Scott of East Otto and Mrs. Williams of Bradford.

In the early days of the war, Mr. Hawkins enlisted in Co. B. 154th regiment New York infantry volunteers and nobly served his country until captured and taken prisoner. He spent two years in Andersonville, where he suffered all the hardships and privations of a Southern prison, from which he came home broken down in health and from which he never recovered. By the death of Mr. Hawkins the country has lost a patriotic citizen and the community a kind and sympathetic friend. Whenever he heard of any one in distress his services were at once offered. There are few families within his own neighborhood which sickness or trouble have visited, which do not hold a warm place in their hearts, in remembrance of personal services he had rendered them. His life has been an humble one, unselfish in its devotion to his fellowman. How much more worthy has he filled his humble station by unselfish endeavor than many, who forget the sorrows of fellow beings in their own endeavor for personal fame. How satisfying is such a life. Happy indeed may those hearts be, when at the close of their life's activity if they shall look upon so many deeds of kindness done as he has accomplished and remember so many words of encouragement as have fallen from his lips.

The funeral, which was largely attended by a host of friends who came to pay the last tribute of respect to their old friend and comrade, was held, Wednesday, and was conducted by H. VanAernam post of Ellicottville of which he was a loyal member and after an eloquent and touching sermon preached by the Rev. Mr. Peck of Buffalo his remains were laid to rest in the East Otto cemetery.

Those from out of town who attended the funeral were William Hawkins, Jr., of Buffalo; Harry Hawkins of Stamford, Ont., Canada; John Hawkins and wife, Hadley Hawkins and wife, Har-

came home, joined the regiment, and was discharged with the company, June 22, 1865. He moved from East Otto onto the Boyce farm in 1870. He joined Henry VanAernam Post No. 232, G. A. R., as a charter member, Oct. 13, 1881, and the surviving members of that post assisted by comrades from East Otto, Dayton, Otto, Little Valley and other towns, conducted the G. A. R. funeral exercises at the grave in East Otto. The funeral was held in the church that stands on the same ground where he enlisted, the previous church having been burned. When he returned from prison they held a meeting in his honor in the same church. About 20 years ago Capt. B. A. Johnston presented him with a cane made from the stockade at Andersonville at a public meeting in the same church.

At the funeral there were about 40 old soldiers, about 20 of his regiment, seven of his company, of whom five were bearers, viz.: A. G. Park, C. W. Hall, Moses Bowen, J. T. Rich, and T. R. Aldrich; also Chester Deming of Co. G. The Rev. W. H. Peck preached the sermon, and Col. D. B. Allen, his first captain, made a few remarks at the church.

Baptist Church Notes.

Rev. T. J. Wheeler, Pastor.

The evangelistic meetings held, every evening, in the Great Valley church are increasing in interest. The Rev. Mr. Brooks is a plain and forceful preacher, a man of deep thought, and makes the word of God so clear that the most illiterate may understand. He will, D. V., preach every evening this week. Special music will be an interesting feature of the services and all are cordially invited. It may be of interest to some to know that Mr. Brooks is working independently for himself, and is in no way connected with the state convention.

The work on the sheds at Humphrey is nearing completion, the shingles having been purchased and are on the ground. The Ladies' Aid society will meet with Mrs. Warner J. Whitney, Friday afternoon.

The regular covenant meeting of the Five Mile society will be held in the church, Saturday afternoon at 2:30. The Sacrament of the Lord's Supper will be administered, Sunday morning. Cottage prayer meetings are being held preparatory to the special meetings which, D. V., will be conducted in the near future.

MANY SUDDEN DEATHS

From Poisonous Rheumatism.

The Disease Has Its Dangers—
Should Be Taken in Time.

Rheumatism has long been regarded as a trouble which, while it might be painful, was not necessarily dangerous. Very few persons, it was thought, ever died from Rheumatism. Recent investigation among scientists has proved, however, the utter fallacy of such a belief. Three-fourths to seven-eighths of the sudden deaths, heart failures, etc., are due primarily to neglected Rheumatism. The Rheumatic Acid Poison is allowed to stay in the system until suddenly one day it grips the muscles of the heart and all is over.

Rheumatism is curable if the proper treatment is used. Liniments, plasters and all local applications may relieve the pain for a short time, but no one ever heard of their permanently curing a case of Rheumatism. The only way to cure Rheumatism is the Uric-O way. Neutralize the Rheumatic acid and drive it from the system. That is what Uric-O does. No matter what is the kind or character of the Rheumatism, it is all caused by the same Rheumatic poison. Lumbago, Muscular or Articular Rheumatism yields at once to Uric-O. The store of Glenn N. Alexander is the home of Uric-O in Ellicottville and he can tell you all about its wonderful virtues and the many cures it has made right here in your own town. It sells for 75c and \$1.00 a bottle. If you wish to test Uric-O before purchasing, a letter to the Smith Drug Co., Syracuse, N. Y., will bring you a trial bottle free of all charges.

Wm. Hawkins enlisted in Co. B, 154 N. Y. Vols., Sept. 2, 1862; was with the company and regiment at Chancellorsville and Gettysburg, where he was taken prisoner, July 1st, 1863; was confined in Libby and Belle Island prisons at Richmond, Va., until Feb. 7th, 1864, then transferred to Ander- sonville, Ga., where he was a great sufferer; was taken out to hospital by some of his comrades, the latter part of August; none of them expected him to live 24 hours, but early in November he turned up in Millen prison, and was paroled from there about the 15th;

Indian Cremated.

Gibson Gordon, a Seneca Indian re- siding on the Steamburg road about a mile below Red House, was cremated in his house, last night. Neighbors who ran to the house when the fire was discovered were unable to gain an entrance because of the heat, and could do nothing. This morning, after the fire had consumed the build- ing, the blackened remains of the body were found in the ruins. Gor- don was 27 years old, and is survived by his wife and two stepsons, aged 12 and nine years.

Gordon was among the Indians who drew annuity money, last week, and he spent part of it for liquor, going home badly intoxicated. So far as is known, he made no trouble Saturday night, but yesterday he became ugly, and toward evening his wife and step- sons were obliged to flee from the house, leaving him alone. What transpired at the house after their de- parture, no one knows, and there is no way of ascertaining.—Salamanca Press.
