

Sept 5

Dear Wife

as mr Kise is coming home I thought that I would write you a few lines and let you know how things is going here there is some hard talking in the camp the boys think that they cannot get enough to eat but I can get along very well Frank is going to bring down a box of some thing to eat if you are a mind to send some thing along It will be very axceptable the food is hard here now and I have not ben very well since you left I had some cold when you was here and getting wet has made it pretty bad. morning Sept 6 I shal not get any monney until next week then I will send it to you there has ben quite a rush here from Portville since you left tel the babies that I want to see them very mutch I do not know as you can read this for I have wrote the most of it in the dark I have no news to write that I know of it will not do for me to say that i would like to see you they would say that I was home sick but I fel as if I would like to be some whare this morning whare I would get some breakfast the food is good anough for aney one if they feal good If it is not conveneiant for you to send any thing down by Frank do not trouble your self about it for I shal do very well on what I get here they have called for me and I shal have to go so good by from your old man
