462. Relic from Battle of Bennington.
This wood was from a tree that grew within the fortifications thrown up by Gen. Baume. From State Cabinet.
463. Piece of Plank on which Gen. Frazer died.
He was mortally wounded, Oct. 7, 1777, two miles west of the Hudson, and brought to the "Smith House," used by the British as a hospital. This house was taken down in 1844, and the plank was presented, by the proprietor of the house, to the State Collection. From State Cabinet.

PORTRAITS, &c.

464. Portrait of Amos Humiston and his Children.
This man was found dead at Gettysburg, holding the picture of these children in his hand. There was nothing to show his name, regiment, or State, until they were ascertained by means of the picture of the little ones, which was multiplied by photographs, and widely distributed. These pictures are being sold for the benefit of the family, and further facts can be ascertained at the Bureau of Military Statistics concerning them.
