

Wilmington Oct 11. 64

To the President

A. Lincoln

Col P. H. Jones, 154th
Regt M. I. with Col Sherman at or
near Atlanta, could be of great
service here. An educated man,
a good speaker, & formerly a Democrat.
I beg to suggest that Col Sherman
be requested by telegraph to allow
Col Jones to return for their days
if not inconsistent with the
public service. He is the officer
I had the honor to mention
several months ago, for promotion.

The cause is prospering with
spirit & effect & our friends are
full of courage. Very Respectfully
Yours
R. C. Huston
