This photo was on the reverse side of a post card dated October 28, year unknown, postmarked from Franklinville, New York (1 cent postage).

Judging from his apparent age, this must have been near the end of his 88 years.

The postcard was sent to his son O.B. Lamb, Machias, Catt. Co, NY

The message read "Please send my heavy coat up by parcel post. I'm as well as usual. Will send you what it costs to send it up soon as I get it. And my bed blankets that I got last winter". MBL
