CHICAGO, ILL. | WASHINGTON, D. C.

WASHINGTON, D. C.

April 24. 93

Mr. Amos McLuttre
Herranda N.Y.

Dear Sir:-

We regret to say
that we have received
notice of the rejection
of your claim for in-
crease pension. You
have doubtless received
similar notice. One
difficulty is, you are
not persuaded for
disease of kidney and
disability from that
trouble is not consid-
ered in this case, and, as
we told you before, it

will not be considered
in a claim under the
old law, unless it was
incurred in the service,
and you prove that fact.

He again advise
you to make a claim
under new law, under
that you can obtain
a rating on kidney
trouble. He enclose
application - sign, ex-
ecute and return it to us.

Yours truly,
Louis H. Gildson & Co
