

Rushford February 11/62

Dear Wife

I now take my pen in hand to drop a few lines to you to let you know how I am getting along

I worked for Albert the next day after I came from Franklinville and the next day I went to Benjamins to work and I am there yet I dont know but I shall work for him this summer

I came by Hardys Corners when I came back and I stopped to Ben Leonards and took dinner there Ben was gone to Farmersville But he came home and I stayed some time and got a chance to ride and I came on to Rushford and Albert was don and I rode up with him I walk to Olive Sunday Evening I told her I thought I should come and make her a visit But if you want to go with me you ask your Father if he will let us take his Horses to go with and if he will let them go I will come that way but if not I guess I shall go that way when I come out to Franklinville

Write to me so that I can know Saturday tell me how little Romaine gets along it seems if he was sick you can write if you dont write but a few words I forgot to tell you that my throat was sore It is swelled some be sure and let me know
