## Local and Miscellaneous.

ELLICOTTVILLE, THURSDAY, MARCH 12, 1863.

**EPISCOPAL SERVICES AT GREAT VALLEY AND SALAMANCA.**—The Rev. Mr. KIDDER will (D. V.) hold Divine Services at the above named places as follows: March 15, at Great Valley Station, at 11 A. M.; and at Salamanca at 2½ P. M. of the same day.

We are under renewed obligations to Hon. HORACE C. YOUNG, Senator from this District for valuable and interesting Legislative Documents.

**BOUNTY TAX—EXTENSION OF TIME FOR THE COLLECTION OF TAXES.**—We to-day publish the Bounty Tax Law, and the Law extending the time for the Collection of Taxes to the first Monday of April next

We are indebted to H. S. HUNTLEY, Esq., Secretary of the Cattaraugus County Agricultural Society, for copies of the Transactions of the N. Y. State Agricultural Society, and Transactions of the American Institute. He has our thanks for his courtesy.

**RESIGNED.**—Capt. B. L. SEXTON, of Co. A, 154th Regiment, returned to this village, his residence, on Monday last, having resigned his Captaincy. The rumored cause is, that Capt. DAN ALLEN, was made Major of the Regiment, when the position, in military line, belonged to Capt. SEXTON.

The remains of EDWARD SHULTS, of Company K, 154th Regiment, were brought to this village from Washington on Saturday last, and interred on Sunday. A large concourse of our citizens accompanied the remains to their last resting place. EDWARD was universally loved and respected by all who knew him.

We invite the attention of the reader to the able and statesman-like Speech of Hon. R. E. FENTON, M. C. from this District, delivered in the U. S. House of Representatives on the 19th ult., on the "Bill to provide a National Currency secured by pledge of U. S. stocks, and to provide for the Circulation and Redemption thereof," which will be found on the first page of the *Freeman* to-day.

"The ugliest trades," said Jerrold "have their moments of pleasure. Now if I were a grave digger, or even a hangman, there are some people I could work for with a good deal of enjoyment."

"Jerrold" evidently had in his mind's eye the "Copper-Head" flunkies of this generation, and we have no doubt his eye was particularly fixed upon "the oldest Democrat West of Cayuga Bridge!"

**APPROPRIATE**—The *Detroit Tribune* says:—"Some of our citizens are sporting a neatly cleaned butternut with a copper tack in the head—a copperhead butternut. What does it mean? Is this, as is rumored, the emblem of recognition among the Knights of the Golden Circle?" We would suggest to our amiable and courteous neighbors, "the oldest Democrat West of Cayuga Bridge" "Sleepy Day" and "that other fellow," to harness themselves up with this new emblem of recognition!

We see by the Legislative proceedings of the 2d inst., that Mr. CONGER, of Erie, gave notice of a bill to provide for building a bridge
