Eleventh Corps hospitall near Gettesbirg Ju 28 1863

Dear Rhoda i am still at work in the hospitall and expect to be here about two weeks longer i want you to write as son as this comes to hand and ---ect words letter here it is a greate whilde ince i have heard from you or ded any kind of neuse from home but i think that they war will soon be over and i can be to home again but the lord knows best and will do all things well

i do not like this work some wounded men cannot be be cented and air all the time finding fauld and their wounds stink so that it spoils my apotite but it is not so bad now as it was but i mus conclude hoping to here from you soon
