Gen'l Thos. Hillhouse

Sir

I see by your recent order regulating the Draft in this State that in enumerating the Exemptions you make no mention of Dist Attorneys.

Does not the recent Act of the Legislature exempting all "Judicial Officers" apply to Dist Attys in the several counties of the State? — Be good enough to write me on the subject at early convenience.

Yours &c

H. Van Aernam

P.S. Would not Surogates also be exempt by the provisions of the same Act? H.V.A.
