

# S. 7-30 LOAN.

any of the Treasury give notice that shall be received for Coupling Treasury Notes, for years from Aug. 15th, 1864; with interest at the rate of seven and three fourths per cent., principal and interest both to be paid monthly.

Will be convertible at the option of the holder, in six percent, gold bearing bonds, less than five nor more than twenty years from the date as the Government may elect. They in denominations of \$50, \$100, \$500, \$1,000 and all subscriptions must be for fifty dollar multiples of fifty dollars.

Will be transmitted to the owners free of charges as soon after the receipt of the certificate of deposit as they can be prepared to draw interest from August 15, persons entitled subsequent to that date must pay the crud from date of note to date of deposit, depositing twenty-five thousand dollars and these notes at any one time will be known as one-quarter of one per cent, which by the Treasury Department upon the receipt for the amount, certified to by the officer in the deposit was made. No deduction for it must be made from the deposits.

## Advantage of this Loan.

NATIONAL BANK'S BANK, offering a higher interest than any other, and the best security, a bank which pays its depositors in U. S. notes that it is paying in the best circulation of the country, and it cannot pay in any other, for its own assets are either in government securities or bonds payable in government

certificates of deposit or temporary or permanent. The notes can always be sold for within a short time and at diminished interest, and are secure with regard to collection for amounts up to \$1,000,000. The Bank has been situated in the most liberal interests and the notes have the privilege of conversion to cash and the best payment in the current money. It is not necessary to pay rent, principal being the only charge, and the cost of collection is very small. It will be a great advantage on this loan at the present market rates of less than ten per cent, per annum.

## LOCAL AND MISCELLANEOUS.

**EDWARD UNSUCCESSFUL.**—We understand that the Recruiting Agents appointed by the Board of Supervisors to go South and obtain recruits to apply on the quota of this County, have returned, having totally failed in their mission. Recruiting Agents were far more numerous than recruits.

**EDWARD SWIFT & HUSTED.**—If people will use liquor, either as a beverage, or for medicinal purposes, the purer the article which they get the less deleterious will be its effect upon the system. To those, therefore, who purchase either for use or sale, we would cordially commend the firm of Messrs. SWIFT & HUSTED, Buffalo, who are fair and liberal dealers and keep none but good liquors on hand.

**EDWARD.**—We had the pleasure on Thursday last of shaking hands with our patriotic friend Capt. C. P. Vender, of the 154th New York, who is now at home on furlough. The Captain is looking quite feeble in health, but he is full of grit, and hates Rebels and Copperheads as cordially as they love treason. It is necessary to add that, although a Democrat, he goes in strong for Lincoln and Johnson.

**EDWARD LIST OF PREMIUMS.**—We publish in another column of to-day's paper the list of premiums to be awarded at the next Annual Fair of the Cattaraugus County Agricultural Society to be held at Little Valley on the 26th, 27th and 29th of the present month.—For complimentary tickets to the Fair, we are under many obligations to H. S. HUNTER, the efficient and gentlemanly Secretary of the Society.

**EDWARD DRAFT AND COMMUTATION.**—Provost Marshal General FAY has decided that men who fail commutation under the draft of June 1st, are liable to the draft which takes place in the present month, to all liabilities of the districts under the calls made up in the usual time, and the district Provost Marshals are ordered to put in the wheel for draft of names of such parties. The law upon this point, we believe, is explicit.

**EDWARD MEDICINAL.**—While some degrade themselves by intoxication, yet all must承认 that spirits are useful as a medicine—such as Old Rye Whisky. These are weak thin articles and of a superior quality and at reasonable rates, together with other Wines and Liquors, can be had at Mr. H. Warren's Liquor Store, No. 142 and East Seneca Street, Buffalo. The attention of Druggists is solicited.

**EDWARD WARREN & HATHAWAY.**—This firm have sold their Grains and Saw Mills, together with the lands thereon attached, in favor of McMahan, for the sum
