W. H. B. ...

GILBERTSON & Brothers, Philadelphia, Pa. have published the Life and Public Services of General BUTLER, the hero of New Orleans, with the particulars of his early life, his career as a lawyer, and all his celebrated orders since he has been an officer in the U. S. Service. This edition is full and complete, and is destined to have a very large sale. With his portrait complete in one large volume, price 25 cents. Sent postpaid to any address on receipt of 25 cents. Price to canvassers, \$1.75 a dozen, or \$12.50 a hundred, sent on receipt of the money.

AT HOME.—Captain **COMMODORE P. VEDDER**, of the 154th Regiment N. Y. Volunteers arrived in this village on Thursday morning last direct from Chattanooga. He is looking in excellent health, and reports the moment as being in a healthy location and fine condition. The Captain is a firm supporter of "Father ABRAHAM." His political sentiments have undergone somewhat of a change since he entered the army, and we are greatly rejoiced that he is no longer able to do away the face of WASHINGTON in that of a Democrat! He is meeting with a cordial reception among his numerous friends here, and we are glad to learn that he is to remain some time.

A VALUED PRESENT.—We received on Thursday last from Dr. **HENRY VAN ALBAM**, Surgeon of the 154th Regiment N. Y. Volunteers, at the hands of Capt. C. P. VEDDER, of the same Regiment, a hickory cane, bearing the following inscription:

LOOKOUT VALLEY, TENNESSEE,
 March 9, 1864.

The compliments of **HENRY VAN ALBAM**, 154th N. Y. Vols., with a rough *Hickory Stick*, cut from the spot where the "Rebs." made their last stand against Gen. HOOKER's victorious column when he assaulted and took Lookout Mountain, Tenn., Nov. 24th, 1863.
D. E. SILL, Esq., Freeman Office, Elliottville.
 We shall prize the gift very highly, not only on account of the historical associations connected with the place from whence it came, but as a present from a valued friend whom we have long known and highly esteemed.

FIRE IN RUSHFORD!—About three o'clock on Thursday morning last a fire was discovered in the Candy Manufactory attached to the Bakery of Messrs. **TOUSLEY & CHAMBERLAIN**, which spread with such rapidity as to consume the entire establishment, together with the Free Methodist Church adjacent, before it could be checked. Messrs. **TOUSLEY & CHAMBERLAIN** lost heavily. The Post Office building was torn down to prevent the further spread of the conflagration, and by this means and the untiring efforts of the citizens, the destruction of much other property was happily averted.
