

To whom it may concern:

This is to certify that William L. Hinton, late Principal Musician,
9th Regt. V. R. C., has been attached to this Regt. for the past 12 months.
He is a temperate, industrious, and intelligent young man; - one
worthy of the confidence of the public, and I cheerfully recommend
him to any one who desires the services of an energetic and reliable
man for any position.
