A GOOD EXAMPLE.--The town of Portville has done her duty nobly in the present emergency. Several war meetings have been held, and the quota of men due from that town have not only been raised, but over 1,000 has been subscribed towards supporting the families of volunteers and helping along in the good work. Hon. JOHN G. MERSEREAU, SMITH PARISH, WM. F. WHEELER , and other prominent citizens have taken hold of the work in good earnest, and complete success has been the result. L. D. WARNER, Esq., Supervisor of the town, and a man of most sterling qualities, came promptly forward and put his name at the head of the enlistment roll; this example of course had its effect, and the result was his neighbors and friends followed, and the roll was soon completed. All honor to Mr. WARNER. Three cheers for Portville!
