

CATTARAUGUS TIMES, MAY 29, 1902. PAGE 5. Bound copy.

ANNOUNCEMENT

Owing to continued ill health and by the advice of my physician, I am compelled to relinquish for a time at least the entire management of THE TIMES. Commencing next Monday, June 2, 1902, Clarence A. White, my son, will have the entire management and control of the business in every department. He has very ably assisted in the past four years in every branch of the business connected with the office and is therefore competent to manage it. I turn it into his hands believing he will greatly improve the paper in all its departments and help it up to a high point of excellence.

I sincerely thank the public for their liberal patronage extended to me during the past seven years and bespeak the same for the new manager.

All accounts due the office up to May 31, 1902, will be paid to me, and I respectfully ask all those who know themselves to be indebted for subscriptions, advertising and job work that they will pay the same at once so that I may close my books.

Yours very truly,
Orlando White
