Players may be substituted at any time, but they must first report to the umpire, or referee, and complete one play before they may have any communication with any member of the team. Players withdrawn may be returned only during an intermission between two succeeding quarters.

A touchback occurs when the ball is declared dead on or behind the goal line provided the impetus which sent it there was given by an opponent. No score. The ball is put into play at the 20 yard line.

A Safety occurs when the ball is declared dead on, or behind the goal line, provided that the impetus which caused it to pass from outside the goal line to, or behind the goal line was given by the side defending the goal. Score 2 points. Scrimmage opens on the 30 yard line.

## ST. BONAVENTURE

**S**T. BONAVENTURE comes to Ithaca with the promise of a good team. They played Colgate last Saturday at Whitnal Field, Hamilton, and tied the Maroon by a 7-7 score.

Altho Colgate showed weakness on both offensive and defensive team action, they gave indications of a strong team when moulded into playing form. St. Bonaventure was exceptionally strong on team work, making good gains thru the ends and tackles.

For the visitors of to-day's game Oberlander and Green, half-backs, will be the great attention. Oberlander does the kicking for his team. Captain H. Martineau is a good end and will attempt to break up Cornell's plays.

## CORNELL

**C**ORNELL'S prospects for a successful season in 1921 are uncertain. The Second year of the Dobie system should begin to show results, especially with much of last year's material available, and the addition of several new men from the last year's Freshmen Team.

The squad has been in daily practice since the twelfth of September and have been working for several days under the floodlights on Schoellkopf Field.

Coach Dobie does not encourage individual performance, and this policy tends to develop team play rather than individual stars.

Cornell rooters are anxious to see the players in action in the first game of the season.

**Frank A. Barton**

COLONEL F. A. BARTON, '90

AUGUST 8, 1921

EVERY phase of life at Cornell suffered an irreparable loss with the passing of Colonel Barton from the scenes which had been so enriched by his presence. To Cornell sport interests he was a wise counsellor, a sympathetic friend, and an enthusiastic advocate. As a director of the Athletic Association he gave untiring effort, and a keen understanding to the problems involved in attaining and maintaining Cornell's high standing in the realm of intercollegiate athletics.

Frank Barton lived such a life that grief at his loss is well-nigh counterbalanced by thankful joy that he lived among us, an example of a radiant personality in which cheerfulness, friendliness and common-sense were marvelously blended, so that he helped and gladdened every one with whom he came in contact. We know now that in his years here he literally "walked within the shadow," but no one would have guessed it from his unvarying optimism, and his ever-present forgetfulness of self in thoughtfulness for others.

Of him it can well be said:  
Better thy fame shall keep  
Than gained by sword or pen;  
Thy name lies graven deep  
In hearts of many men.
