## Foreword

The opening of the University Center, another bout with the Little Three on the basketball court, new intramural champions; major weekends, club activities, Saturday night socials, smokey conversations in the cafe, classes, lectures—all these things have been a part of “Bonaventure” for us. It would be impossible to forget them, we know, but the Bonadieu staff hopes through these pages to make it easier to recall them.

ST BONAVENTURE UNIVERSITY

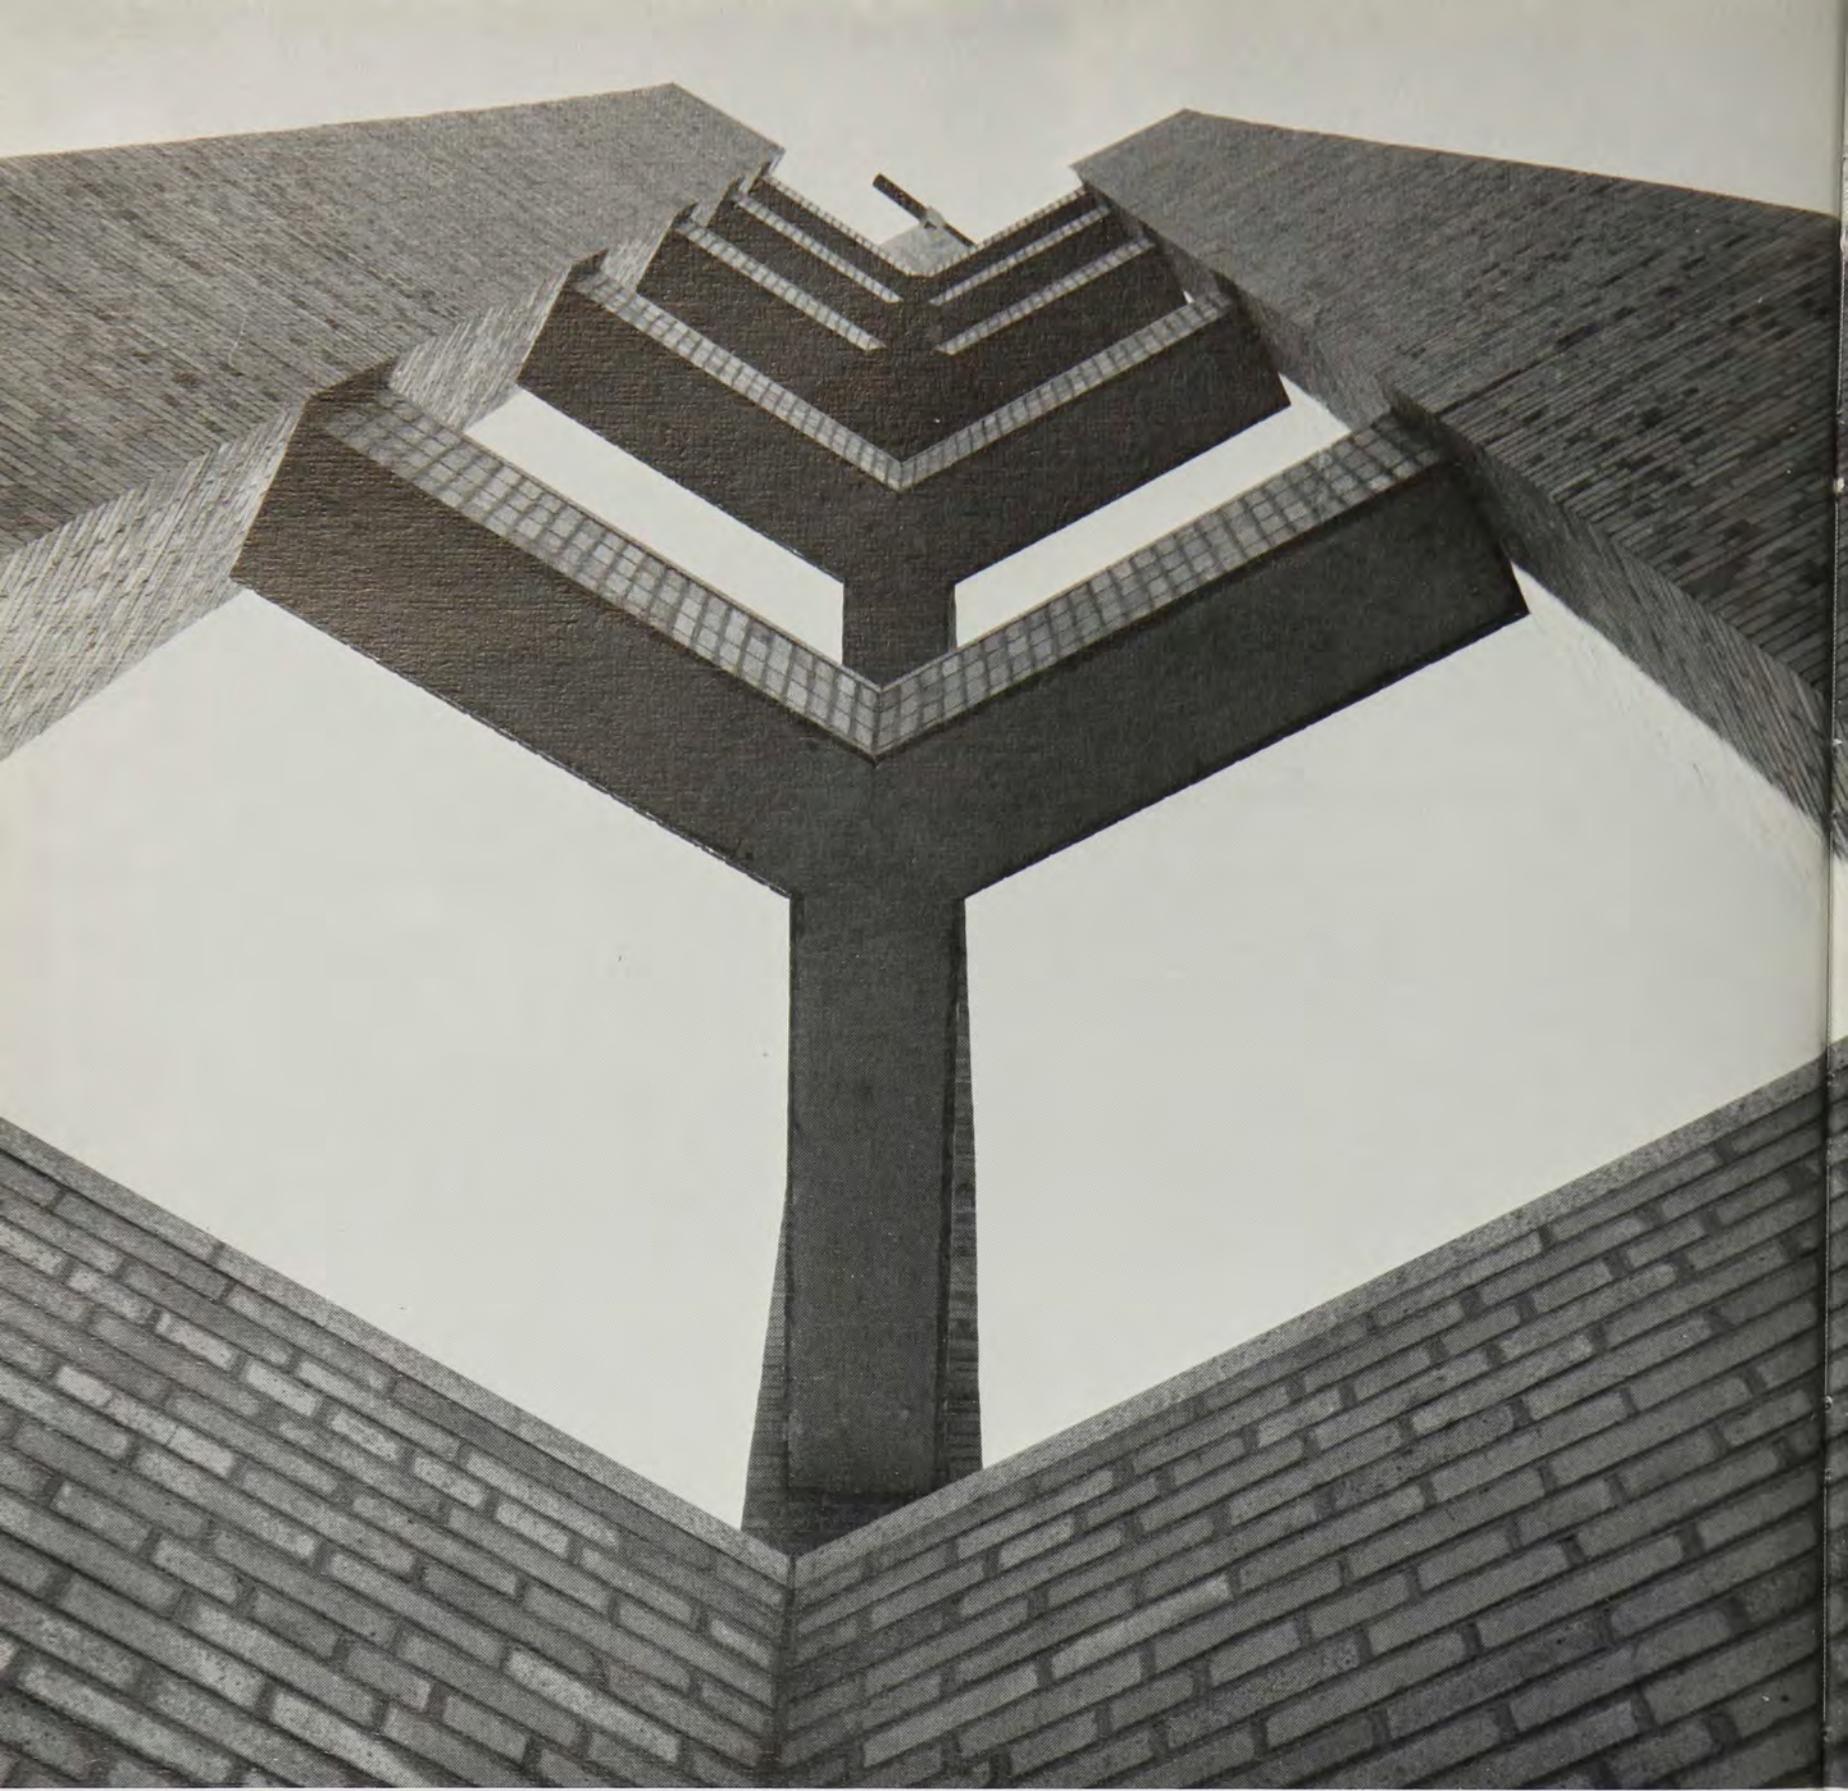

# Rev. Gervase White, OFM

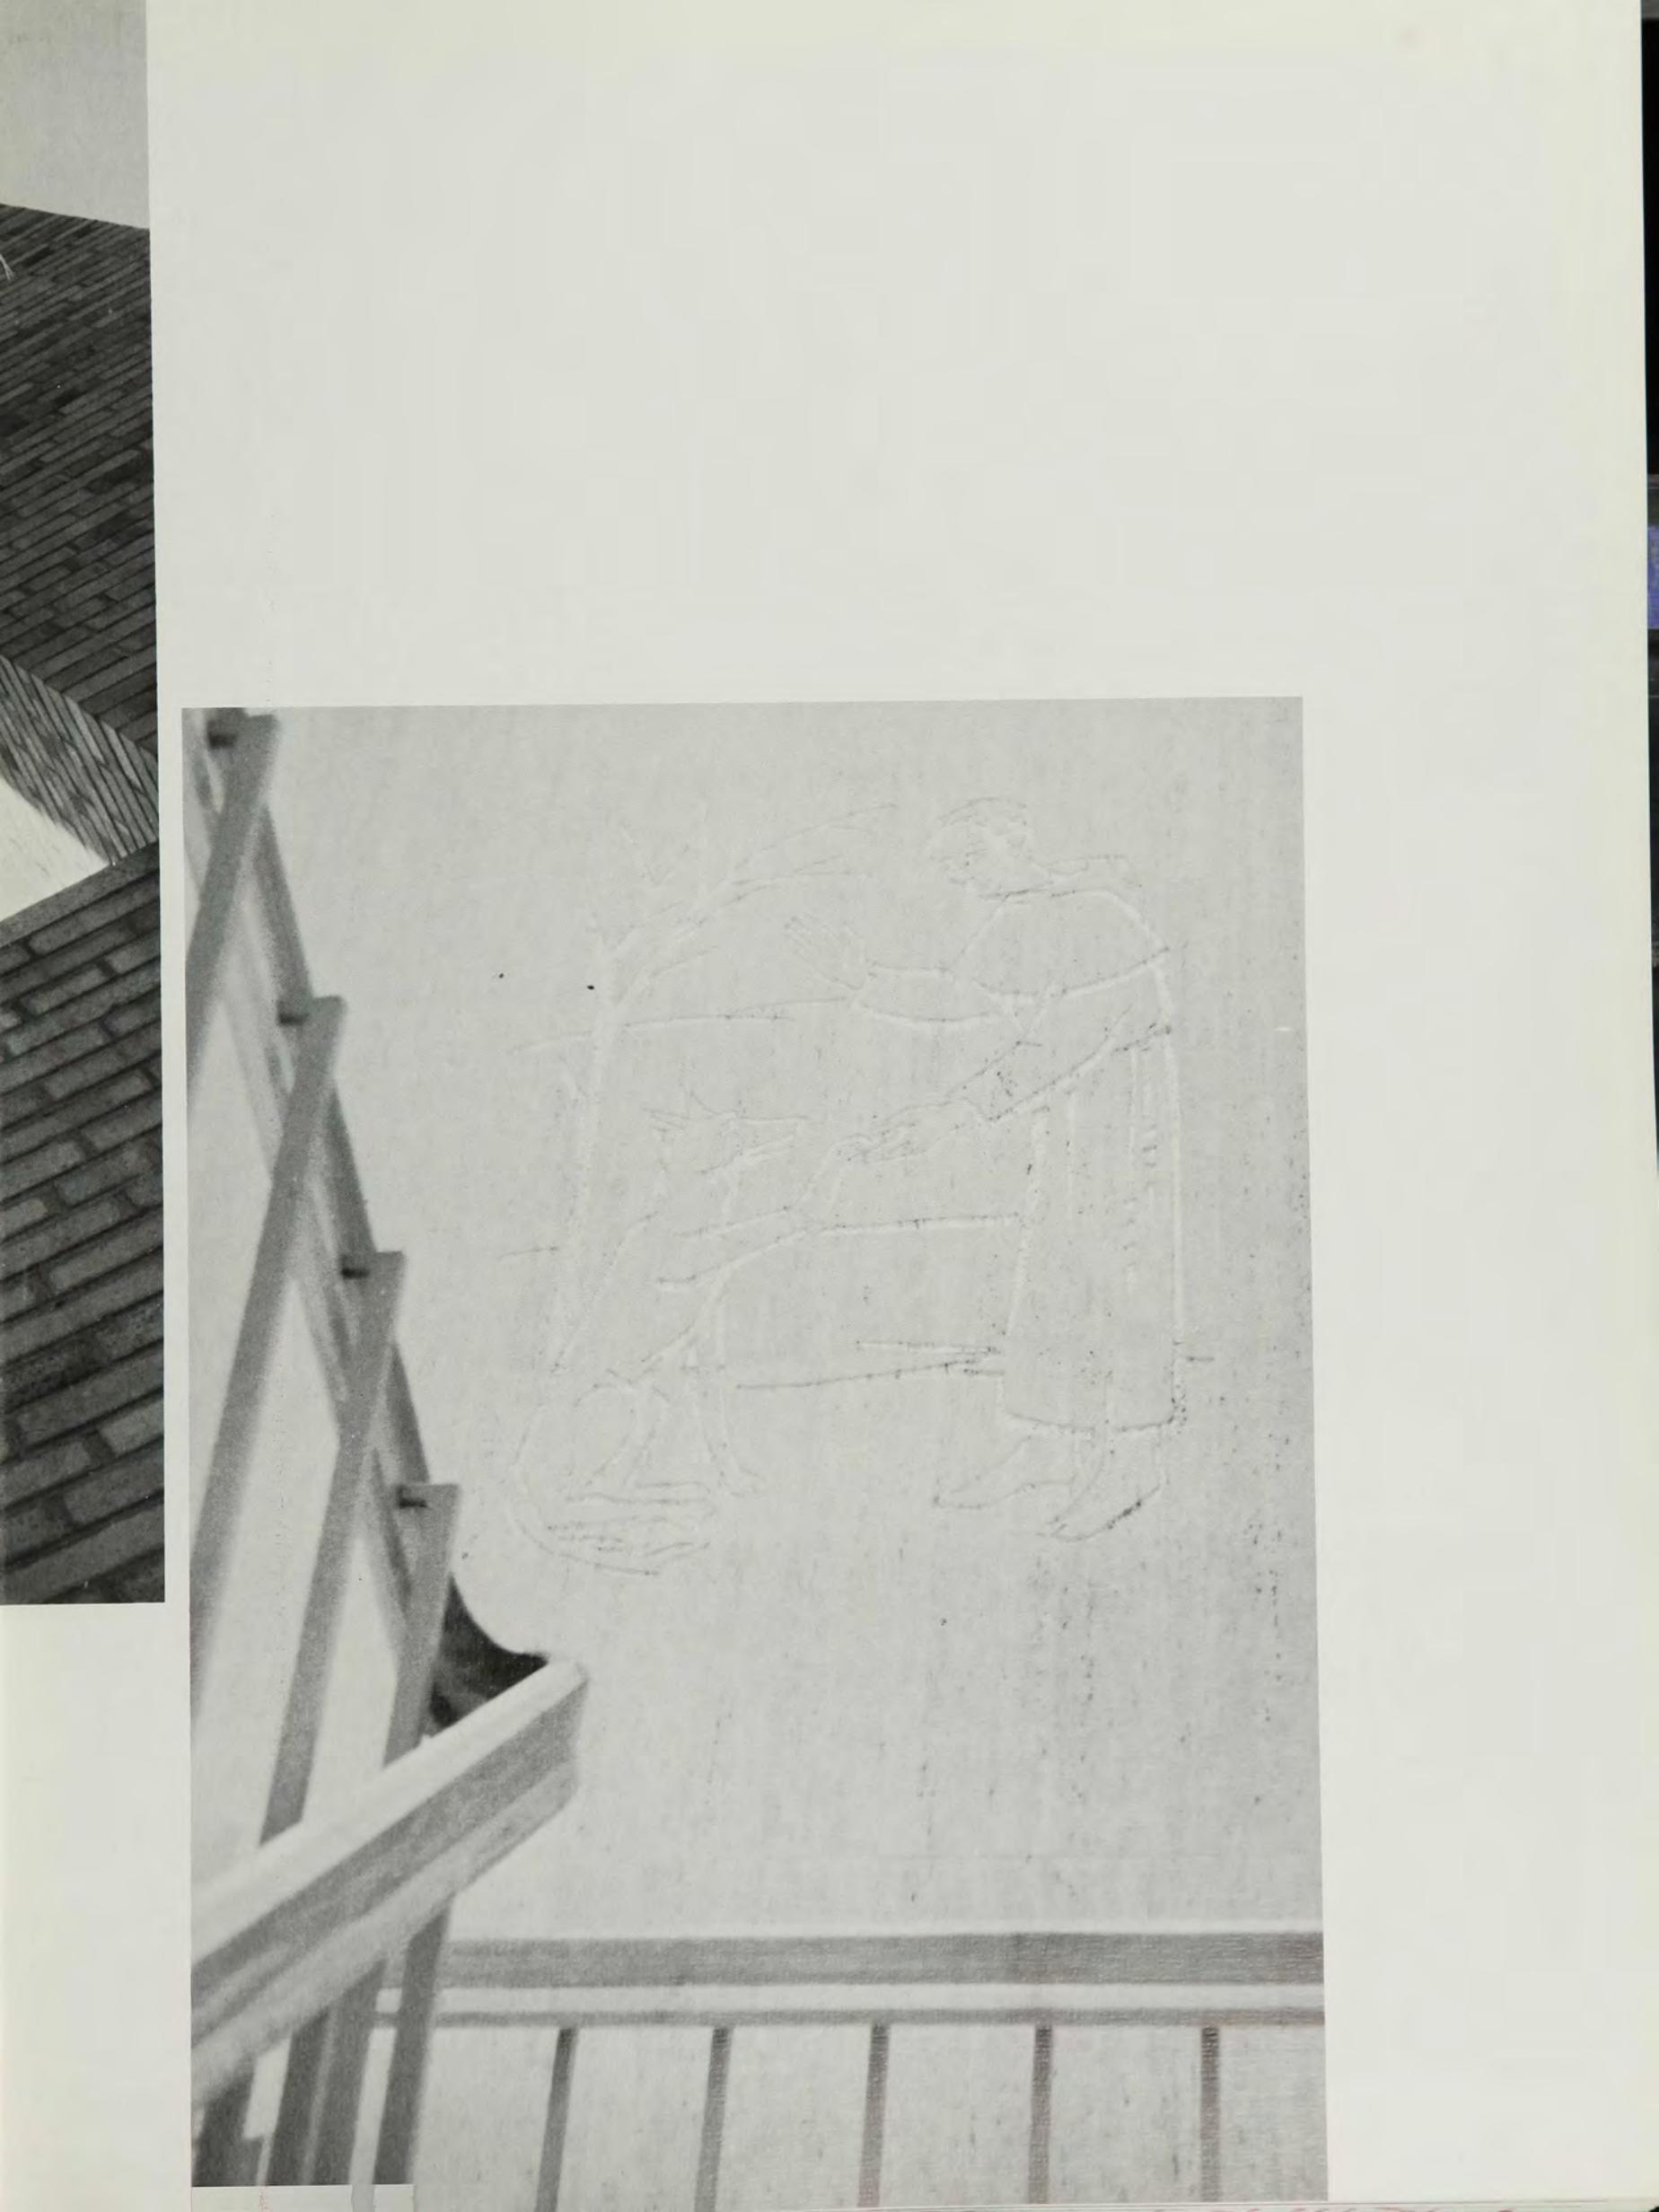

The atmosphere in the lecture room is relaxed. One hundred and twenty-five seniors slouch in the upholstered chairs, their attentions riveted on the speaker's platform. Fr. Gervase White, O.F.M., is holding class, delivering his theology lecture to a crowd that would overflow any other room in Plassmann. A hand shoots up and then another. Carefully, Fr. Gervase answers each question, and the students nod agreement, satisfied. For the twelve years that he has been at Bonaventure, the pattern has not changed.

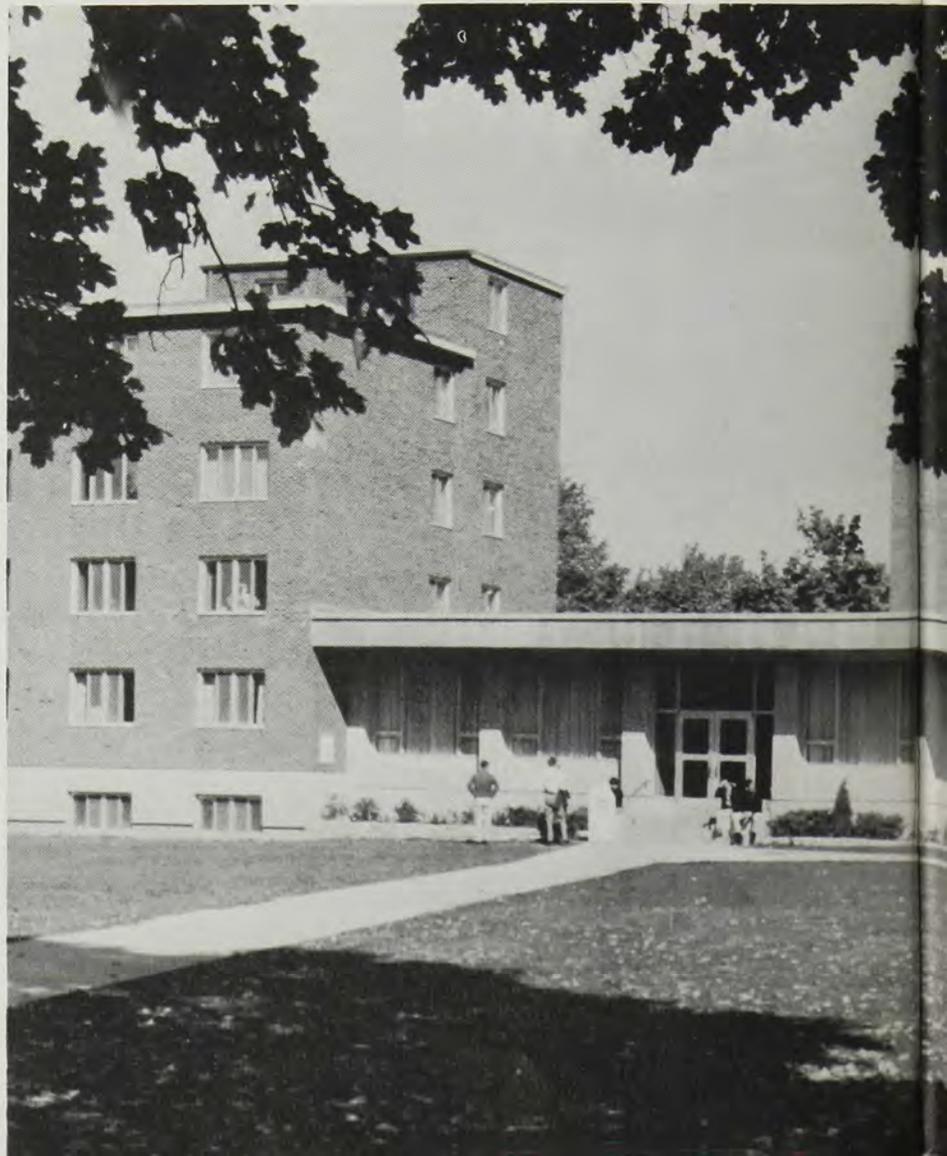

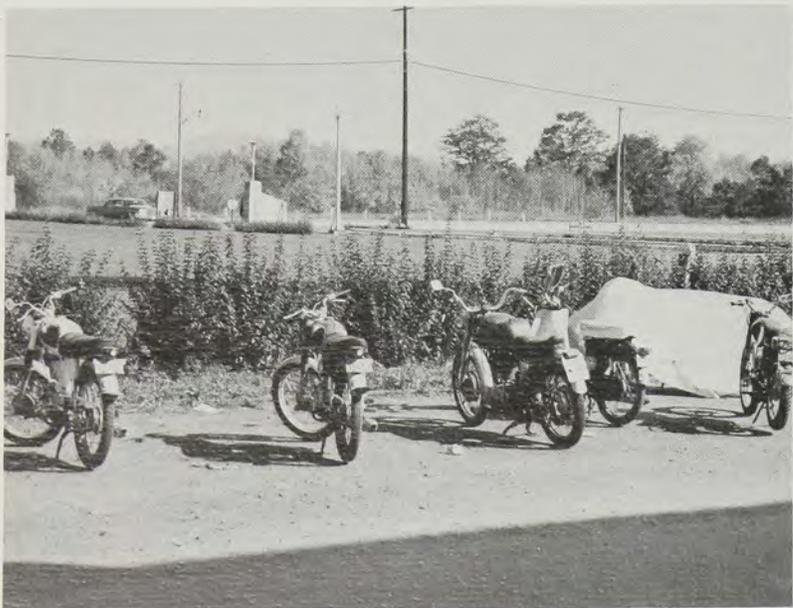

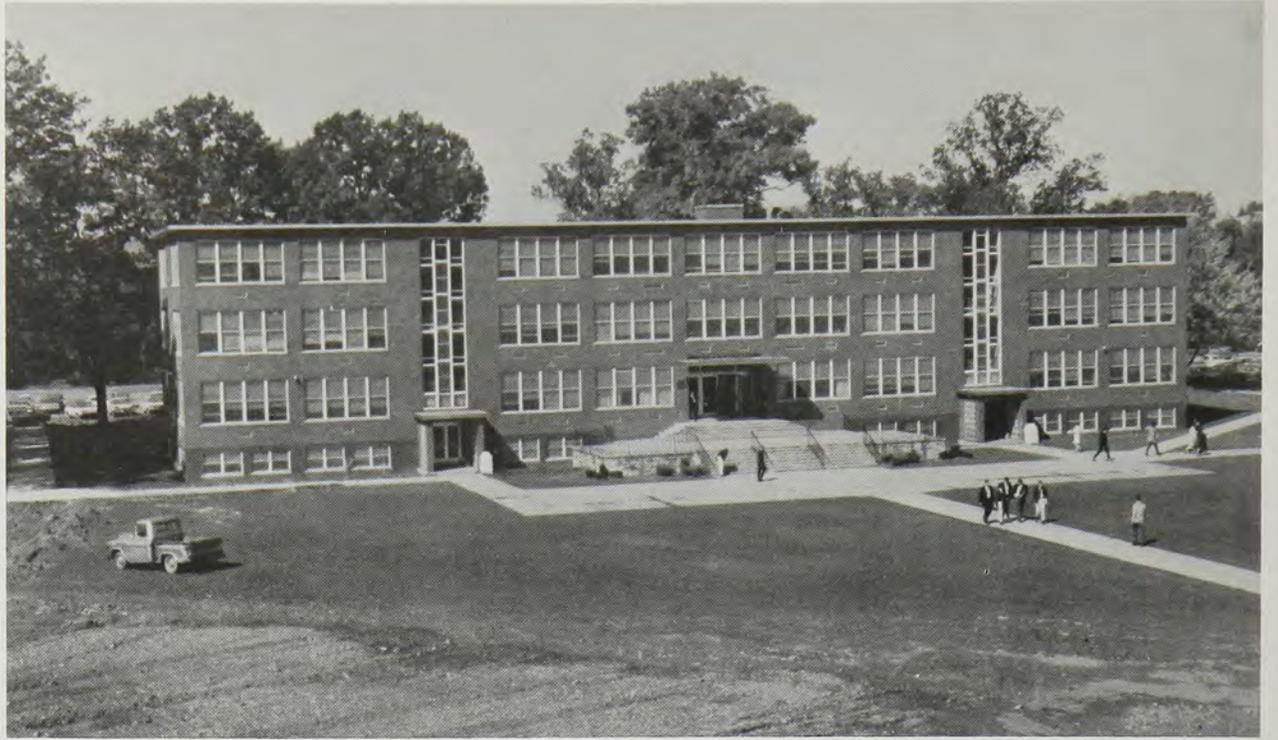

The scene may vary: classroom or prefect's room or athletic field, but the man does not. The questions are always there to be answered, and invariably his response is made with sincerity and sympathy. For the deep personal interest he has taken in each one of us, the graduating class of 1967 dedicates its yearbook to Fr. Gervase White with gratitude and affection.

## Administration and Faculty

**The Very Rev. Francis W. Kearney, O.F.M.**  
President of the University

Commencement 1967

My dear Graduates:

Your graduation marks the successful completion of one more phase of your preparation for accepting the responsibilities of adult life in society. As you leave us, I would quote to you the words of St. Paul to the Corinthians:

"You are the epistle of Christ, ministered by us, and written not with ink, but with the Spirit of the living God; not in tables of stone, but in the fleshly tables of the heart." You are

St. Bonaventure's answer to the challenging needs of a changing and somewhat confused world. Not as words in a printed tome but as principles of action are imprinted in your living minds and hearts those ideals and values which can give to you and to others in your sphere of influence a meaningful, useful and satisfying life.

More and more, even in the Church, there will be opportunity for your voice to be heard in shaping the policies of the present and the guidelines for the future. It is our hope that you will treasure the riches of the past, and with personal integrity develop and accommodate them to the present, and thus strengthen the foundations for a better future.

All the faculty joins me in congratulating you and your parents and in wishing you God's blessing and all other good things in this life and in the next.

Sincerely,

Francis Wm. Kearney, O.F.M.

## Spiritual Directors

Fr. Carmel F. Miotke, O.F.M., Fr. Kenneth Malone, O.F.M.

The faculty at St. Bonaventure's is an integral part of the University, perhaps more so than at most colleges because of the friendly spirit that prevails. Embodying the service and dedication of the faculty at St. Bonaventure's is our President, Fr. Francis William Kearney, O.F.M. During his six year term, Fr. Francis has done much to raise the name of St. Bonaventure. His building program is the most extensive ever undertaken and the standards he has set for the faculty have made St. Bonaventure a University in every sense of the word.

## In Memoriam

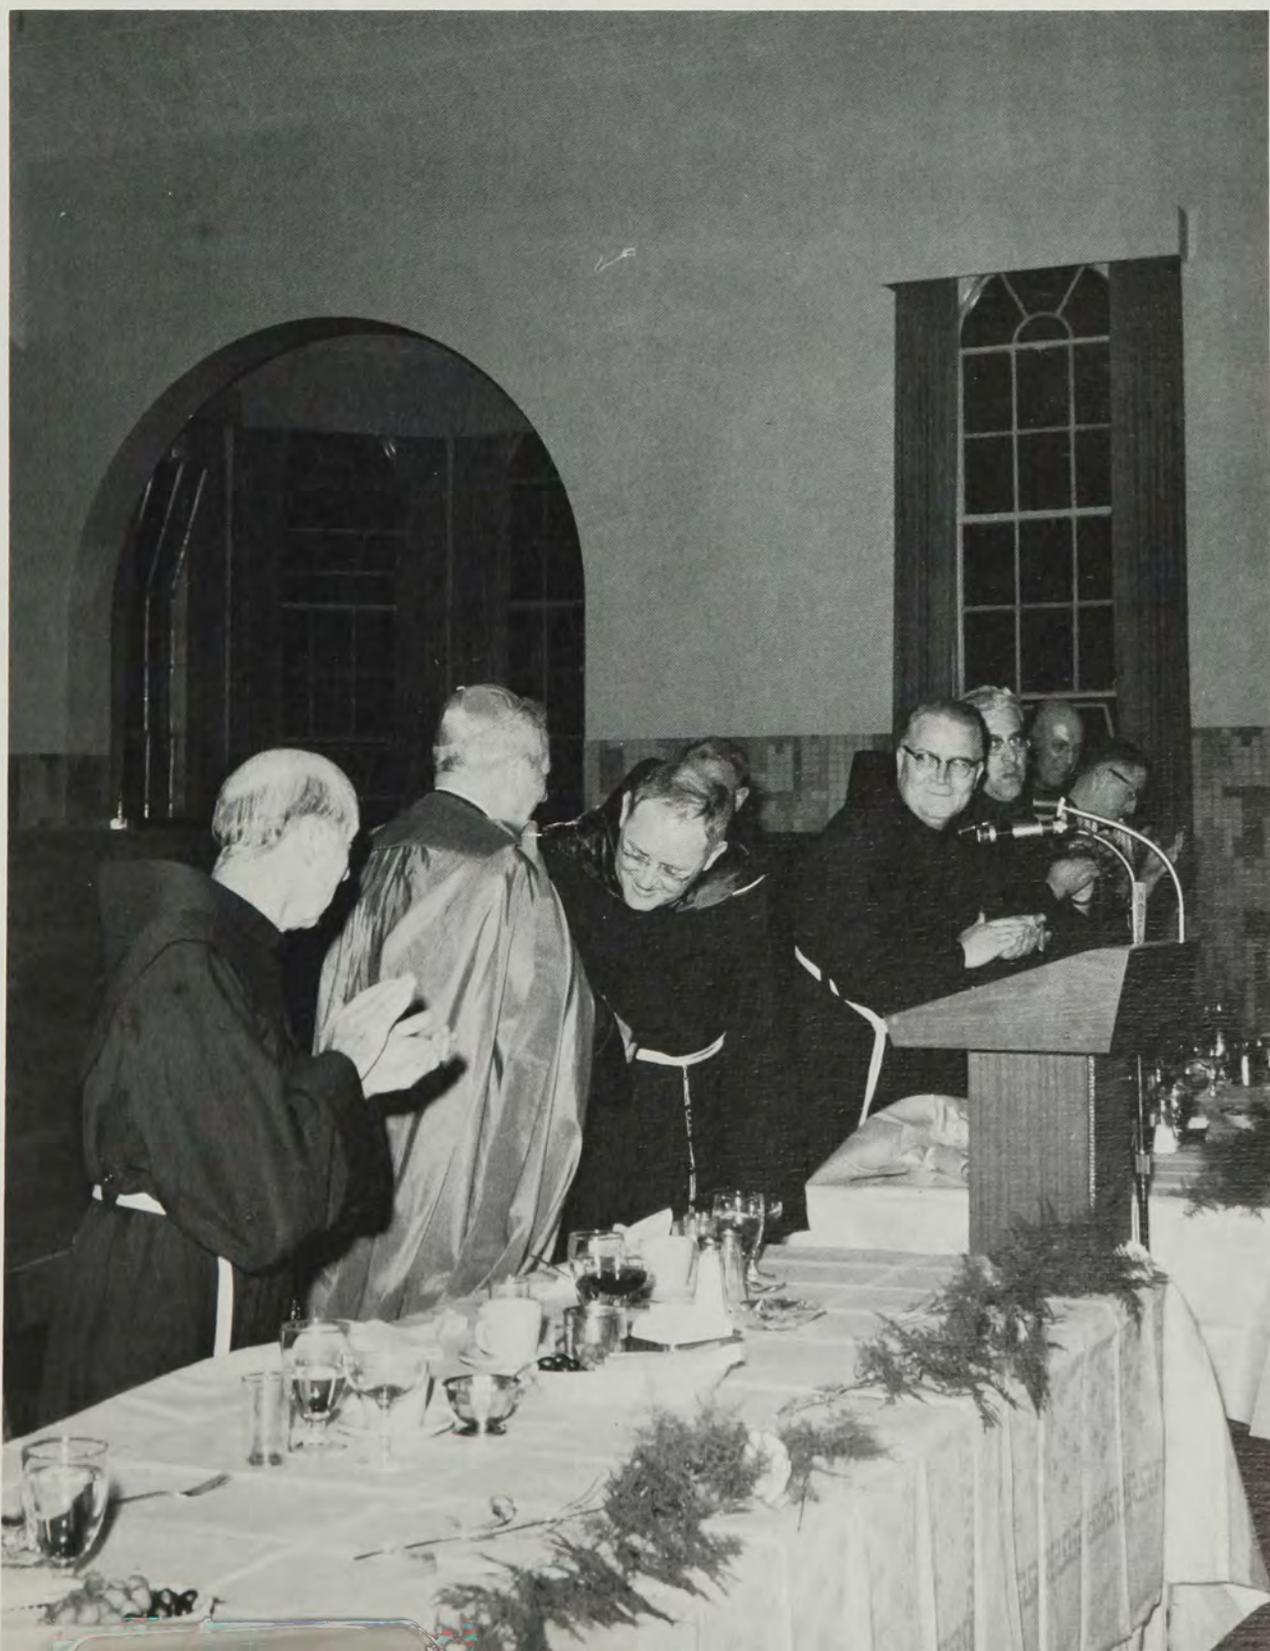

**Professor James I. Henderson**

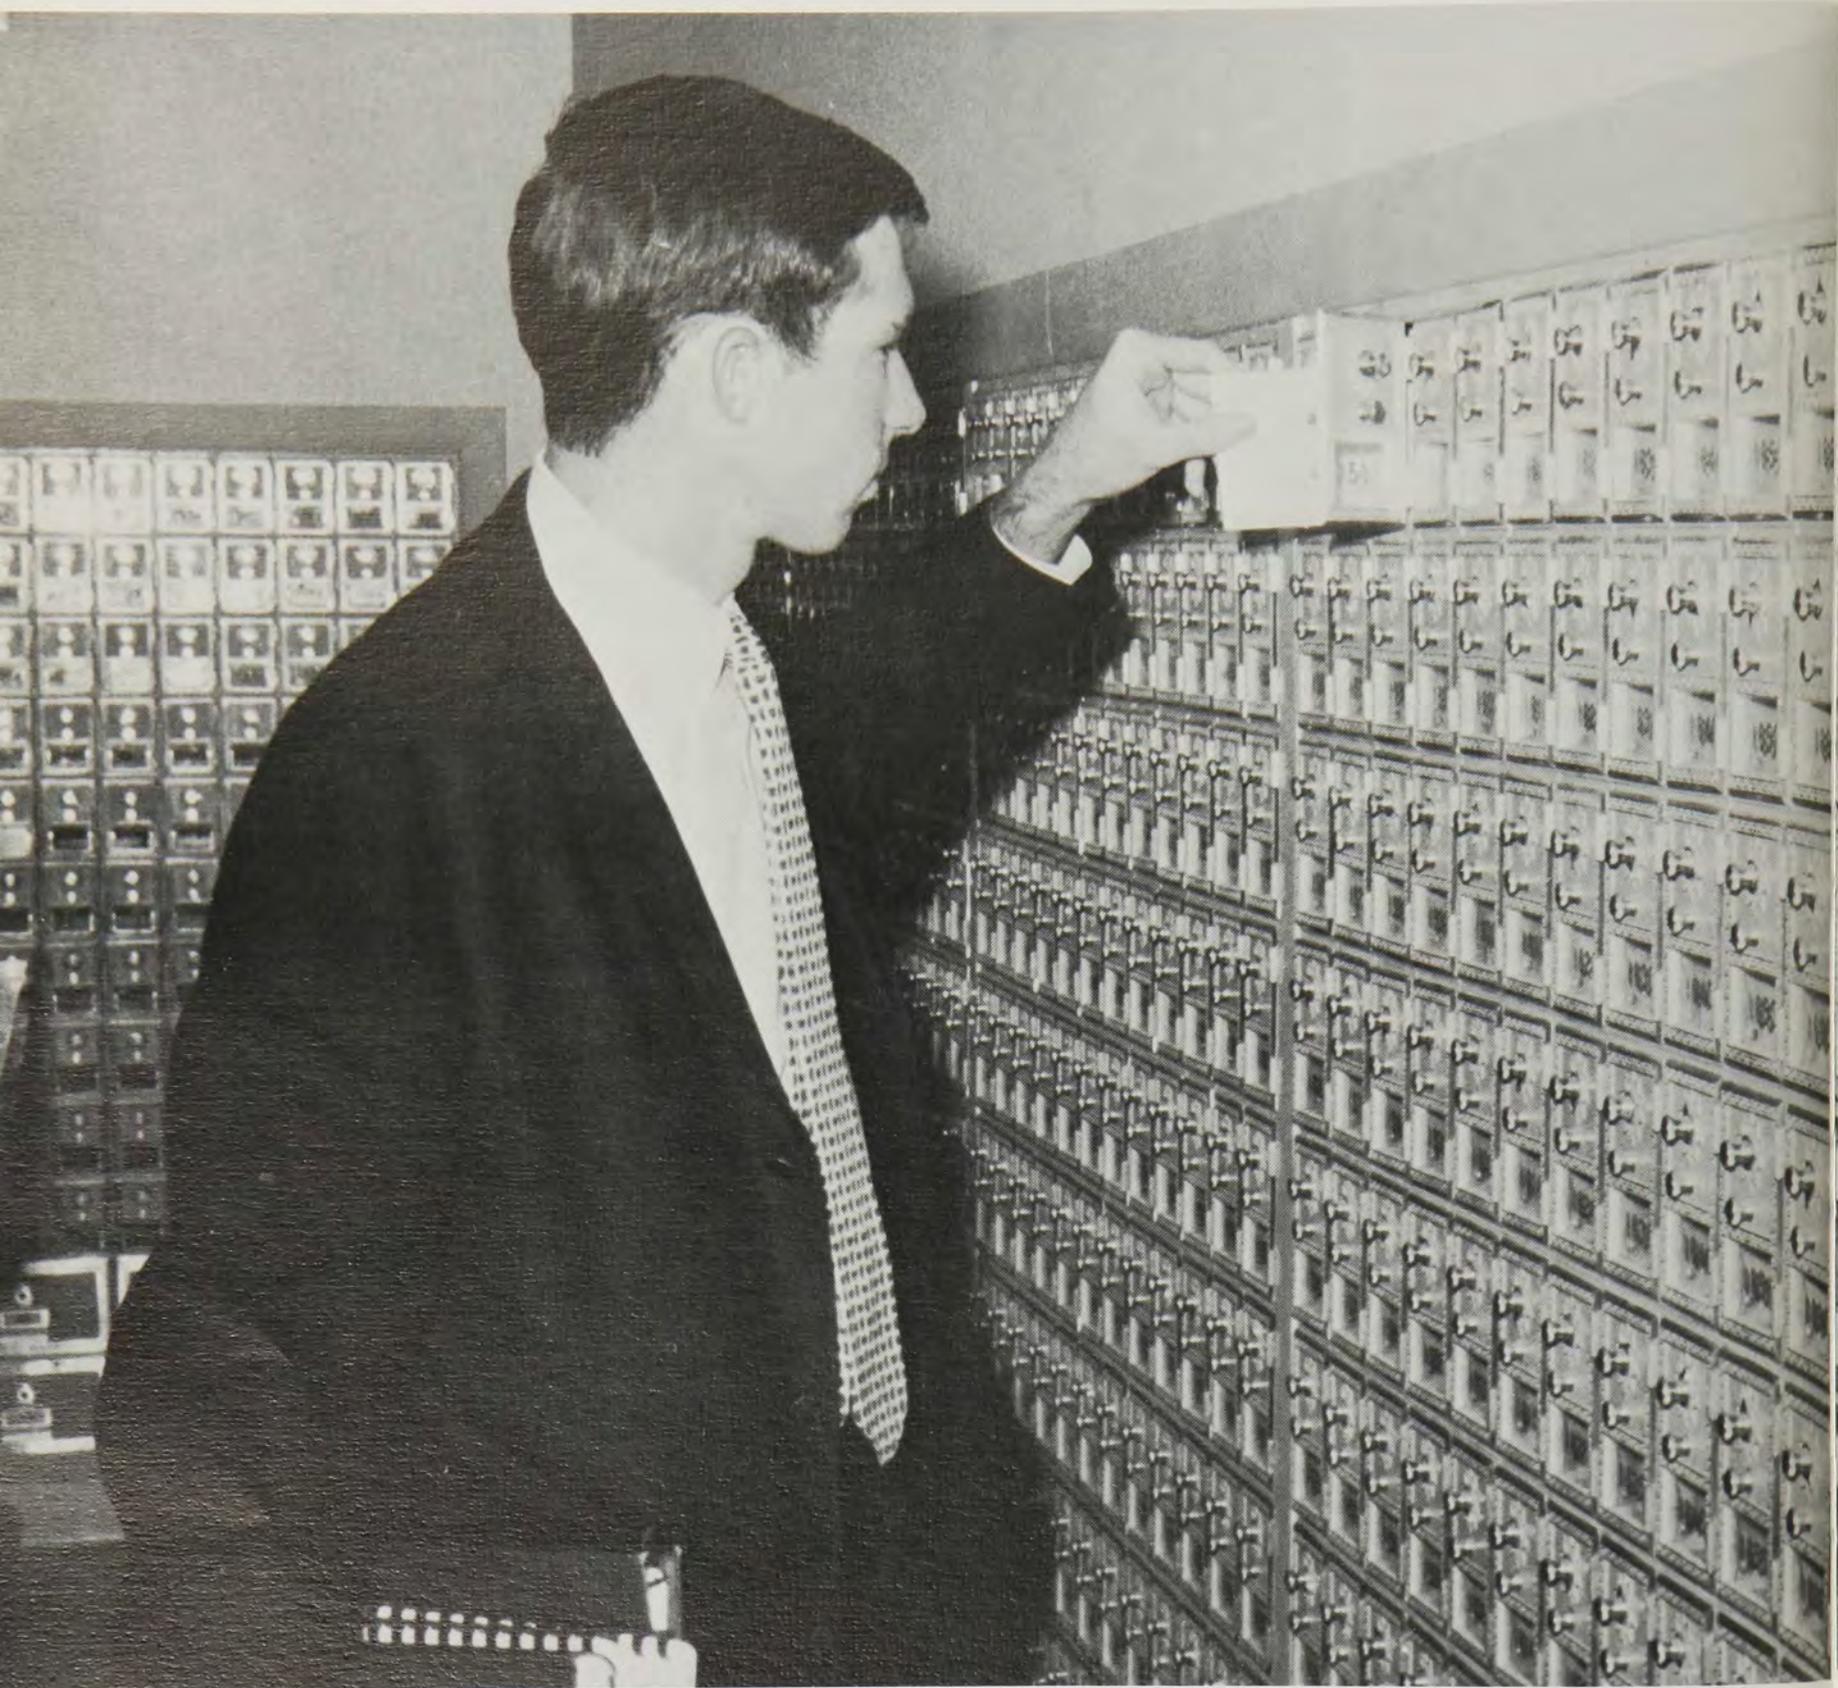

Department of English

Considered one of the wittiest members of the faculty by both peers and students, he was the occasional poet, the students' professor . . .

The University, and especially the students, regret the death of Prof. Henderson, a scholar immersed in his work, who never lost the rapport with his students, who never substituted pedantry for humanity.

During the Fall of 1966, the St. Bonaventure Soccer team, playing what was by far the most difficult schedule in their history, compiled a very impressive record, not only in the win loss column but also in individual and team records.

Twelve men started playing soccer for Coach Skehan four years ago, when soccer was considered little more than an intramural sport. This year these same men came back as seniors, and provided the backbone for the first soccer team at Bonas ever to have better than a .500 season.

In the first game of the season against arch rival Canisius on their home field, an all senior team completely outclassed the inexperienced Griffin squad. In the 6-0 rout, John Broomfield and John Hoffmaster had two goals apiece, while John Hogan and Tom Crist each tallied one. In this contest, the first varsity game between the two schools ever competed on a Canisius field, the Bonaventure spirit was evidenced by the overwhelming number of Bona fans present who outnumbered the Canisius fans considerably.

Ithaca College, NCAA semi-finalists of the year before, complete with All-American Janos Benedek invaded Bonaventure on October 1, expecting what in previous years had been a breather in their schedule. Not only was Ithaca surprised at the Bonnies skill and hustle, but as it turned out, their breather almost became a dying gasp. The scoring for the Bonnies was done by Tom Crist on a perfectly placed, difficult left footed shot; Art Jasper on one of his patented sinking shots from the corner and John Newman, a very promising sophomore, from squarely in front of the goal. These three goals made Bonaventure the first team in three years to score more than twice against Ithaca. However, Benedek was too much to contain, scoring two goals and making the assist on the other two. Although the 4-3 loss was a real heartbreaker it had to be considered a moral victory and definitely showed promise of a good brand of soccer for future games.

Coach Skehan gives some last minute instructions before the Canisius game.

"Field" turns the corner against Ithaca.

The next week the Bona Booters traveled to Big Ten Country where they met powerhouse Ohio State, who had finished second in the Conference the year before. This game however was never meant to be a victory for the Bonnies, who perhaps a little awed by their surroundings played a very sluggish game and finished on the wrong end of a 3-0 score.

In a night game at Bradner Stadium, Bonaventure lost a hard fought battle to Buffalo State. Given a boost by goalie Larry Grassini's block of a Buff State penalty kick at the end of the first half, the Bonnies came on strong and Tony Fien put one in with just three minutes gone in the third quarter. It looked like Buffalo was on the run but two Bona defensive lapses in the fourth quarter made it 2-1 Buffalo State, and ruined the Bonnies chances to even up their record at this time.

Before a Homecoming Day crowd of 1,000 Bonaventure got back to its winning ways by defeating the University of Rochester. Never having beaten Rochester before, the hungry Bonaventure eleven came out on top of a defensive battle, 2-0. Artie Jasper, playing an outstanding game, assisted in both goals, setting up Crist and Newman for the scores. Captain Larry Grassini was named Most Valuable Player and was awarded a trophy by the Homecoming Queen, Miss Mary Anne Wilhelm.

On October 19, the varsity played host to Alfred University, and avenged the previous year's defeat. Bonas couldn't seem to get started, and Alfred scored first, late in the first quarter. Pete Bonanno, a speedy sophomore wing put in the first of his three goals early in the second quarter, but Alfred refused to be outdone and scored again to put them one up at the half. Alfred scored its third goal early in the third quarter and things started to look dim for the Bonnies. With two

minutes to go in the third period Johnny Hogan put in a perfectly placed shot that brought Bonaventure back into contention. In the fourth quarter it was all Jasper to Bonanno as the rookie put two beautiful shots in the corner after "Old Man Artie" placed the ball right on his foot. That made it 4-3 Bonas and that was the way it ended as the Indians played one of the strongest offensive games of the season.

Denis Tarpey, Bill Lilly, Al Cervi and Larry Grassini were Fredonia State's downfall as the stalwart Bonaventure defense refused to be penetrated and in doing so registered their third shut-out of the season. Coming in off the bench, Tom Fassanella proved to be the hero of the game as he booted in the first goal of his career late in the third quarter. This was the only score of the game, and the Bonnies, having won their last three games were now four and three on the season.

Slippery Rock completely destroyed Skehan's charges with a 5-1 bombing on the Pennsylvanian's home grounds. Slippery Rock's fast break offense, coupled with their use of the platoon system of substitution ran the tired Bona defense ragged, while the Indian front line just couldn't seem to click. John Hogan scored the lone goal for Bonaventure, but it was a fruitless effort.

Bouncing back against traditional power house, Bucknell, the Bona Booters evened up their record by defeating the Ivy Leaguers 3-1. Led by half-back Tony Fien, who scored two goals, the Bonnies completely out hustled Bucknell and managed to keep the ball in their territory throughout the whole game. Johnny Hogan scored the other goal for Bonaventure, as Fien, Tom Crist and John Broomfield played an outstanding halfback game, coming back to help the defense and still managing to set up the offense.

Bonaventure traveled out to Pennsylvania to meet Susquehanna University for the season finale on November 1. Susquehanna looked tough as they took the ball and drove into the Bonnie goal with only forty nine seconds elapsed in the game. But Bonaventure, seeking its sixth win came back strong and won 4-2. Pete Bonanno ran circles around his man and scored two, while Artie Jasper and Tony Fien each contributed one to the success.

Although only four of the twenty three man squad had ever seen a soccer ball before entering Bonaventure, this year's team ended the season with a 6-4 record, the first winning season since soccer's inauguration here. This is definitely a tribute to Coach Skehan's coaching ability. Special mention should also be given to the six men who were nominated for All-American honors: Pete Bonanno, John Broomfield, Al Cervi, Tom Crist, John Newman and Larry Grassini. The sophomores and juniors on the team, who provided depth for the varsity, coupled with this year's strong Freshman group should, if they jell, be able to keep up the high caliber of soccer that St. Bonaventure is now becoming accustomed to.

Coach Skehan gives Captain Jack Mennes some last minute advice before the State Championships.

This year, the St. Bonaventure Swimming Team inaugurated the new University pool with the most successful season in their eight year history. Compiling a 13-2 slate, the Bonnie swimmers, coached by John B. Shehan, proved themselves as a top rate team and one of the best in New York State.

In the season opener, the Bona aquamen traveled to Ithaca where they defeated Ithaca College 65-28. The next day, December 8, they met Cortland State at Cortland where they gave a glimpse of things to come by besting, by the score of 53-42, a team led by Bob McMurray, who won two firsts and a second in the New York State championships.

The Bonnies were next scheduled to meet Notre Dame at home in the first meet held in the University Pool. Swimming without the services of the team captain Jack "Tiny" Mennes the team was humbled by the powerful Irish 28-67.

Johnny Barrett shows perfect form in the pike position from the three meter board.

Traveling out to Slippery Rock, the varsity avenged last year's defeat by swamping the Pennsylvanians 71-33.

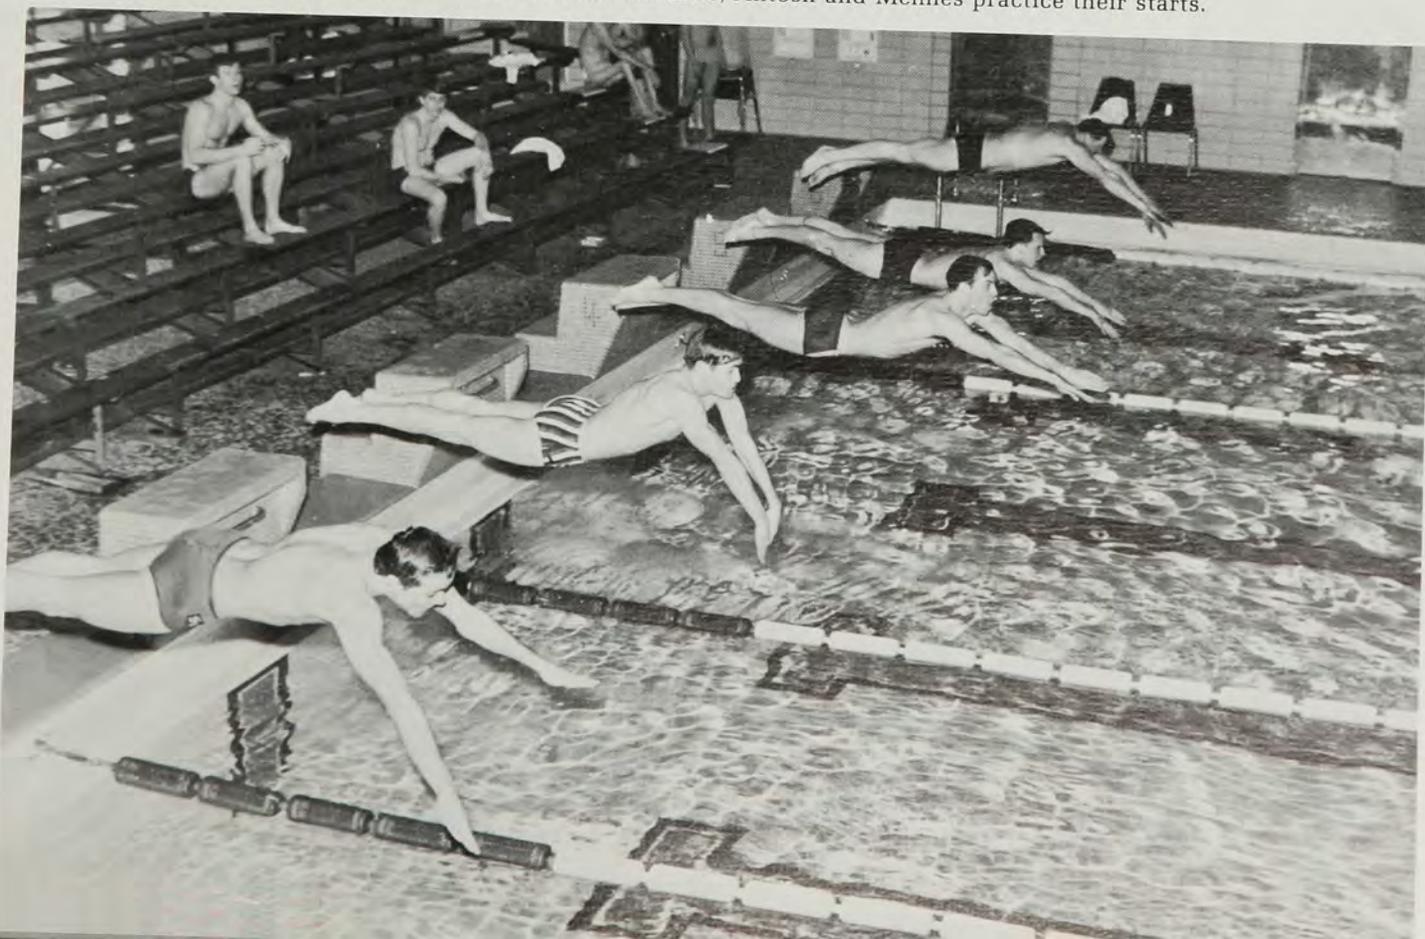

A dual meet with Fredonia and Geneseo lifted the club's record to 5 and 1 as the Brown Indians swept all comers.

During mid-semester break, the Bona mermen traveled to New York where they squeezed past the Merchant Marine Academy 53-51. Needing the last event, the 400 Freestyle Relay to take the meet, the relay team of Bob Brace, Bill Brennan, Jack Mennes and Kevin Culhane came through with the winning time and established a new varsity record while they were at it.

In a meet against Temple and Fordham at Fordham, the varsity let out all the stops as they swept everything while Bill Reichle set records in the 100 yard Freestyle and the 200 yard Butterfly.

The varsity returned home to Olean and celebrated by whomping Niagara University 62-33.

Varsity stars Reichle, Brennan, Culhane, Antosh and Mennes practice their starts.

Bob Brace gets ready to start his specialty—the 50 yard freestyle.

You'd be scared too, if you were diving from this high up!!!

The varsity returned home to Olean and celebrated by whomping Niagara University 62-33.

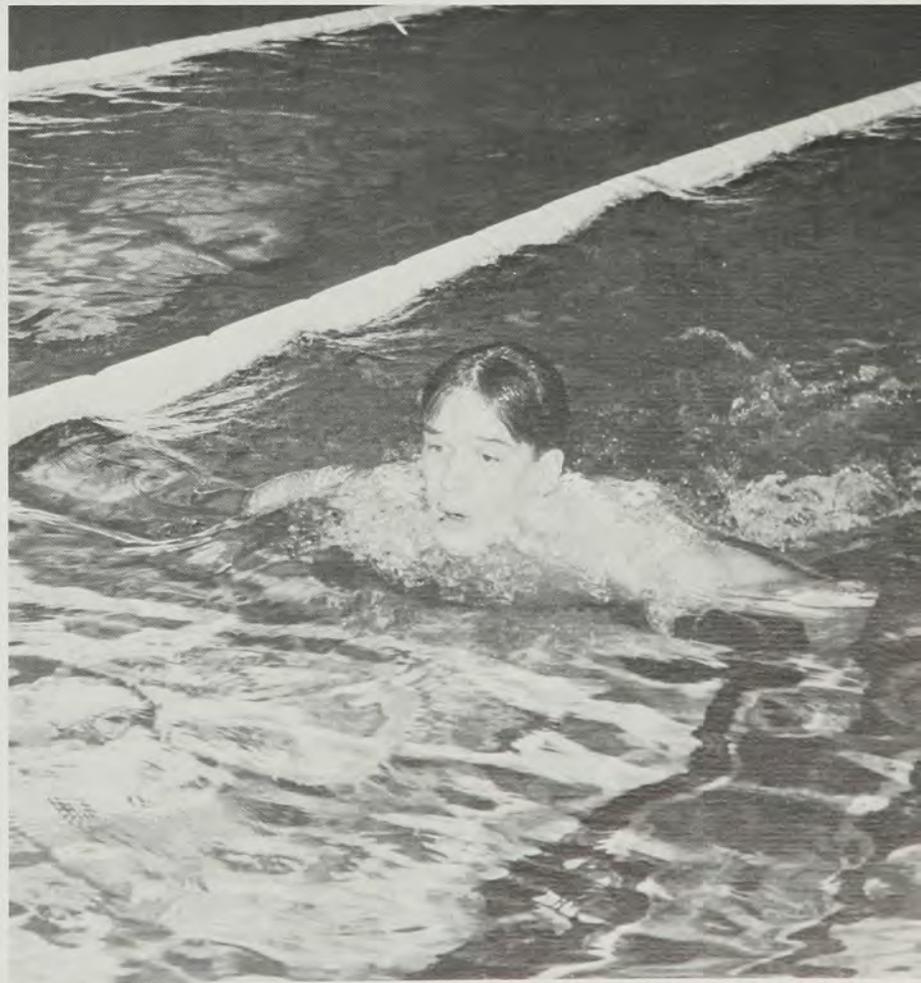

It seemed as if the Bonnies would never lose as they bested Buffalo State 64-26.

The swimmers were in top shape now as they set records as if there was nothing else to do! The 400 yard medley team of McClave, Macys, Bruchac and Reichle swam a 3.56.3 to set a new record, and McClave and Macys set individual records in the 200 yard backstroke and breaststroke respectively.

After drowning Hobart 68-27, the mermen received their second setback of the year at the hands of a strong University of Rochester squad. U. of R. took the meet 56-48, as they revenged the previous year's loss.

Bill Reichle practices one of the most difficult and most tiring strokes—the butterfly.

Jay Antosh comes in ahead of the field on the last lap of the 200 yard breaststroke.

Undaunted, the Brown and White splashed over Brockport 65-39, as our 400 yd medley relay team and Dave McClave bettered their own records.

In the season finale, the Indians took University of Buffalo 66-38 and started to look towards the State Championships.

Held in Bonaventure's new pool, the Championships proved exciting, not only in the bevy of excellent swimmers present, but also in the fantastic showing by the Bona mermen. All totaled, the Bonnies bested seven of their own records and placed in almost every event.

With only two men graduating from this year's squad and with the addition of a strong group of Freshmen swimmers, Bonaventure swim buffs can expect another exciting season next year.

Tom Stein goes off at the gun for the start of the 200 yd. backstroke.

Sophomore Mike Macys hops from the pool after taking another first in the breaststroke.

Tom Dougherty starts to go into the tuck position off the one meter board.

1966-67 FRESHMEN SWIMMING: *In water*; Leo Titus, John Florian, David Sheehan, Timothy Duffy. *Second row*; David Verzoni, Otto Piedmont, Edward Flannagan, Douglas Pratt. *Third row*; Thomas Scala, Edward Westfield, Kevin Clarke, Richard Popeck, John Goodman.

## COACH WEISE

The record book is very impersonal. No explanations are offered. The Bonnies play hot teams and cold ones. They go against the tough ones and the pushovers, winning big and dropping two point heartbreakers. But in the record book, a season's emotion is converted into cold statistics.

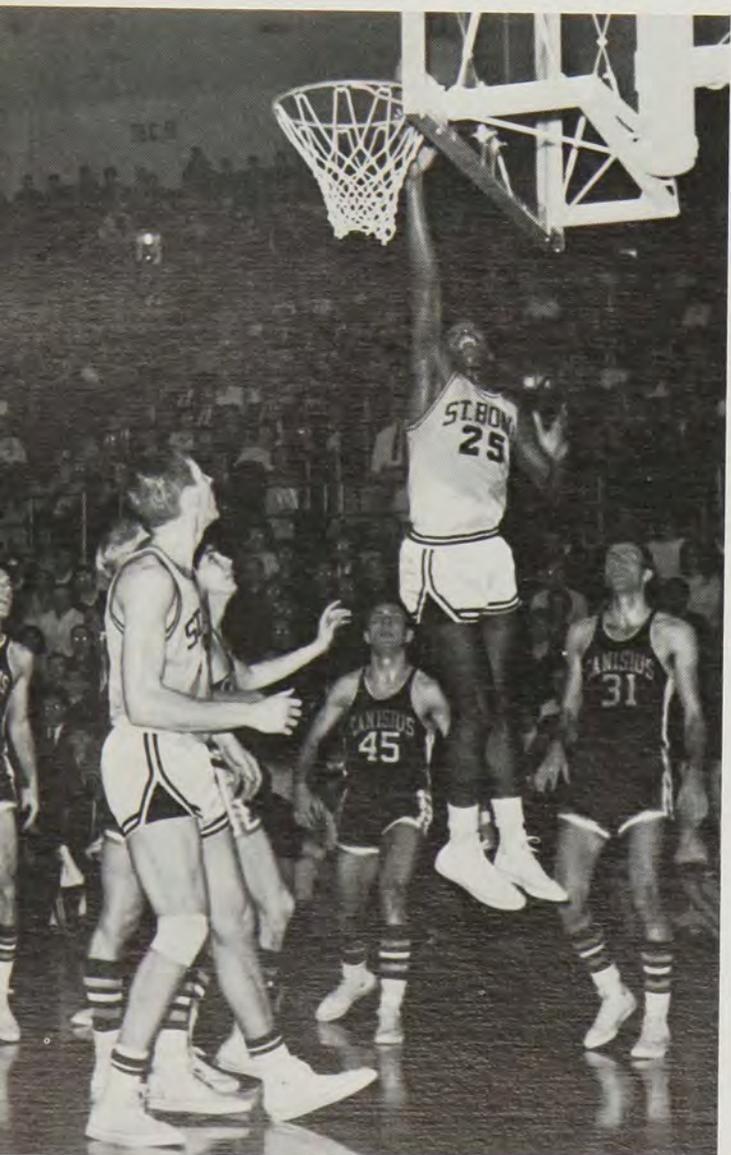

Coach Larry Weise, just like the team, hustled, sweated and worked long hard hours. Hampered by injuries and bad breaks, Coach Weise kept the team together and turned what looked like a dismal season into a respectable one.

# CAPTAIN GEORGE CARTER

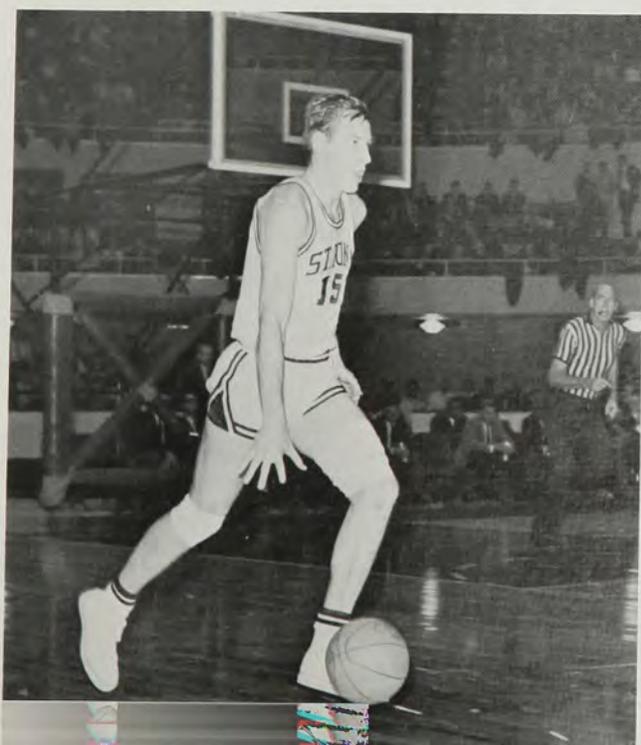

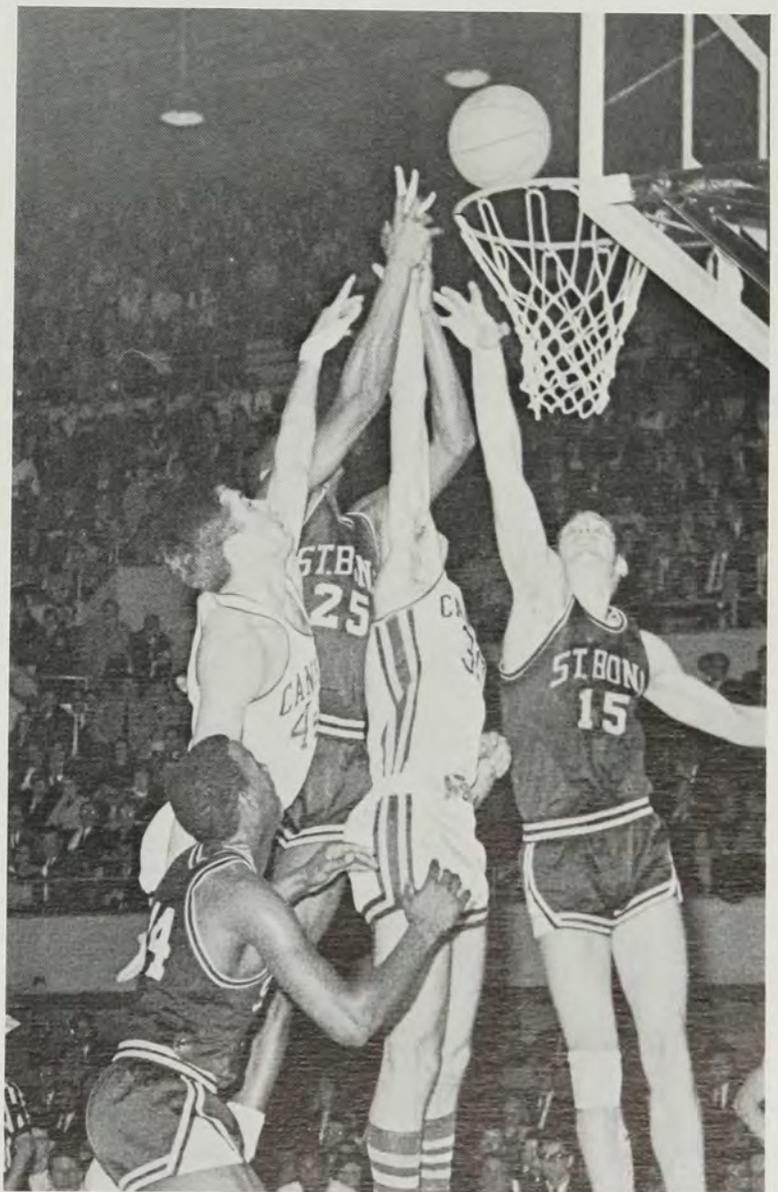

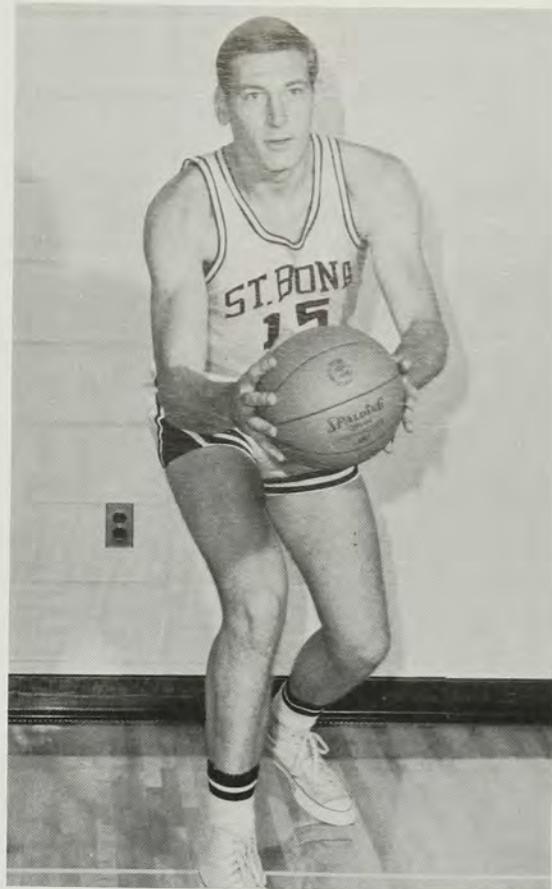

Captain George Carter, senior stand-out from Silver Creek, New York, hustled for 40 minutes every game this season and proved himself as the floor general and team leader. Averaging 20.4 points a game, Big George also found time to lead the team in rebounds. A rugged defenseman, George could always be counted on to light the spark the Bonnies needed to come from behind. Scoring over 1300 points in his career, George Carter became the third highest scorer in Bonaventure history and permanently carved his name in the annals of Bona greats.

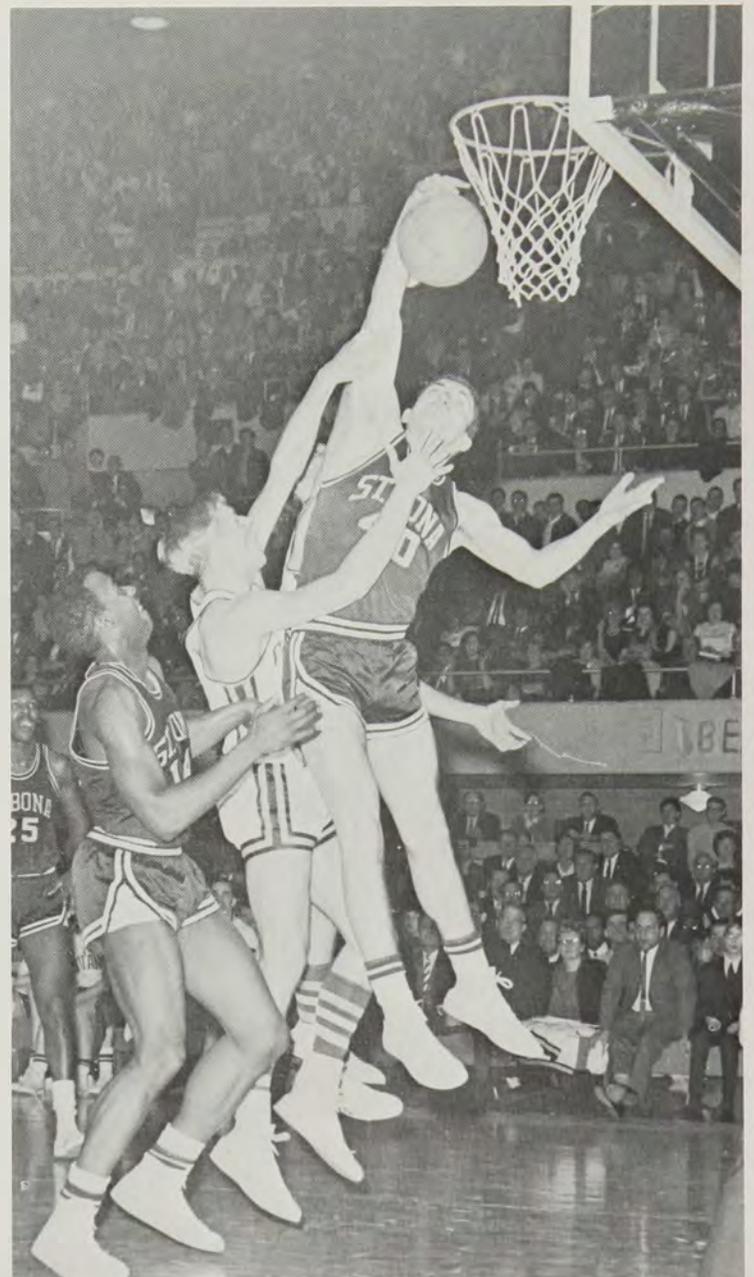

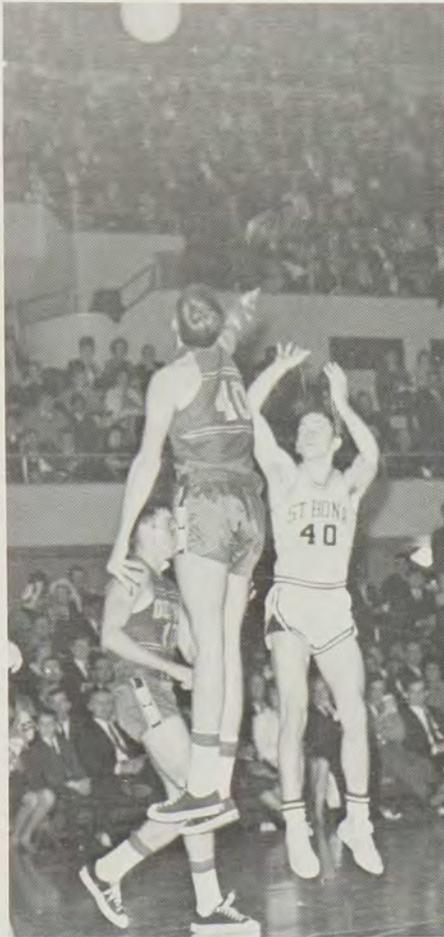

# PAUL STAPPENBECK

Tall Paul Stappenbeck established himself this year as an offensive and defensive threat under the boards. Playing with improved confidence and poise, Stapp's shooting, rebounding and defensive play heightened Bona's attack. Always hustling, Paul seemed to enjoy using his 6'8" form to intimidate opposing teams and loved to slam the ball away just as one of the hopeful foes attempted to shoot.

# JEFF HAZARD

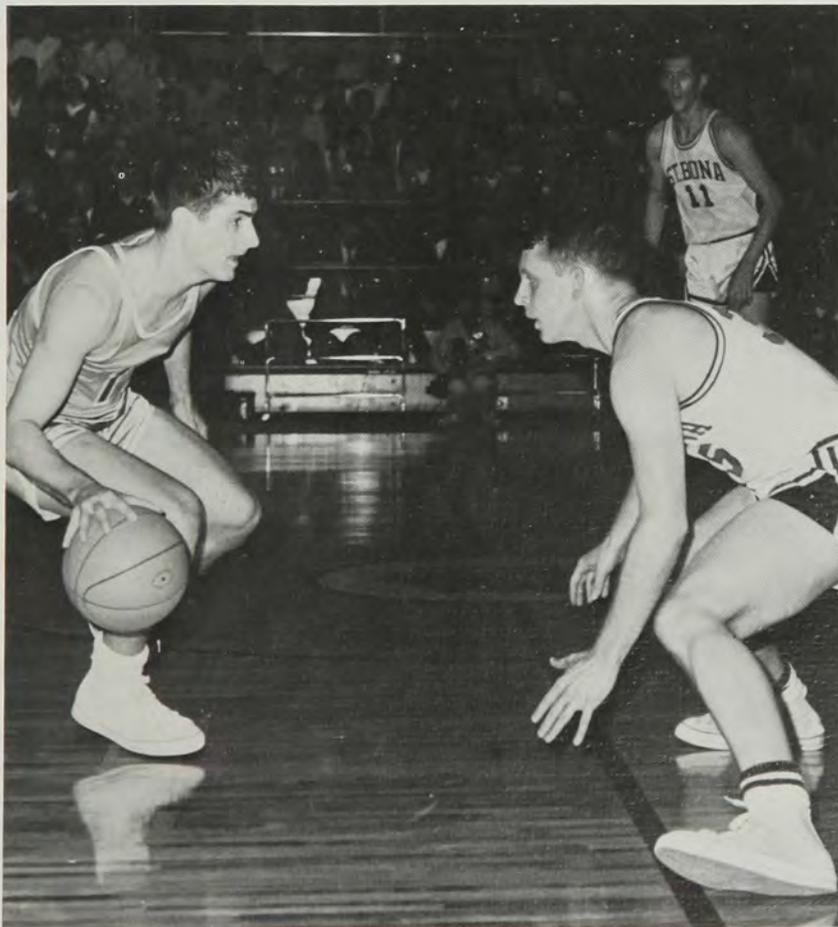

Coming in at crucial moments, Jeff Hazard was always given the opponent's biggest man, yet he still came up with more than his share of the rebounds. His jump shot from the outside was deadly and Jeff could always be counted on to come off the bench and make the right play. Perhaps the most thrilling game in which Jeff played was against Fairfield when his shot at the buzzer proved to be the margin of victory, 92 to 90.

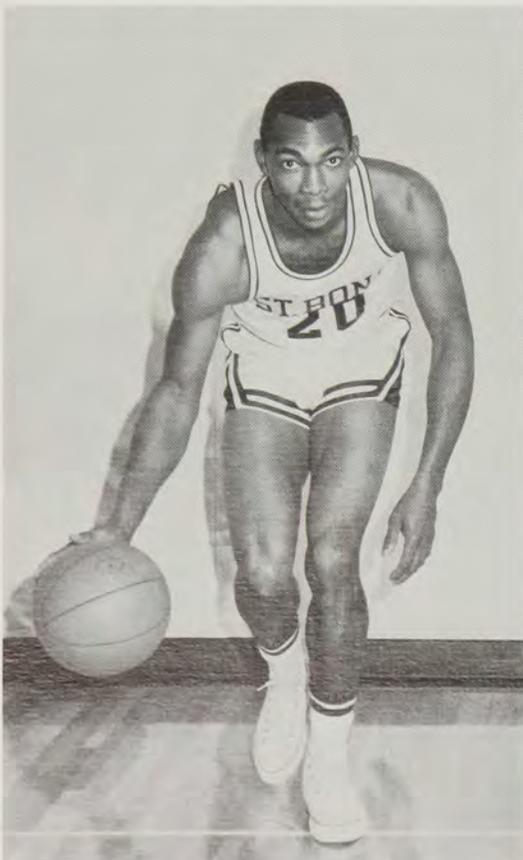

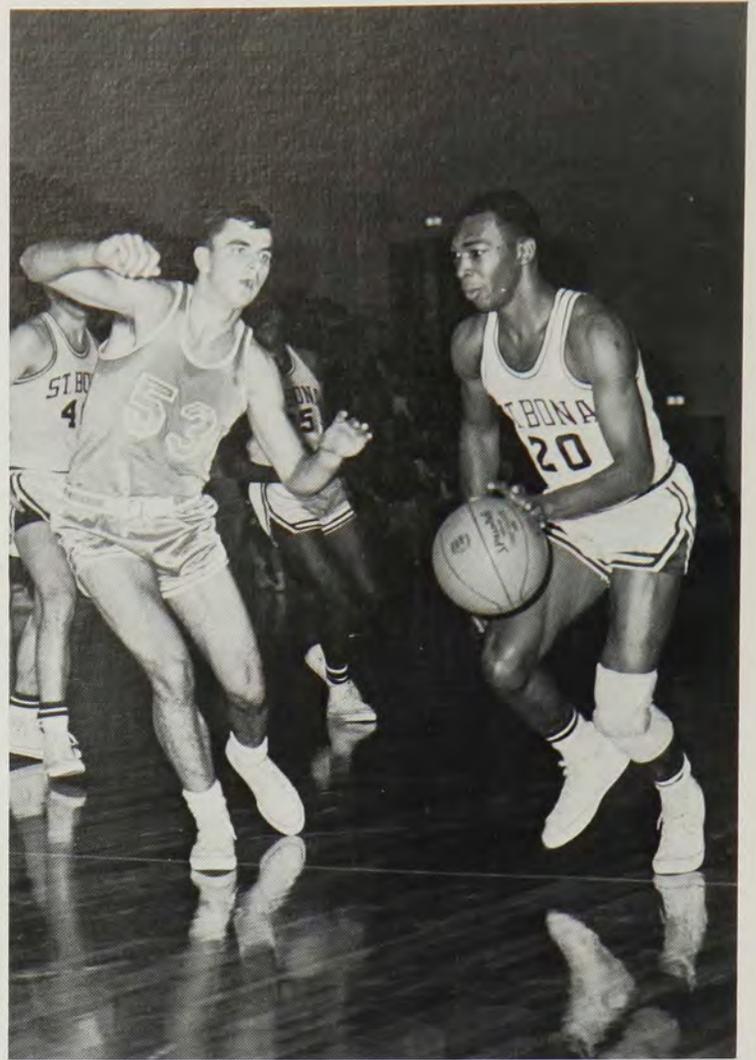

## FRANK SATALIN

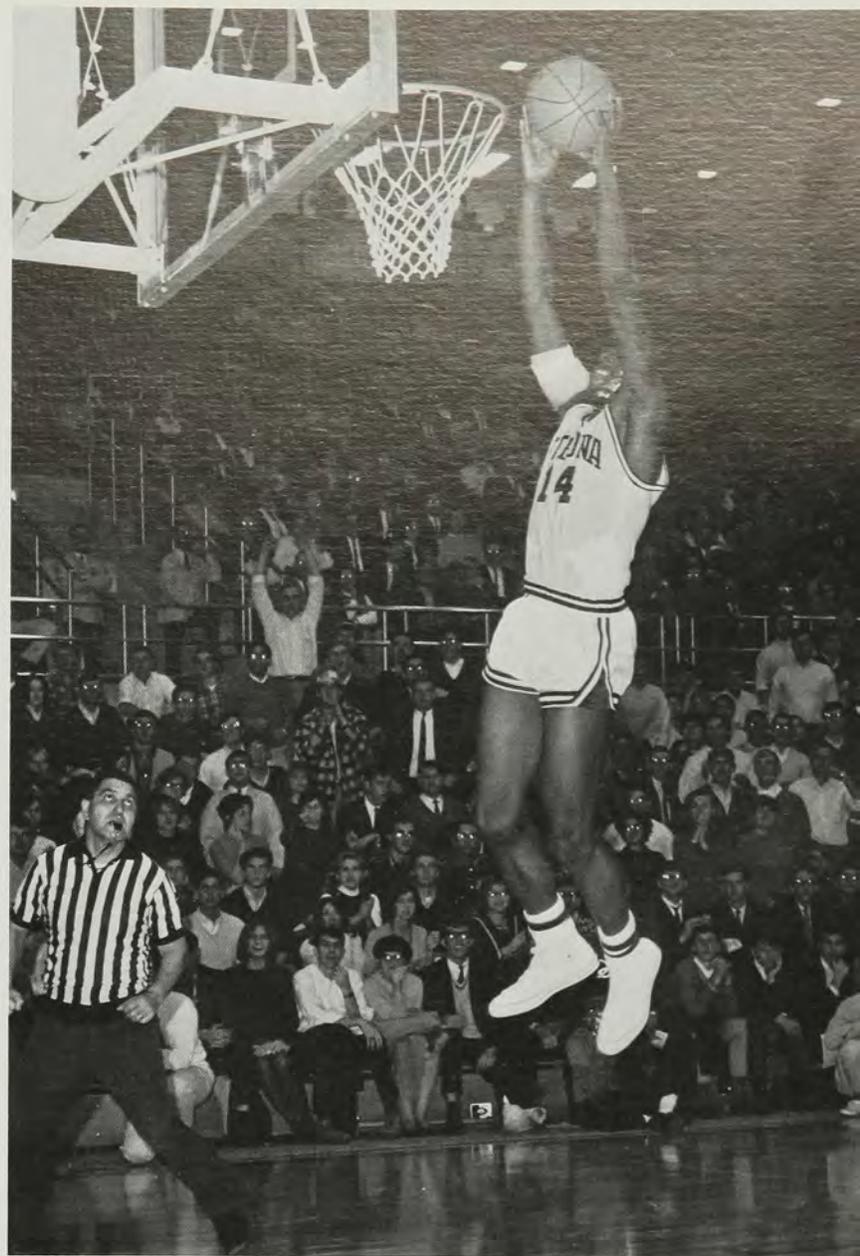

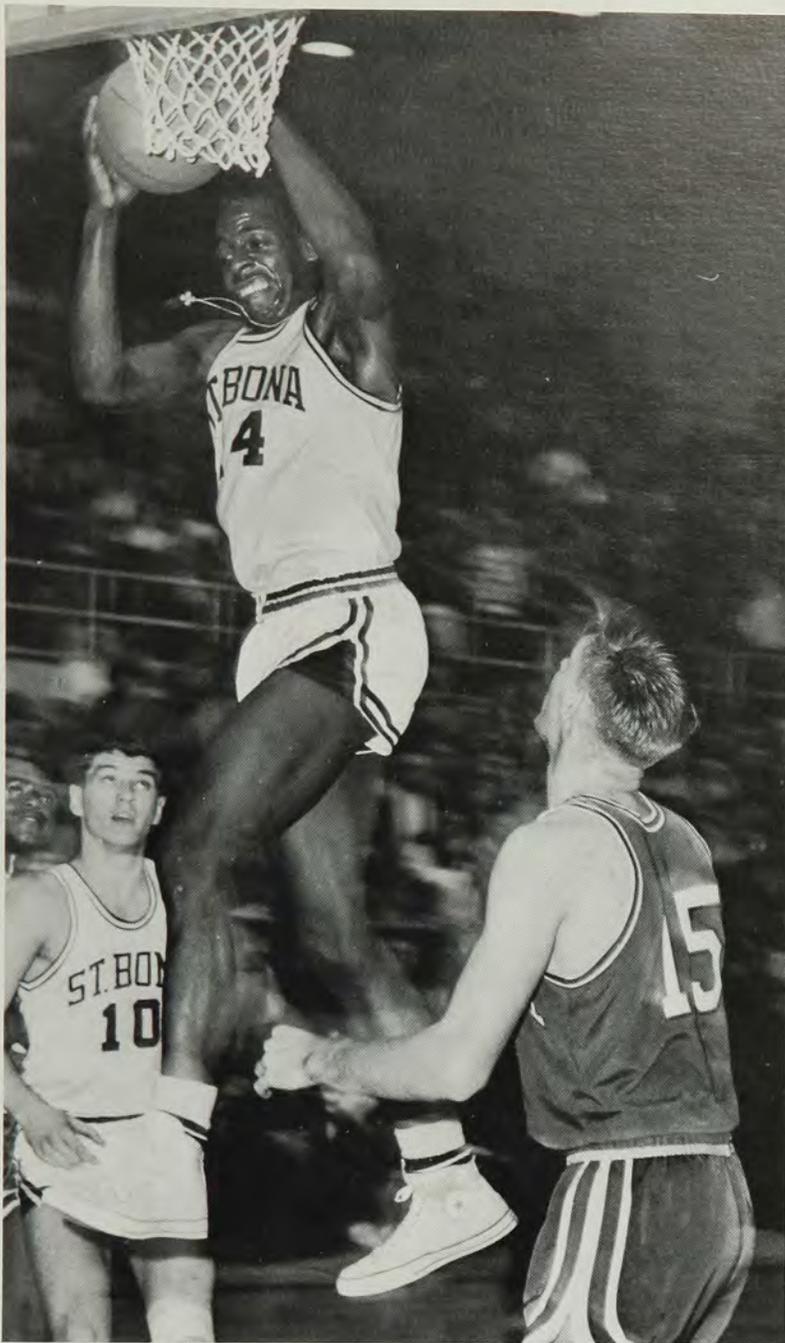

This year Franny proved the dependability of the Satalin name. With his brother sidelined at the beginning of the season, Franny went out to prove that there was more than one Satalin on the team. His precision passes and adept ball handling made him the perfect choice to fill the vacated guard position. The faith that Coach Weise had for Frank was best proved in the second Canisius game when he put him in with 3 minutes to go and Bonas down by two. Frank tied up the game and then blocked the would-be game winning shot by John Morrison. It was plays like this that made Frank everybody's favorite ball-player.

## JOHN McLEOD

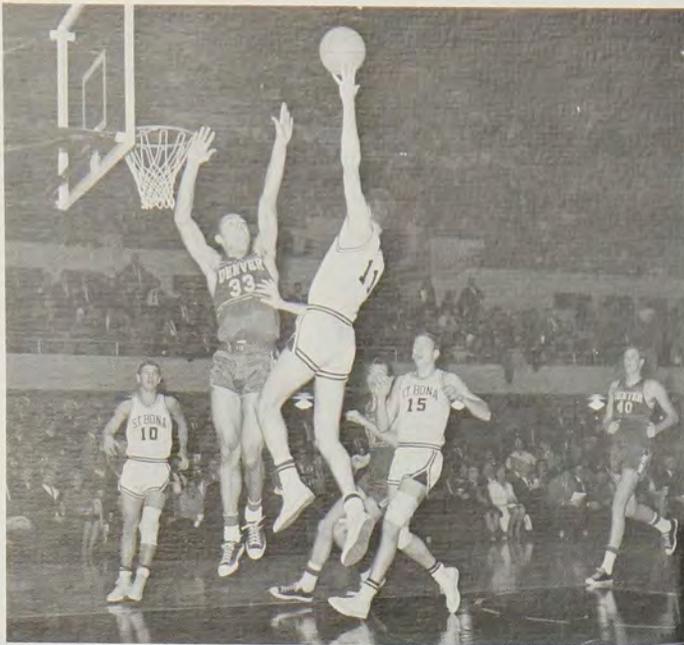

Senior John McLeod played most of his ball when backcourt starters were burdened with fouls. The 6' guard's deceptive speed and outstanding ability to jump fooled many opponents and made "Jag" a real threat both outside and under the basket. John, a real hustler, had the desire to play but an overabundance of excellent ball players kept him in a reserve status.

## BILL BUTLER

Bill Butler, unstoppable in his Sophomore year, joined with Carter this year to become the most potent 1-2 scoring punch in the East. "Butts'" leaping jump shots with either hand put the Bonnies ahead in many games and his accurate shooting and adept maneuverability put many games on ice for the Brown Indians. Billy's smooth style of play mesmerized the fans and brought back memories of Freddie Crawford. With another year of eligibility left, Billy can be counted on to thrill next year's fans and become one of the top scorers in the East.

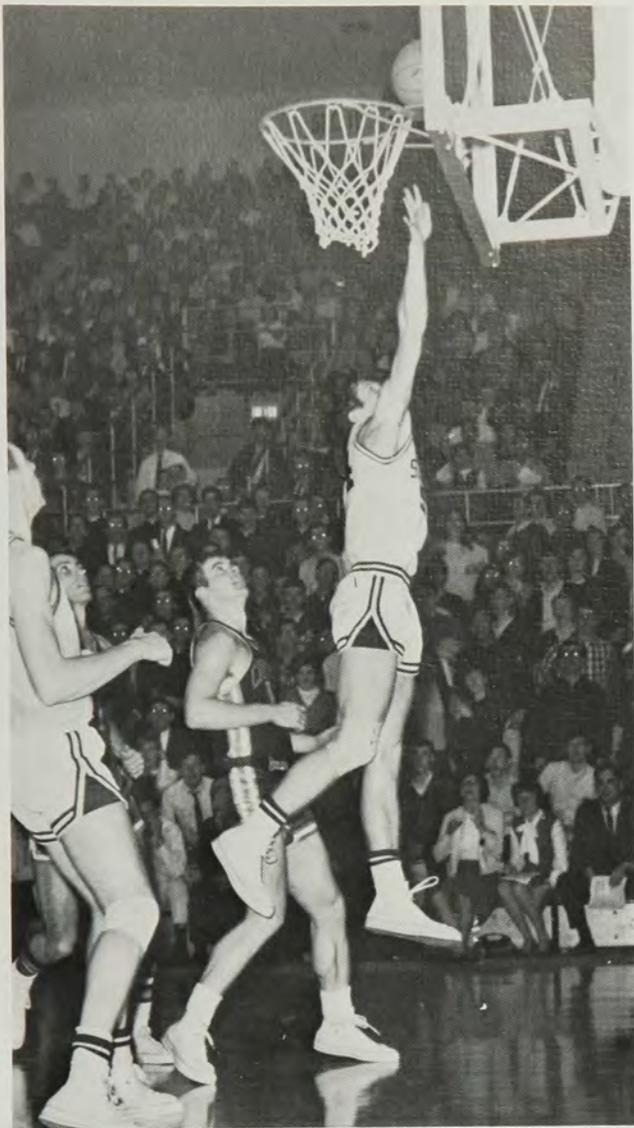

## ED AHEARN

Eddie Ahearn, a junior from New Hyde Park, Long Island, lent strength to the Bonnies' bench with the consistent efforts he gave when called upon. Ed, a sometimes starter known for his driving layups, will be relied upon heavily next year to supply experience to a relatively inexperienced ball club.

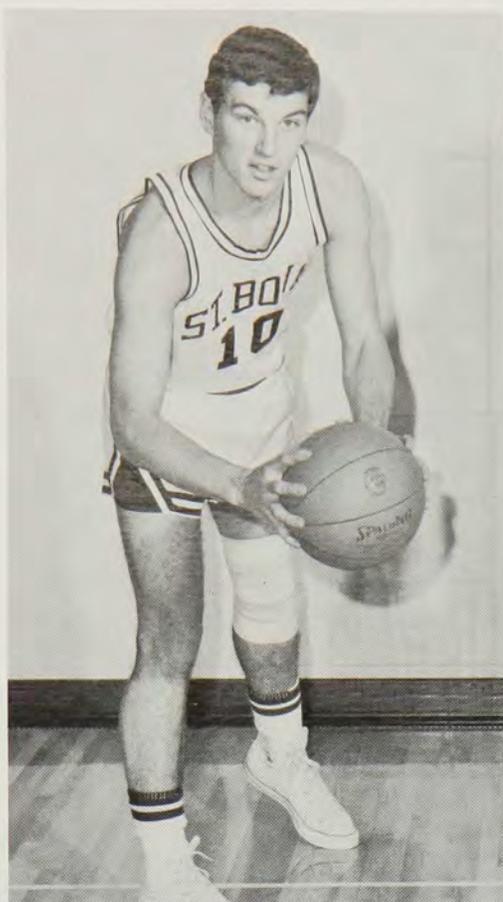

## VINNIE MARTIN

Vinnie Martin, sidelined with illness as a freshman, came back strong this year and teaming with fellow soph Mike Kull proved to be a pleasant surprise in the back court. His precision passes and ability to spot an opening were an important factor in every game. An excellent shooter himself, Vinnie became a hidden factor in Butler's and Carter's game. With two more years to play with the Bonnies we can expect to hear a lot about Vinnie Martin.

## MIKE KULL

Every team needs a good outside shooter to win and this year that spot was aptly filled by Mike Kull. Sidelined in the beginning of the season with a knee injury, Mike came back to give the Bonnies the outside threat they so sorely needed. His bombs from 30 feet out were not infrequent and his ability to put in the long one often loosened up the opponent's defense and allowed the Bonnies to work the ball inside. Only a soph, "Kink" will definitely see a lot of action for the next two years.

## JOHN HAYES

John Hayes, after leading the freshman team in scoring last year, injured his knee in pre-season practice and was unable to play for the majority of the season. His potential was shown in the Xavier game, the only contest that he was able to play for any length of time. In that game he scored 26 points, amazing the fans with his driving, twisting lay ups. Next year, with a sound knee, John should be able to give the team the boost they'll need to get them past their stronger schedule.

## RAY WALSH

Last year as an intramural basketball all-star and Most Valuable Player, Ray Walsh so impressed Coach Weise, that he was immediately brought up to the varsity this year when Jimmy Satalin's services were lost for the season. Ray, an excellent ballplayer, had the ability to be a starter, but his lack of inter-collegiate experience held him back.

## Tennis

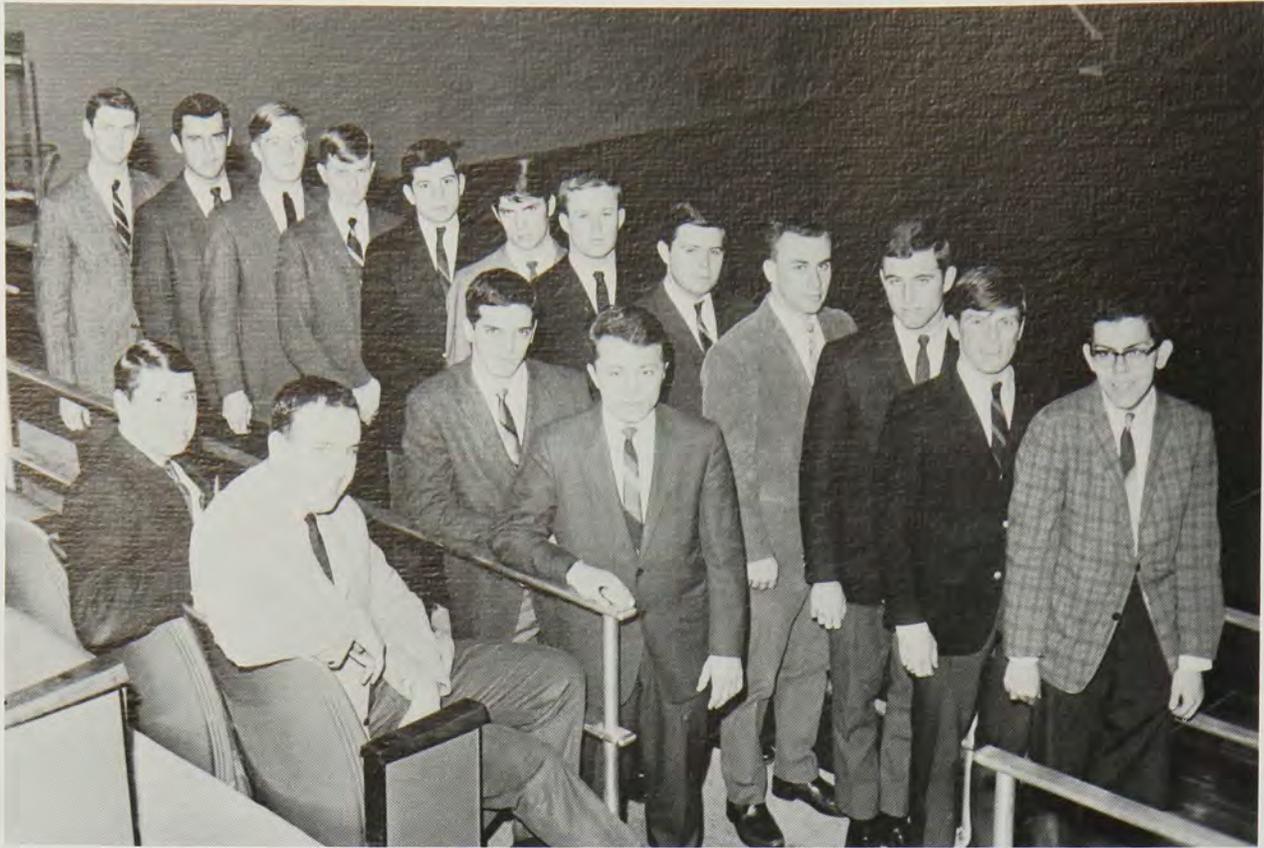

This year, after the loss of four seniors through graduation, the St. Bonaventure golf team had to rely mainly on untried underclassmen. The team, comprised of three juniors and four sophomores, finished the season with a credible 3 win 6 loss and 3 tie record, with many of their losses decided by just one or two points. Paced throughout the season by Juniors Pete Adolf and Ed Ahearn, the Bona duffers beat highly touted University of Buffalo 12-6 and finished second in the sectionals at Colgate. Coached by Rev. Eugene Malek, the Bonaventure golfers gained needed experience this year and are expected to show much improvement next season.

## Golf

1966-67 GOLF TEAM: Rev Eugene Malek, O.F.M., Edward Ahearn, Peter Adolf, John Zweig, James Leddy, Thomas Barnish, Robert Golden, George Brunner.

INTRAMURAL COUNCIL: *Sitting*; Timothy Neville, Secretary; Warren Sweeney, President. *Standing, First row*; James Servidea, Vice President; Raymond Myszka, President, Officials Club. *Second row*; Peter Adolf, Richard Zilinskas, Andrew Creary, Martin Hiller, Peter Bonnano, Joseph Principe, Greg Mitchell, Gerald Foran, John Barrett, William Reichle, Michael Kelleher, Arthur Kearney.

## Intramurals

Identified by their mismatched uniforms and unmatched competitive spirit, the intramural teams can be found either on the athletic fields, in the new field house or in venerable old Butler. Combining skill and fun, competition runs from football in the fall to softball in the spring, all in quest of that coveted trophy — the President's Cup.

Cross country comes around and floor captains scurry around trying to find Seniors with a minimal beer belly or Frosh who haven't yet heard what the two mile course is like. The rosters are finally filled, the runners are psyched—they need a first place for the floor. In pursuit of that goal they will run two long miles, forcing each step, straining chest, legs and endurance beyond the breaking point. Win or lose, it was for the floor—they'll celebrate that night, and probably cut the next morning's class. . . .

Winter comes to Bonaventure, and intramural sports move inside. Basketball is the predominant sport, with many teams as well drilled and talent-laden as some Junior colleges. Competition is keen and almost every game is on the line 'til the final buzzer. For the more aggressive (or the more easily persuaded) there is wrestling. Getting pinned doesn't mean romance, it's the loss of the match. And through those long winter months, total effort—total exhaustion . . .

For those wishing to take advantage of the beautiful new University pool there are swimming and water polo intramurals. These sports, taking place during the long lazy winter, not only proved the aquatic prowess of the Bonaventure student, but also revealed the sudden change in many student's physiques since the summer days. Attendance at the dining hall decreased amazingly after many students found that somehow (?) their bathing suits had shrunk 2 or 3 inches around their waist. Although no Don Shollanders were discovered, the competition was always tough and after talking the meets over at the Burton, most students decided it would be smarter to purchase a new bathing suit. . . .

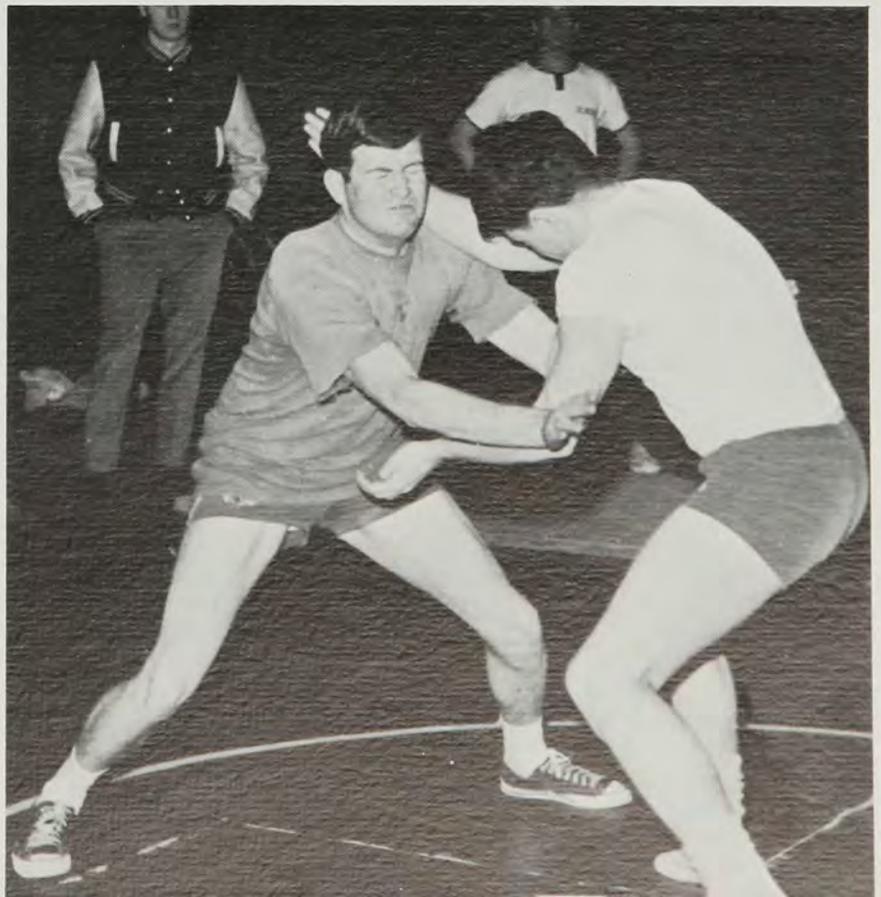

There is volleyball in Butler where oftentimes the contest is not so much between the teams but rather amongst the participants as to who would be the first to tumble into the ancient nets. Bowling starts and Bon-aventure's keglers come out in force. Individual games of 200 are not uncommon, yet neither are scores of 75. No matter though, it is a chance for relaxation and an opportunity to acquire President Cup points. Some of the more ambitious start to practice for track and everyone wonders if it will ever stop snowing!

And finally it comes, Bonaventure awakes to find the campus a muddy green rather than the by now despicable white. Undaunted by the natural lakes formed by the melting snow, spring athletes come out in force. Baseball gloves are brought out from their storing place and tennis rackets are dusted off. It is nearing that time when final President Cup tallies are recorded and competition between the top floors becomes intense. Golf puts the topper on the intramural year and it is on the Bonaventure links that one can find the latest in golf apparel and the latest in Bonaventure golf balls . . . Intramurals are finished for this year and already floors are setting up their teams for next year. Although not every floor could win the President's Cup, every floor did enjoy themselves. Win, lose or draw it was always fun and we thank Coach Skehan and the Intramural Council for a job well done.

In our society many of us have unfortunately lost the ability to reflect on our past experiences. People are too busy with the humdrum routines of life to savor the memories of good times and bad times which all helped to form our characters. The college experience is sometimes referred to as the best, the most care-free years of one's life. The parties, the tests, all the experiences of the four years should be remembered and cherished. A yearbook is something to help bring back these memories. It is not primarily an advertisement for the school—it is a memory-aid for the student and the graduate. To a person who has never been to Bonaventure, the book is nice, the buildings are beautiful, or the students are well-dressed. But to the student it is much, much more. Every picture will evoke a memory which is his alone. This is what a yearbook should be, and this is what we have tried to do with the 1967 Bonadieu.

I would first like to thank Fr. Kenneth Malone, O.F.M., our advisor, for his help, experience, and most of all, patience in the creation of this yearbook. To Carol Prozeller, the layout editor, may I extend my thanks for a job well done. Layout is perhaps the most difficult job on the yearbook, but Carol handled it beautifully. I would also like to thank Tom Flieger, the photography editor, for the good job he did. Sports editor Larry Grassini has made his section of the yearbook one of the best. Special thanks to John Marino, the business manager, for his work not only in the business end of the yearbook, but also for his general help to all the staff. Working with John on the business staff were Al Cervi and Dick Tomasso. Literary editor Sue Donoghue and her staff of Gail Karper and Micheileen Okie did a remarkable job, preparing and editing the copy for the yearbook.

Last but not least, I want to extend my warmest thanks to the secretaries who often gave up their own time to type copy, stuff envelopes, or just generally help. Without their help, the yearbook would not have come out.

In closing, I would like to extend my deepest thanks to each member of the staff for a job well done. This year has been an experience I will keep with me the rest of my life.

# Newspapers make a **BIG DIFFERENCE** in people's lives -- every day

Strife erupts in some far-off trouble spot on the other side of the world. But that fact is not enough. Where? Who is fighting whom? What is the conflict about? How will it affect world tension and political maneuvering? You want — and you deserve — to know more than one flash fact. Providing the answers is a responsibility assumed by your newspaper.

Death — caused by nature's ravages or by man's hand — strikes in some part of the world. But that fact's not enough. Where? Who did what to whom? Why? How are we involved? Your newspaper provides the answers, bringing you thorough coverage, careful analysis, maps and pictures.

A siren sounds in the middle of the night. A close friend's oldest daughter is married. Your favorite team wins a football game. Death claims a man whom you have respected all of your life. Flash facts are not enough. You want — and you deserve — to know far, far more. Your newspaper assumes the important responsibility of meeting that need. This is a job done by men and women who have the experience and the know-how needed to report and edit the news, to produce and distribute an informative, entertaining and all-new product each day — your newspaper.

Because your newspaper brings you and other readers "far, far more," it makes a **BIG DIFFERENCE** in people's lives — in your life — every day.
