

BONADIEU
1960

The 1960 Bonadieu

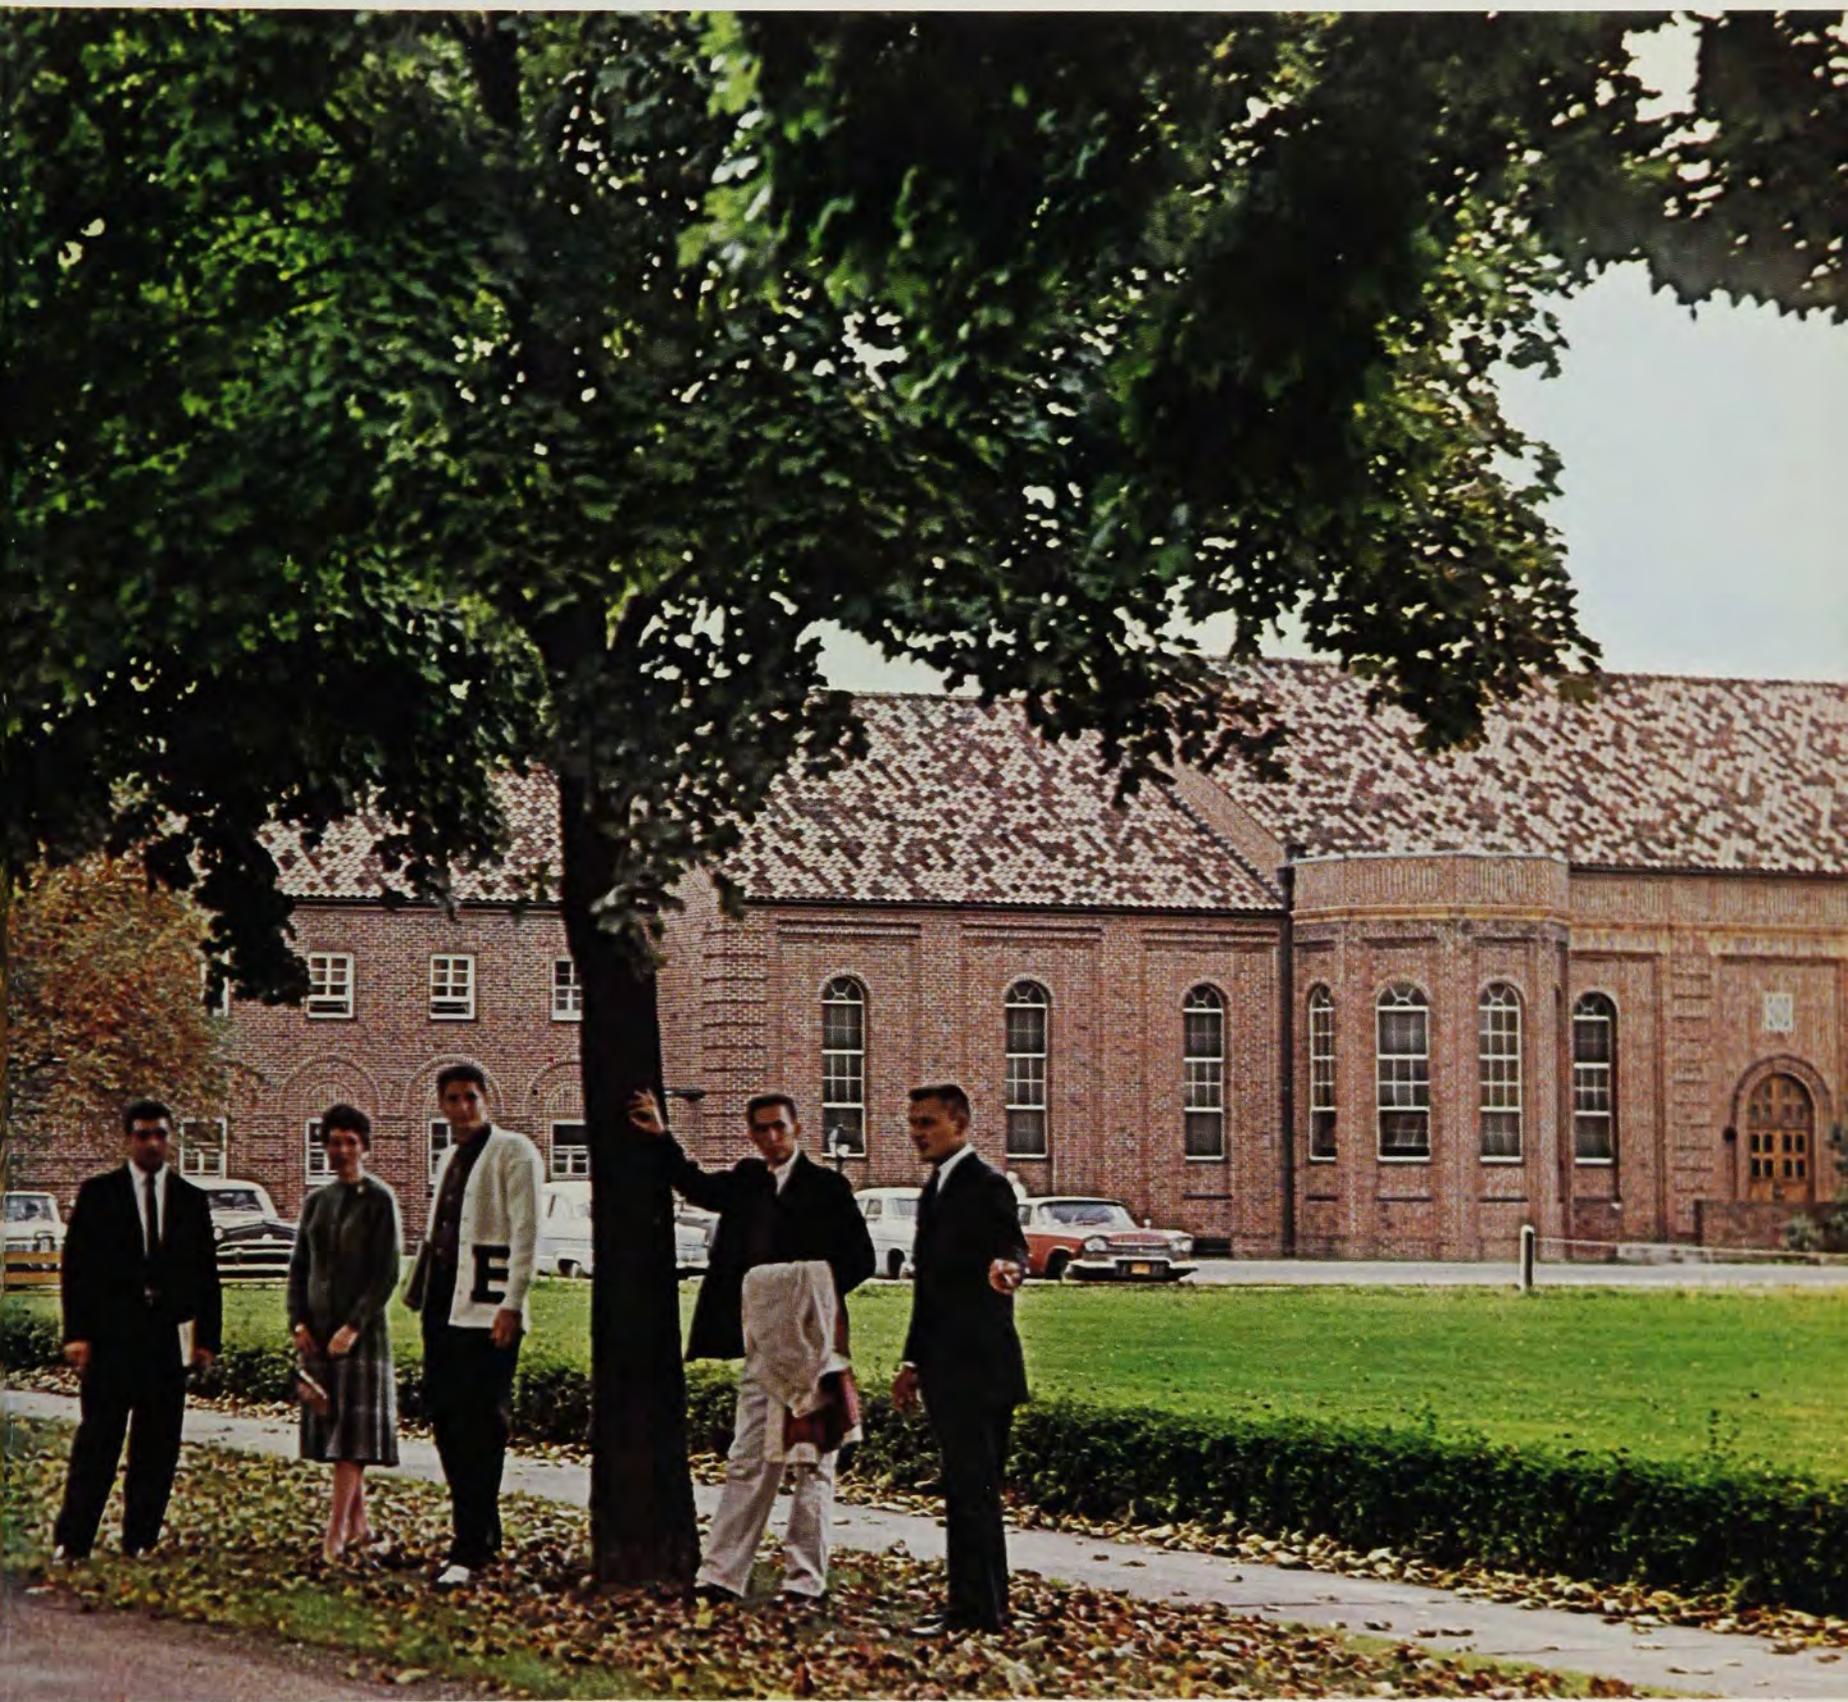

This book attempts neither to envision the future nor to commemorate the past. It is merely a sincere attempt to give the students at St. Bonaventure University a volume, as simple and complete in form as possible, of which they will be proud; one which to them will be a tangible souvenir along with memories of the happy hours, disappointments, accomplishments, and struggles of the school year of 1959-1960. If this book, when you in years to come look back on its thumb-marked pages, stirs up fond remembrances of college days at St. Bonaventure, its purpose will have been achieved.

Presented By The 100th

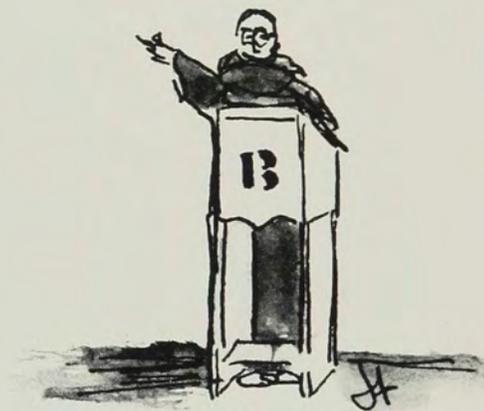

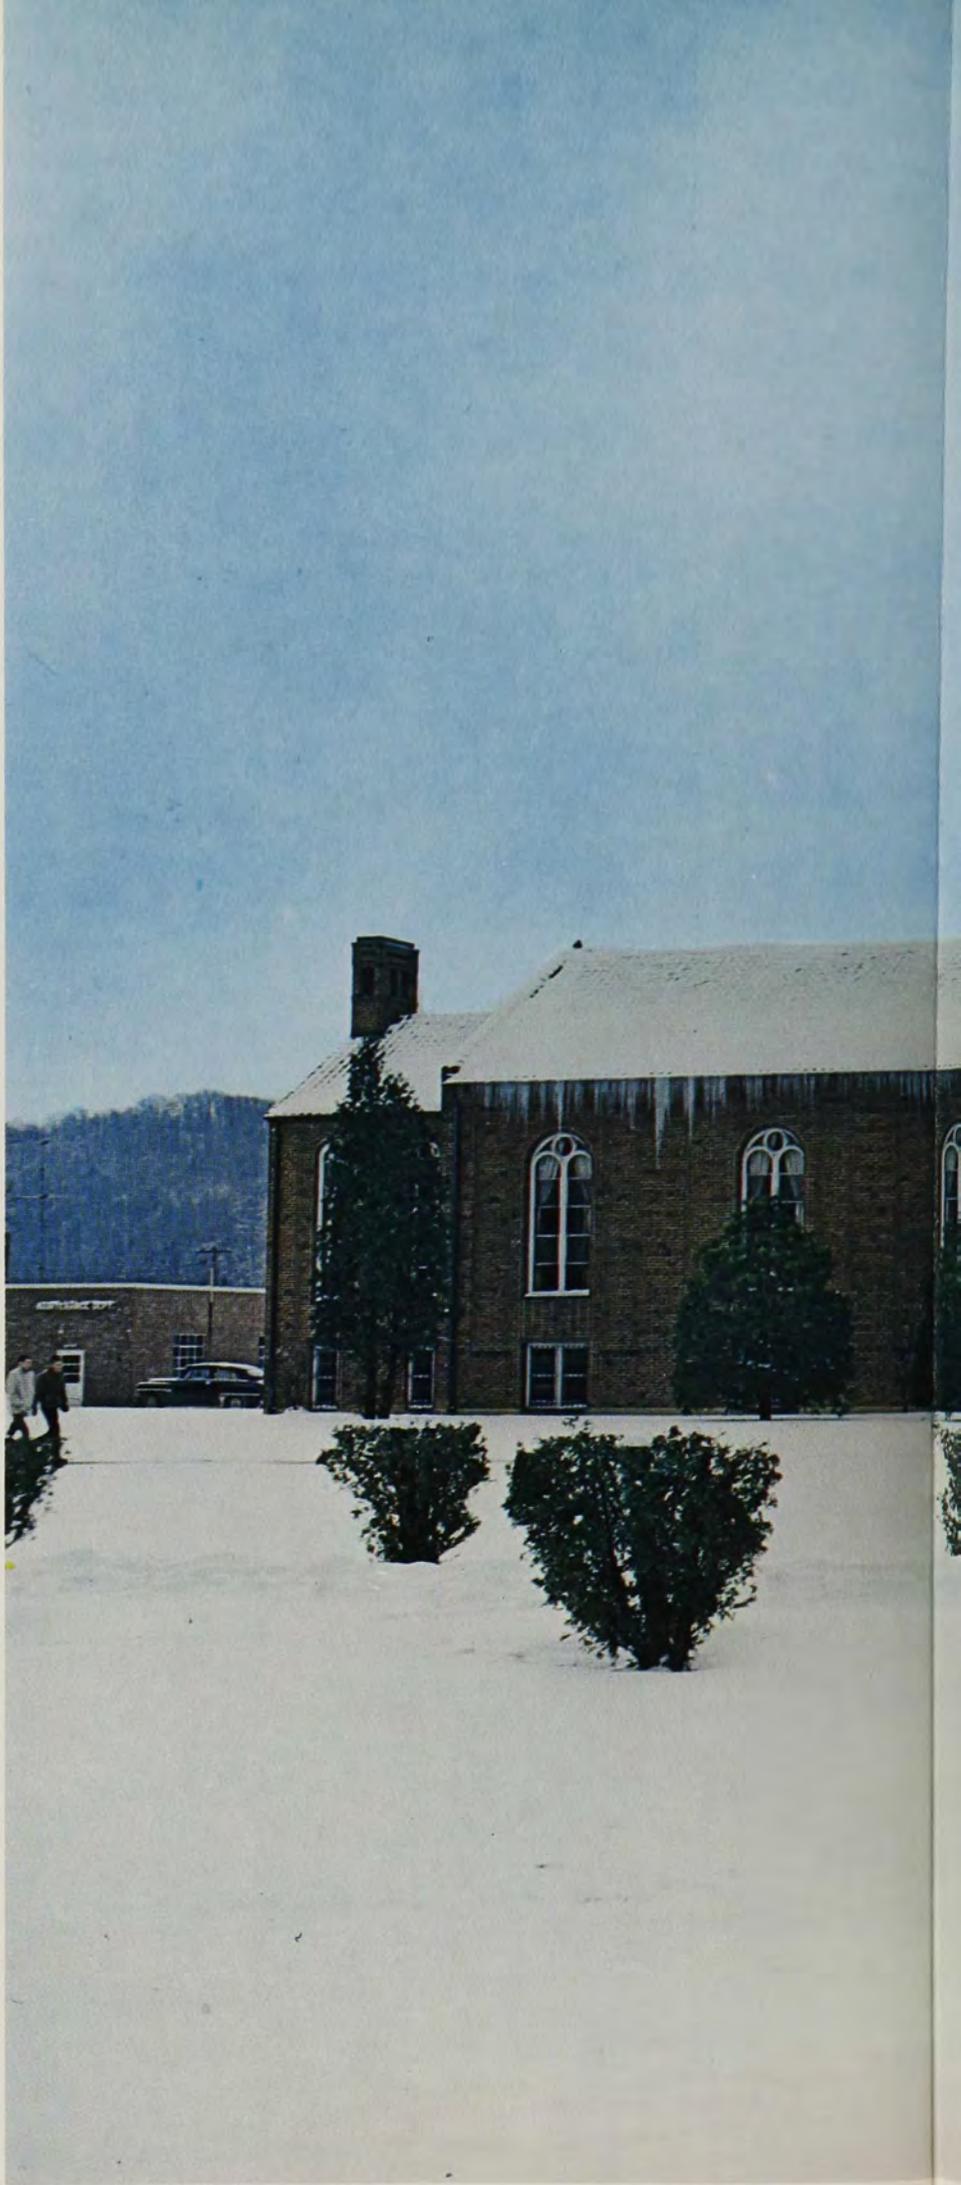

Senior Class of St. Bonaventure University

Administration

“Brothers, that we may faithfully and devotedly give thanks to the Lord our God for all his gifts, and that you may know what life will be like among the brothers present and future, understand what is really going to happen. Now at the beginning of our way of life we are going to find certain fruits exceedingly sweet and pleasant to eat, but a little later certain less sweet and pleasant fruits will be offered; then at length certain fruits will be given us that are full of bitterness and that we cannot eat; because of their bitterness nobody will be able to stomach them although they may have some outward show of fragrance and fairness.” — St. Francis

We, the graduating class of 1960, take pleasure in dedicating our annual, "The Bonadieu," to the knights of Christ—The Franciscan Brothers.

We have been fortunate enough to have enjoyed the companionship of four of these Brothers during our past four years at St. Bonaventure University. They are: Brother Ferdinand, the sacristan and gardener; Brother Francis Regis, the assistant sacristan; Brother Cletus, the postmaster; and Brother Eugene, the tailor.

The Franciscan Brothers have played an important role in the development of our campus during the last century. One can observe today the fruits of the labors of these dedicated men whose vocation has been called the "most difficult." The Franciscan Brother forsakes his home and riches and follows the strict vows of chastity, poverty, and obedience in his difficult road to heaven. The only thing he has to work with are his hands, and true to Franciscan tradition, he makes the most of this God-given faculty and devotes his life to the helping of the priests.

To give a short resume of the duties of these representatives of the First Order of St. Francis which we have on campus, we find that besides keeping the chalices spotless, Brother Ferdinand makes our campus one of the beauty spots of Western New York by his skill as a gardener. Brother Eugene, in his capacity as the community's tailor, keeps the Friar's habits and vestments in perfect repair. Brother Francis Regis is in charge of caring for the altar linens and also the vessels used in the sacrifice of the Mass. Lastly, but by all means, not least, Brother Cletus is the man who handles all the mail coming into and leaving the campus.

I have tried to show that the Brothers' participation in the First Order of St. Francis extends beyond the helping of the Priests. Although they cannot administer the Sacraments, they can still save many souls by applying themselves to their vocation by virtue of prayer, privation, and penance. These are the men who have left the outside world to assume the cloak of God's Grace. These are the men who toil endlessly—often thanklessly—to save souls. These are the men to whom we, the class of 1960, take off our hats. Servants of the servants of God—we salute you!

Pax
et
Bonum

"MANIBUS MEIS
LABORABAM"

ST. BONAVENTURE UNIVERSITY
ST. BONAVENTURE, NEW YORK

OFFICE OF THE PRESIDENT

Commencement 1960

My dear Graduates:

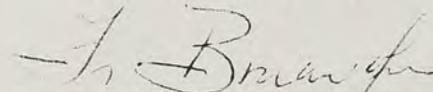

"Pax et Bonum!" These words, meaning peace and all good things, are inscribed over the door of Devereux Hall. They express the heartfelt wish of your Alma Mater.

Since your freshman days, we have endeavored to ensure the fulfillment of our wish. Our every effort has been devoted to the ennoblement of your lives with the ideals of holiness and learning. Peace and all good things reside in a heart and mind dedicated to God "In Sanctitate et Doctrina."

Your happiness at the reception of your degree will be the product of your own efforts and many seen and unseen sacrifices. To the salutations of your parents and teachers, we add the congratulations of your Alma Mater.

Our farewell includes our Franciscan blessing and the promise of prayerful mementos. May they enrich your lives with "Pax et Bonum."

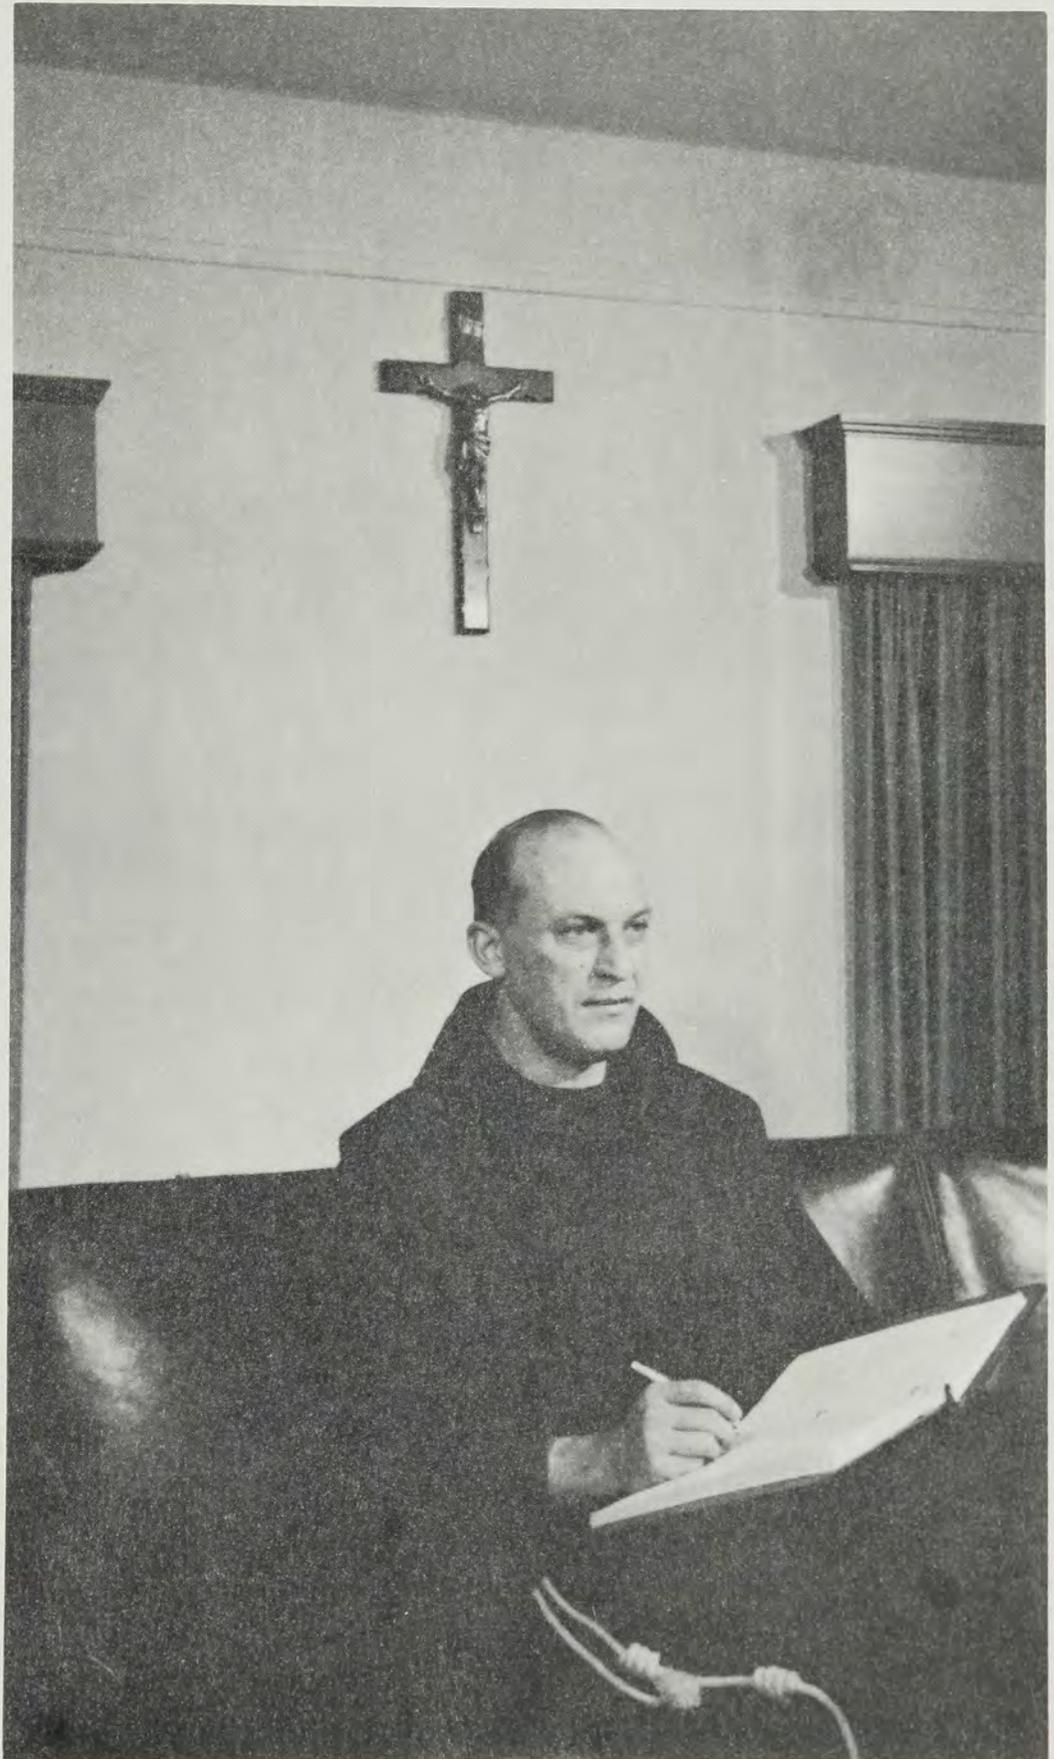

Sincerely yours in Christ
and
St. Bonaventure,

Brian Lhota, O. F. M.
President

“Nobody should out to flatter himself with undue applause over anything that a sinner can do. A sinner can fast, pray, weep, mortify his flesh. But this he cannot do: remain loyal to his Lord. Therefore, there is something to glory about if we render God his glory, if while serving Him faithfully we ascribe to him whatever He gives us.” — St. Francis.

“Those are my knights of the Round Table, who keep hidden in remote, desert places the more earnestly to spend their time in prayer and meditation, deploring their sins and the sins of others, plain of life and humble of manner; whose holiness is known to God, but at times unknown to their brothers and to the people.” — St. Francis.

The Delta Sigma Chi Fraternity had its beginning in 1934. The object of the fraternity is three-fold. It furthers the welfare of its individual members by rendering definite assistance to them in solving their problems in the school of Business Administration. It furthers the welfare of our Alma Mater. It cooperates with the other fraternal organizations, that by so doing, it may help to promote a general feeling of good will among them. This will help everybody enjoy the increasing facilities for social and mental activities.

Each June, the outstanding business graduate is given the Robert J. Kinsella award in honor of a deceased brother of the fraternity. The recipient of this award does not have to be a member of Delta Sigma Chi.

The Alpha Kappa Mu Fraternity, dating back to 1915, has the singular distinction of being the oldest fraternity on campus. Membership in this fraternity is open to students majoring in the physical and natural sciences.

The activities of the Alpha Kappa Mu are realized on the social, academic, and professional levels. It has actively participated in the greater events of the campus. The academic and professional activity, however, is not limited to the campus. The members have enjoyed and learned from stimulating lectures by professional guest-speakers, documentary films, and informative guided tours to various laboratories and hospitals.

The members climax the academic year by the annual banquet held in honor of the departing seniors.

"In the Mood"

I
Δ
A

The Iota Delta Alpha Fraternity is open to all interested students enrolled in the field of liberal Arts.

As a fraternity, it had its beginning at St. Bonaventure University in 1936. It is a continuation of the James Dolan Literary Association, started by Rev. James Dolan, O. F. M., in 1893. The Greek letters stand for the first letters of James Dolan Association.

The main objective of the fraternity is to promote the interests of the Arts student along social, moral, and intellectual levels. It achieves this objective by sponsoring lectures, debates, panel discussions, and literary symposia.

Membership dues and bi-monthly movies help to make the Iota Delta Alpha a self-supporting organization.

Iota Delta Alpha offers its members several socials and dances during the year and climaxes its social season with a banquet at the end of the school year.

A Day

Regent Jacob L. Holtzman of New York presents charter to Very Rev. Juvenal Lalor, OFM, University president

The pictures on these pages captured high lights of the academic ceremonies which surrounded the formal presentation of the University Charter. The presentation was made by Regent Jacob B. Holtzman, representing the Regents of the University of the State of New York, to Very Rev. Juvenal Lalor, O.F.M., then President of the Franciscan institution of higher learning.

On hand for the historical event were some 2,000 alumni, alumnae, students and benefactors. More than 100 dignitaries of Church, State and Education were joined by college and university representatives from throughout the United States, Canada and Europe in their tribute to the dedicated labors of Friars and laymen, past and present.

Cardinal Cicognani, then Apostolic Delegate to the United States presided at the formal ceremonies. The papal representative was one of the five recipients of the first honorary degrees given under the new charter.

The Governor of New York State, Thomas E. Dewey, another

Academic procession includes from left: Very Rev. Celsus Wheeler, OFM; Bishop Joseph Burke of Buffalo, the late Very Rev. Thomas Plassmann, OFM, Very Rev. Juvenal Lalor, OFM, and NY Regent Jacob Holtzman

To Remember

recipient of an honorary degree, called the presentation of the Charter, "as important an act in the world struggle for the preservation of liberty as the winning of a battle or the saving of a nation's economic system."

"Today there has been granted here," he said, "recognition of the concept that religion and education go hand in hand, for without devotion to God education may merely become an institution of evil."

In accepting the Charter, Very Reverend Juvenal Lalor said, "Our new name — Saint Bonaventure University — gives more concrete expression to the widening scope of St. Bonaventure's educational activities and to the steady growth of its contributions to the advancement of learning and service of the community as a whole. Needless to say, the action in our behalf by the State Board of Regents is A MOST STIMULATING CHALLENGE TO EXPAND JUDICIOUSLY AND TO PERFECT RELENTLESSLY WHAT HAS BEEN BUILT UP OVER THE PAST YEARS."

Some of the hundreds of dignitaries of Church, State, and Education, who, with thousands of alumni, alumnae, and friends, converged on campus for the historic event

Former NY Governor Thomas Dewey, second from left, exchanges greetings with Mr. Edward M. O'Connor of Washington at Charter Day banquet. Also pictured: His Eminence Cardinal Cicognani.

VI. FRANCISCAN INSTITUTE (Graduate Philosophy)

VII. ST. ELIZABETH'S TEACHER COLLEGE

To the reception of University status, the Franciscan Friars and their dedicated lay associates responded with a decade of unusual growth and development. The dramatic increase of physical resources is but a reflection of the total educational progress.

The most recent concepts of nuclear physics and modern mathematics have been incorporated into the traditional curriculum of physical sciences. The new department of psychology with a laboratory of experimental equipment presents the latest concepts and theories of man and human behavior and demonstrates the modern techniques of psychological research. Further evidence of progress at the Franciscan University is seen in the presence of an IBM data processing machine in the instructional program of the School of Business and the electronic classroom for the mastery of language study in Plassmann Hall of Liberal Arts.

A hallmark of superior instruction is the devotion of freetime by students to intellectual and cultural pastimes and recreations. Departmental seminars, interdepartmental lectures, student academic societies with student lectures share a large measure of student free time with the dramatic club, the concert band and men's chorus, the debating team and radio station W.O.F.M.

The past decade has seen the University express its interest in the professional development and welfare of her dedicated faculty members. With an insistence on the recognized academic standards for appointment and promotion, the University has offered leaves of absence with salary, faculty loans and other financial incentives. The average faculty salary has increased some 70% over the past ten years and the guarantee of tuition scholarships to qualified children of faculty members has been formalized in the handbook of Faculty Status and Welfare.

During the past decade, Mr. Ramsay Devereux, a direct descendant of Nich-

Et Doctrina

olas Devereux co-founder of the University, inaugurated the Great Teacher Program with an endowment gift of \$25,000. Among other major gifts to the Great Teacher Fund were gifts from Dresser Industries, Inc., Mr. John B. O'Connor and from many friends in the Olean area.

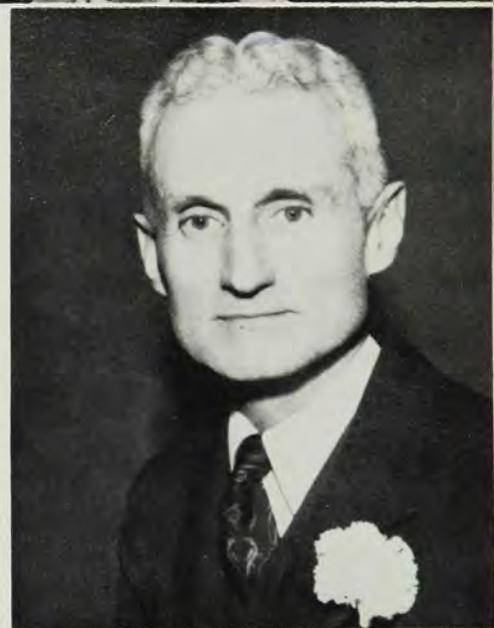

Student contacts with the great minds of the past and present complement the instructional activities of the faculties. In the past ten years the University has added over 37,000 volumes to its collection of books. Dr. John Burke and the Friedsam Foundation of New York City and Dr. Edward Hanley of Bradford are the greatest benefactors to the Friedsam Memorial Library. Dr. Hanley's gifts of paintings and books have exceeded the original cost of the library, \$135,000.

"Mens sana in corpore sano" is a traditional policy of student recreation at the University. An enlarged intermural program with competition between the various divisions of the residence halls has shared with varsity basketball, golf, baseball, track, tennis, cross country running and swimming, the perpetual interest of the Bonaventure students in sports. Among the friends and benefactors of these programs of recreation and physical fitness, the name of Fred Forness, Jr., past Mayor of Olean, holds a cherished first place.

Five major halls have been erected on the campus of the new University during the first Decade of Progress. Christ the King Seminary, Falconio and Robinson Residence Halls, Plassmann Hall of Liberal Arts and St. Bonaventure Friary were added to the physical facilities. This represents a doubling of the permanent physical resources on campus at the cost of \$8,000,000 and permits the University to increase her student enrollment to 2500 with residence facilities for 1350. These edifices stand as memorials to the noble ideals of the benefactors of the University and their inspirational investments in the present and future generations of American youth.

*Ramsay Devereux
Founder, Great Teacher
Program*

His Eminence, Cardinal O'Hara, then Bishop of Buffalo, places cornerstone of Christ the King Seminary

The Primacy of

Christ the King Seminary symbolizes the University's conviction of the necessity of spiritual leadership and divine values in our lives. Continuing Franciscan traditions, it proclaims the Commandments, the Beatitudes and the Evangelical Counsels of Christ the King as the only true norms and ideals of human perfection and the true and certain foundations of personal peace, national and international order and progress.

His Holiness, Pope Pius XI, of happy memory, in a special audience granted to Very Reverend Thomas Plassmann, O.F.M., in 1932, presented the name "Christ the King Seminary" for the University's School of Theology.

Two decades later, on October 16, 1952, the cornerstone of

His Eminence, Cardinal Cicognani, then Apostolic Delegate to the United States, blesses the new seminary. He is accompanied by the Very Rev. Juvenal Lalor, OFM, and the Rev. Lambert Zaleha, OFM

Spiritual Values

"Father Tom's dream" became a reality and Fr. Thomas was privileged to offer, coram episcopo, the First Holy Sacrifice of the Mass at the Seminary Chapel.

More than 800 priests hail Christ the King Seminary as their Alma Mater; each year some forty newly ordained priests from the University join their ranks. Their Holy Masses, words and works carry out "IN SANCTITATE ET DOCTRINA" the dedication of their Alma Mater, to Christ the King.

Bishops, priests and countless Catholic lay persons shared in the sacrifices required for the erection of the Seminary. They now share in the blessings and graces from Christ the King in whose honor they made their sacrifices.

Eight-foot cross surmounts 120-foot campanile with outdoor pulpit

Seminary houses 225 young men studying for secular priesthood in some 30 dioceses throughout this country

Consideration

The demands of thoughtful parents for spiritual values and ideals in the education of their sons caused the erection of two collegiate residence halls on the campus of the new University. Named after two illustrious leaders and past faculty members, Cardinal Falconio and Archbishop Robinson, the two modern buildings more than doubled the permanent collegiate living facilities on the University campus. Five hundred additional residence spaces were added in response to parents seeking an education "IN HOLINESS AND LEARNING" for their sons.

And Courtesy

While modern in design, these two halls did not depart from the traditional philosophy of student life as expressed by the University in Devereux Hall. Accommodations were included for six additional Friar members of the University staff to live in and with the students. The availability of academic and spiritual advice and assistance by a Franciscan priest raises the educational effectiveness of the perfecture system. The development of the social virtues, especially of consideration for others and courtesy, is a paramount educational objective in these new halls for community living as well as in the hallowed walls of Devereux Hall.

Goodness

Beauty

In 1955 President Eisenhower placed before the nation and especially its educational leaders the rising crisis in higher educational resources, predicted to reach its zenith in the early 1970's. Aware of her patriotic duty, the new University publicized in 1956 the acceleration of her building program with the announcement of plans for a \$1,200,000 classroom building.

Plassmann Hall of Liberal Arts is a reaffirmation of the University's philosophy of education. Its thirty classrooms are devoted to the development of a love and appreciation of truth, goodness and beauty in our future leading citizens. The instructional facilities can be scheduled so that some 2,000 students can become better acquainted with their cultural heritage. Plassmann Hall is a surety that St. Bonaventure will play her part as our national collegiate population doubles by 1970. Office and conference rooms for the Liberal Arts Faculty, academic service rooms, a co-ed lounge and parlors complete the facilities in this new edifice.

The decision to name the Liberal Arts Building Plassmann Hall was acclaimed and applauded by the thousands of friends and admirers of "Father Tom." The Liberal Arts were his love. They were given an admirable exemplification in his life as a dedicated Franciscan scholar and college president.

Alumni, alumnae and other cherished benefactors gave generously for the erection of this memorial to "Father Tom". With their continued gifts the remaining building debt of \$650,000 will be paid in the second decade of the University. The generosity of Father Tom's large circle of friends have verified a statement he made two weeks before his death. "Fathers, I'll do more for Bonaventure when I am in heaven than I was able to do while in these Cattaraugus hills."

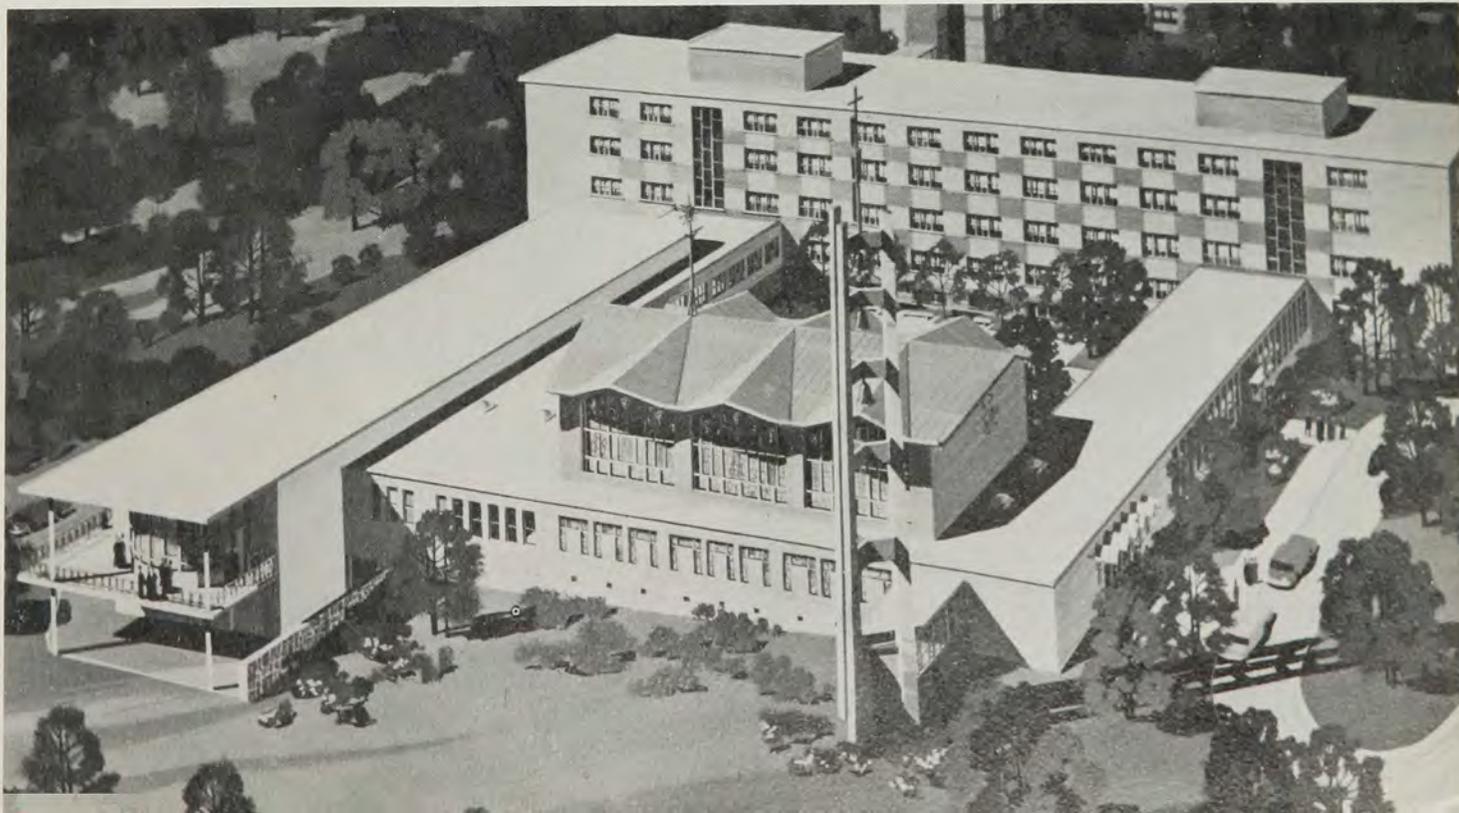

Honor and Charity

After thirty years a new St. Bonaventure Friary arises on the center of the front campus. With typical Franciscan patience and sacrifice the Friars have foregone the erection of their own canonical home in favor of educational facilities. For three decades they have begged and borrowed for a dining hall, library, seminary, two additional residence halls, and an additional classroom building for tomorrow's leaders but not for a religious home for themselves.

Even the present decision to erect a Friary in accordance with the spirit and laws of the Franciscan Order is not without provisions for the educational advancement of some 200 future American students. The new Friary will release that number of residence places in Devereux Hall in the Fall of 1961.

As the old Friary, razed by fire in 1930, was a monument to the dedicated lives of Franciscan Friars so is the new Friary. The glorious altruistic ideal of the pioneer Friars of 1855 lives on in today's Friars: to honor Almighty God by a selfless service to American young men and women in collegiate education.

The new Friary is properly located on a prominent knoll in the center of the front campus. The Franciscan Friars have been and are the center of the University's growth and development and the source of its distinctive spirit of christian joy and optimism. The free dedication of their lives forms the endowment fund of the University. From its "living endowment" every resident and commuting student has received a partial Franciscan scholarship in the reduction of educational charges. The value of these Franciscan grants to the parents of Bonaventure students during the past decade totals \$1,300,000, almost two-thirds of the cost of the new Friary. The Friars find the profit of their charity in alumni and alumnae who join them in honoring God "IN HOLINESS AND LEARNING."

Appreciation

The warm recognition of the great and significant contributions by the Friars and their dedicated lay associates to the spiritual, cultural and economic life of our great country and her many communities, lent inspiration to the Decade of University Progress. Typical examples of these encouraging tributes to the University are given in the following quotations.

AVERELL HARRIMAN, PAST GOVERNOR OF NEW YORK STATE.

"The American people have no greater obligation than to provide for the education of young people of the coming generation . . . If we are to win in our battle against the evil forces of Kremlin-led communism. You are following that Godly precept — setting a good example for others."

St. Bonaventure University's Development Program calls for an investment of some \$19,000,000 in educational resources for the young people of the coming generation.

JOHN F. BROSANAN, CHANCELLOR, REGENTS OF THE UNIVERSITY OF NEW YORK STATE.

"Big business makes money and needs men — universities and colleges make men and need money. Therein lies the seeds of a partnership which could lead the world into a new era of progress, prosperity and peace."

St. Bonaventure University counts some 8,361 living alumni and alumnae with ideals of progress, prosperity and peace.

MR. IVERS NORTON, MAYOR OF OLEAN, NEW YORK.

"It has been my belief that much of Olean's growth and prosperity, not to mention the cultural advancement of the city, has been due to the presence of St. Bonaventure University. The entire area has, through the years, enjoyed a level of prosperity much above that of other communities in the state and nation of comparable size. The presence of 2,000 students, faculty, priests and clerics has kept this high level."

MR. FRANCIS CULLATHER, MAYOR OF ALLEGANY, NEW YORK.

"I am proud to stop and elevate the many riches bestowed on us by St. Bonaventure, spiritual as well as economic . . . This great university is located in our community and as St. Bonaventure grows, so Olean and Allegany will grow."

DR. W. CECIL DAVIS, SUPERINTENDENT OF SCHOOLS, OLEAN, NEW YORK.

"The university's social and spiritual perspective . . . Emphasizing the things that unite us and not the few things that separate us . . . You have opened the doors to all who seek the truth."

The University enrollments number 200 day hops and 180 in her evening programs.

B. J. WILKINSON, MANAGER OF NIAGARA-MOHAWK POWER CORP., SPEAKING IN BEHALF OF THE OLEAN CHAMBER OF COMMERCE, OLEAN, NEW YORK.

John B. O'Connor, Pres., Dresser Industries, receives degree

Former Governor Averell Harriman with Rev. Fidelis O'Rourke, OFM

United Nations Correspondents visit Campus

And Commendation

"A valuable asset to the community . . . Dollar-wise, equivalent to a small industry."

The University has an annual budget which is now over \$2,000,000. Invested in the educational plant are \$13,108,500.

EARL EK, PRESIDENT OF THE OLEAN CHAMBER OF COMMERCE.

"Speaking for the Olean Chamber of Commerce and its more than 500 members, we are happy to count St. Bonaventure University as one of our major payroll enterprises. As business people, we are conscious of the economic blessing which St. Bonaventure bestows on Olean."

The total number of lay personnel on the staff of the University is some 240. The number of religious is 80.

MR. J. M. HODGES, PRESIDENT, EXCHANGE NATIONAL BANK, OLEAN.

"The eighteen hundred students of St. Bonaventure are collectively the source of a very substantial income to a variety of business enterprises of Olean. Purchases for their individual requirements are supplemented by their families and friends, who as visitors, attend university functions during the school year."

A conservative estimate of the number of visitors to the University during the year is 10,000. The annual expenditure of St. Bonaventure students in the University area is computed at \$230,000.

JOHN ARMSTRONG, FEATURE WRITER, OLEAN TIMES HERALD.

"The contribution to learning, culture and the spiritual life of our area by St. Bonaventure University can be measured by no yardstick of which we have any knowledge. We only know that this contribution has been large and generous and that it will be even greater in the years to come . . . We owe this fountain of culture, this center of learning, this citadel of faith, a very special debt."

Some 600 alumni and alumnae live and work in the area of the University.

GIL STINGER, COLUMNIST, OLEAN TIMES HERALD.

"It would be difficult to imagine Olean without St. Bona's, for the university has enriched our community life in many ways — in its colorful Franciscans, in the erudite members of its faculty, in its young and energetic students, in its athletic teams and with its beautiful campus and buildings."

EDWARD H. HOREY, ATTORNEY AT LAW, OLEAN, NEW YORK.

"A Franciscan trust that enriches the economical, educational, social and spiritual life of all of us . . . principal beneficiaries . . . The fund of the trust is the fruits of 100 years of service here."

The contributed services of the Franciscan Friars are a living endowment with the value of \$5,685,000.

Inspiration And Challenge

Saint Bonaventure University is a lasting memorial to the countless Friars, alumni, alumnae and generous benefactors, who founded a small college and developed it into a modern university. It is also a lasting memorial to their noble ideals.

But, Bonaventure is more than a memorial. It is a priceless heritage of "HOLINESS AND LEARNING." The dedication of Bonaventure Founders and Builders to the primacy of spiritual values, to courtesy and consideration of others, to truth, goodness and beauty, and to charity and honor in our way of life is contained in their bequest. Our inheritance represents the investment of their lives and wealth in educational resources for young Americans.

Their dedication provided the inspiration for "A Decade of University Progress." Gratitude for their noble achievements supplied the enthusiasm necessary for surmounting the serious obstacles. The opportunity to add to their noble work made it a pleasure and a privilege.

THE EXAMPLE OF THE FOUNDERS AND BUILDERS OF BONAVENTURE CALLS UPON US — THEIR BENEFICIARIES — TO DEDICATE OUR LIVES AND WEALTH TO HIGH IDEALS. WE ARE CHALLENGED TO MATCH THEIR CONTRIBUTIONS TO THE PRESERVATION OF INTELLECTUAL AND MORAL VIRTUES IN OUR WAY OF LIFE. THE CALL OF PRESIDENT EISENHOWER FOR A DOUBLING OF HIGHER EDUCATIONAL FACILITIES TO MEET THE CRITICAL NEEDS OF YOUNG AMERICANS IN THE 1970S EMPHASIZES THE URGENCY OF THE CHALLENGE. THE GROWING THREAT OF FREEDOMLESS AND GODLESS COMMUNISM TO OUR AMERICAN WAY OF LIFE MAKES OUR DEDICATED ANSWER AN ABSOLUTE NECESSITY.

The response of the present Friars, Faculty Members, Alumni, Alumnae and Friends of St. Bonaventure University to the challenge is contained in the recent publication "The St. Bonaventure University Development Program."

To all persons dedicated to the noble ideals of the Founders and Builders of Bonaventure and interested in the growth and development of our heritage of "HOLINESS AND LEARNING," an invitation is extended to contact the Director of Development, St. Bonaventure University, St. Bonaventure, New York.

Dedication of Plassman Hall

Plassmann Hall, the new liberal arts building on campus, was officially dedicated on September 16, 1959. Rev. Brian Lhota, O.F.M., University President celebrated the dedication Mass and Rev. Winfred Ryan, O.F.M., delivered the sermon before the entire faculty and student body of the university.

The building is named after Rev. Thomas Plassmann, O.F.M., who was President of the university from 1920-49. "Fr. Tom" was one of the most popular and well known men ever affiliated with the university. He attained a world wide reputation as a scholar and educator and was very influential in making our university what it is today.

Plassman

September of 1959 saw a new addition to the St. Bonaventure University campus. This addition is the new and beautiful Plassmann Hall. It was designed by the Rev. Brother Cajetan Baumann, O.F.M., who is recognized as one of the foremost architects in the United States today.

The building is three stories high and is unique in that it is the only building on campus with an elevator designed for the transportation of people. The interior of the building is decorated in pastel hues which are restful to

Hall

the eye as well as being conducive to study and concentration. Among the modern advances in the 40 room building is a language laboratory designed to facilitate the comprehension of modern languages.

There is a large area of glass in Plassmann Hall which improves lighting as does the complete system of flourescent lighting throughout the building.

Plassmann Hall is modern in every respect and we are honored to be among the first to be able to make use of it for our classes.

Parents

On May 3, 1959, the traditional Parents Day at St. Bonaventure took place. The day started with the celebration of High Mass at 11:00 a.m. in front of the Library. Two dinners were then served, the first for those students whose parents were unable to attend the celebration, and the second for the students and their parents.

The highlight of the day was the May Crowning at 3:00 p.m. The Queen of the May, Mary Ann Monroe, a junior from East Aurora, crowned the statue of our Blessed Mother in a colorful and religious ceremony. The coeds of St. Bonaventure comprised a living rosary and Rev. Crispin Maguire, O.F.M., delivered the main sermon. The Benediction of the Blessed Sacrament followed the ceremony.

At 4:00 p.m., the St. Bonaventure Band under the direction of Rev. Paul Oigny, O.F.M., presented a concert in the gym; and after the concert an informal buffet luncheon was served by Mr. Stewart.

Let us project ourselves back into the past for a moment in our consideration of Parents Day. The date was May 2, 1936. The next day was to mark a first at St. Bonaventure College. The occasion was to be known as Parents

Day

Day. This night a Shakespeare Play was to be given for the students and their parents. The schedule for the next day was to be as follows: a Solemn High Mass in the gym at 11:00 a.m.; this was to be followed by a luncheon at the dining hall at noon; at 1:30, a tour of the campus was conducted for the parents; at 2:30, a football game was to be played for the benefit of those fathers who could remember the day when they once trod the gridiron for the alma mater. Finally, at 8:30, there was to be a debate in conjunction with the then famous Elmira Oratorical Contest. When this day occurred, it was to go down in the records as the first day set aside for parents in an institution of higher learning anywhere in the United States.

Since its origination on May 3, 1936, Parents Day has remained a tradition at St. Bonaventure. It has witnessed the change from a college to a university, it has seen the demise of football on campus, and it has stood as a silent reminder to the Franciscan hospitality and thoughtfulness which pervades the hearts of everyone who has ever been to St. Bonaventure.

May 7, 1959 was the day when St. Bonaventure University conducted its annual Press Day. This day is held under the auspices of the Journalism Department in conjunction with the Department of English at St. Bonaventure. Present on May 7, were representatives of high school papers from many states, all vying for the various competitive awards offered in the field of journalism.

There were individual awards and trophies given for the best high school newspapers in various areas such as Ohio, Syracuse, Rochester, Providence, Buffalo, and

Olean. In addition to the best newspaper awards, there were also awards in photography, art, poetry and fiction.

There was a panel discussion featuring leading journalists of the United States for the benefit of the budding journalists; and at a banquet following this discussion, the main speaker of the day, John Charles Daily, moderator of "What's My Line" television show, spoke to the assembly of students.

It was an interesting day for both the guests and students of the University.

Catholic Action

On October 1, 1959, St. Bonaventure University conferred the Catholic Action Medal on Dr. John L. Madden, M.D., Chief of Staff and Director of Surgery at St. Clare's Hospital of New York City.

This year's recipient of the award is a graduate of Holy Cross College and the George Washington School of Medicine. In addition to being one of the founders of the New York Cancer Society, Dr. Madden is also a member of eleven different medical societies. He also was President of the New

York Catholic Physicians Guild during 1957-58.

The celebration for the presentation of this award began at 5:00 p.m. October 1, with the celebration of Holy Mass at Christ the King Seminary by Rev. Brian Lhota, President of the University. The Medal was actually bestowed on Dr. Madden after a banquet held at 7:00 p.m. at Hickey Memorial Dining Hall. Dr. Madden then gave a speech entitled "The Catholic Physician" to conclude the day's activities.

Open House

St. Bonaventure University held "Open House" on September 27, 1959 for the benefit of hundreds of area residents. The guests of the university registered in the lounge of Robinson-Falconio Hall and were treated to guided tours of the campus. Various demonstrations were conducted in various labs and a special tour of the new liberal arts building, Plassmann Hall, was a highlight of the day's events.

At 4:30 p.m., the University's band under the direction of Rev. Paul Oigny, O.F.M., presented a concert in Butler Memorial Gym.

It was a memorable day for the residents of the area who before this time were afforded only the glimpse of the campus as they may have received from passing by on Route 17. The open house enabled them to obtain a close-up look at the many buildings and places of beauty on our campus and to learn of some of the history of the university.

Ambassador From Korea

On September 24, 1959, Rev. Brian Lhota, O.F.M., President of St. Bonaventure University, was the host to a most distinguished guest. The guest of the university was Dr. You Chan Yang, who has been the Ambassador to the United States from The Republic of South Korea since 1951. In addition to his ambassadorial duties, Dr. Yang is the alternate United Nations representative from The Republic of South Korea. Dr. Yang is also a distinguished physician and surgeon who received his degree in medicine from Boston University in 1922.

While he was here on campus, Dr. Yang lunched with Fr. Brian and visited the places of interest on the campus.

Rep. of Wall Street Journal

On Wednesday, August 19, 1959, St. Bonaventure University played host to Mr. Donald Carter, the executive director of the Newspaper Fund. At present, in addition to this post, Mr. Carter is a staff director of the "Wall Street Journal."

Mr. Carter was on an inspection tour of various schools of journalism throughout the country when he visited our campus. St. Bonaventure was one of 135 schools which he visited on his tour. While here, Mr. Carter conferred with Dr. Russel Jandoli, head of the Journalism Department and dined with the President of the University, The Director of Development, and the Chairman of the Journalism Department.

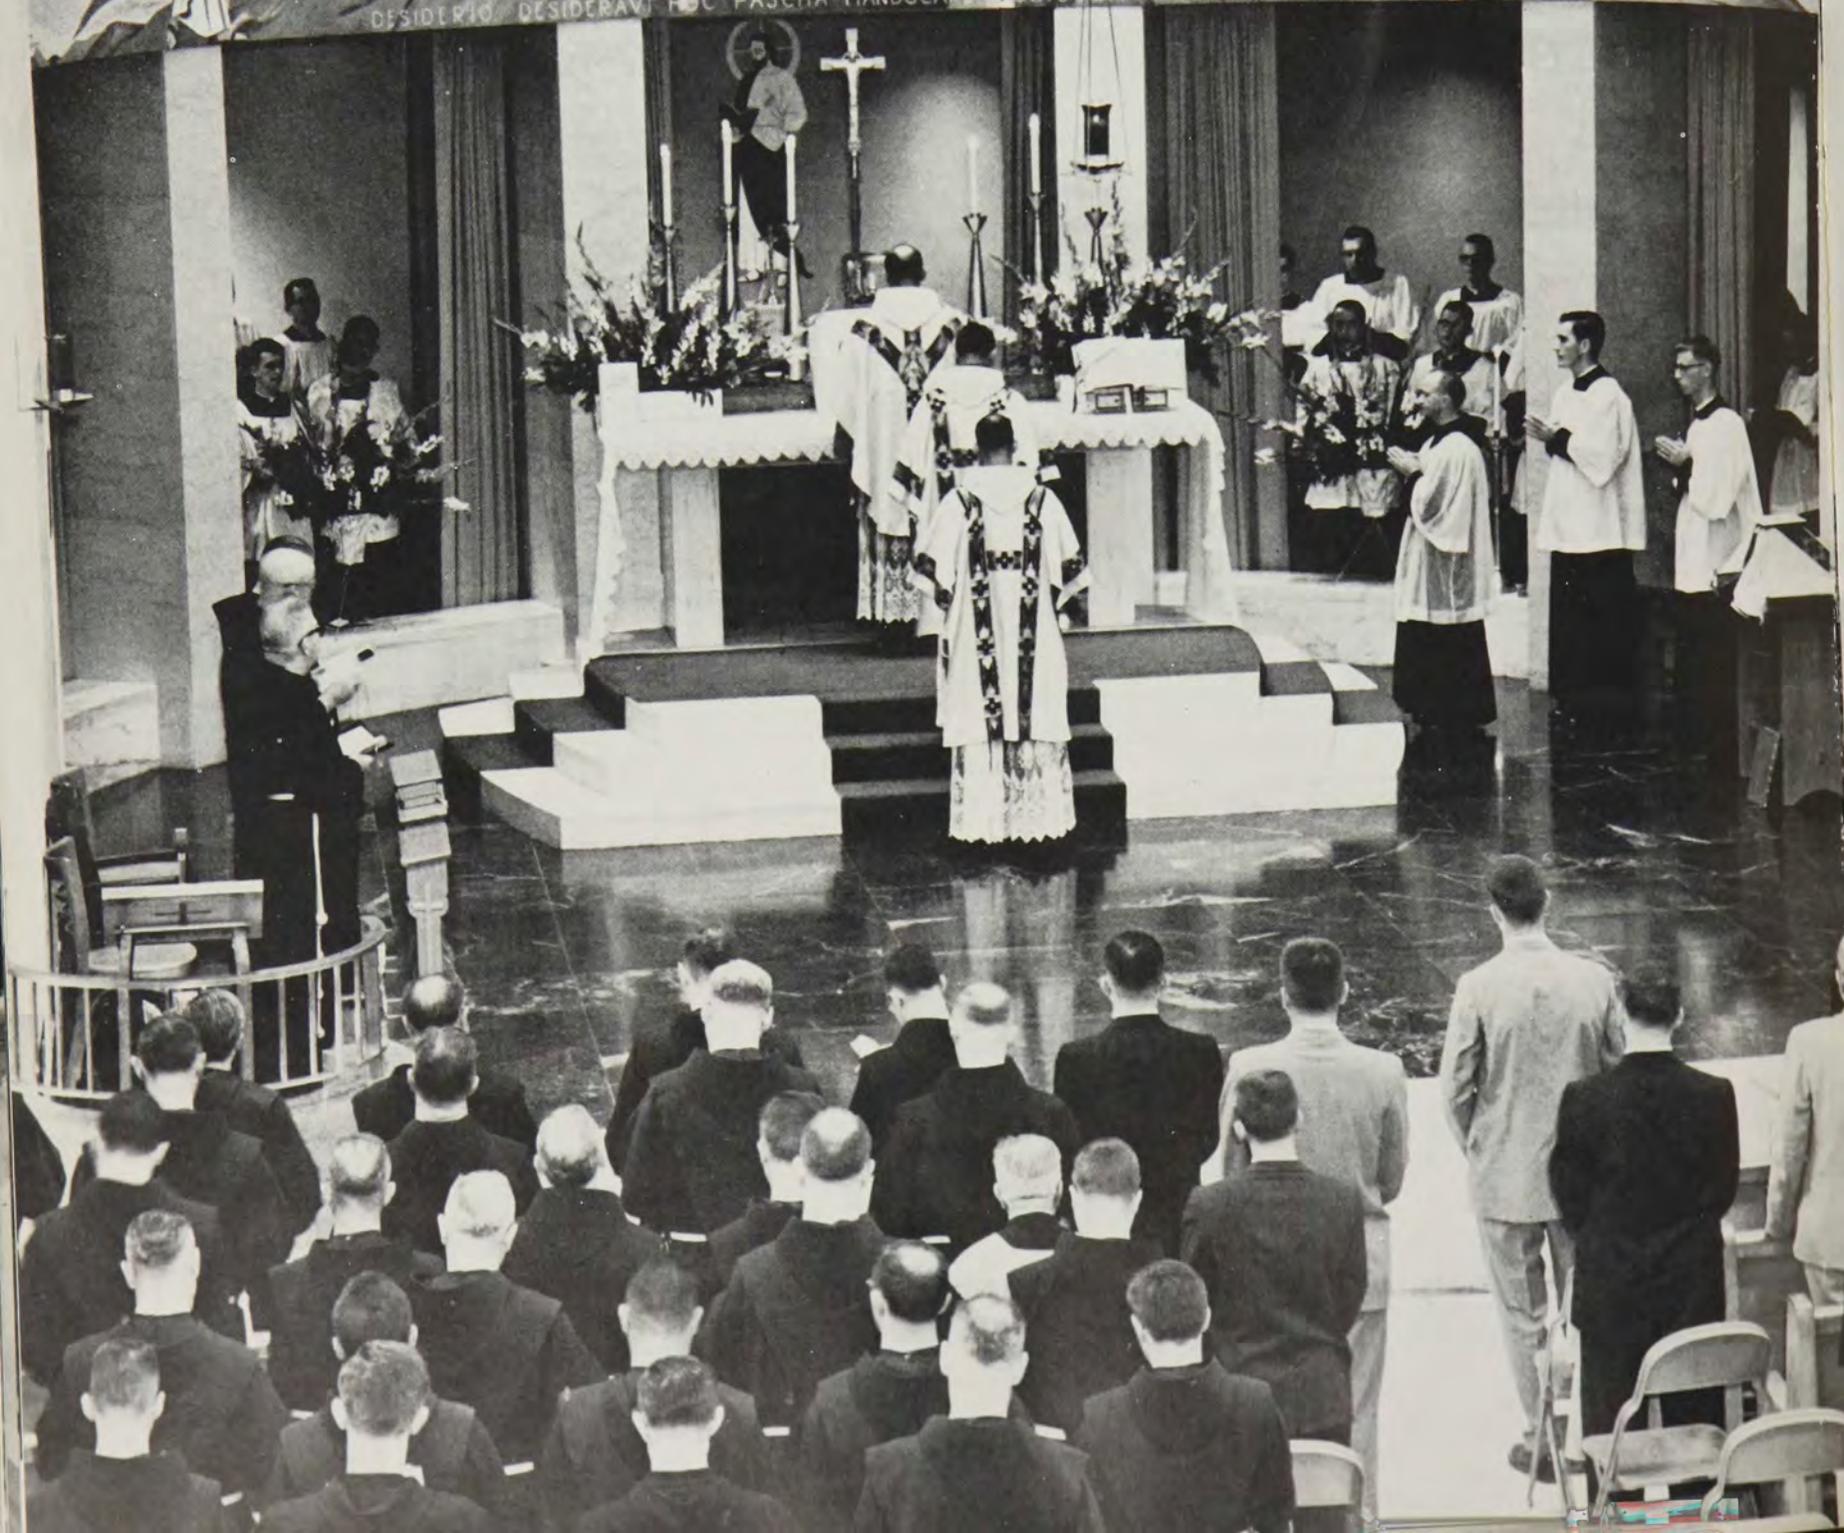

Boxing Commissioner

In June of 1959, St. Bonaventure University was honored to have as its guest the prominent wall street lawyer and former Chairman of the New York State Athletic Commission, Commissioner Eagan. Mr. Eagan visited the campus as guest of T. E. Hanley, prominent Bradford businessman and benefactor of our university. While he was here Mr. Eagan showed pictures of the olympic stars and toured our campus.

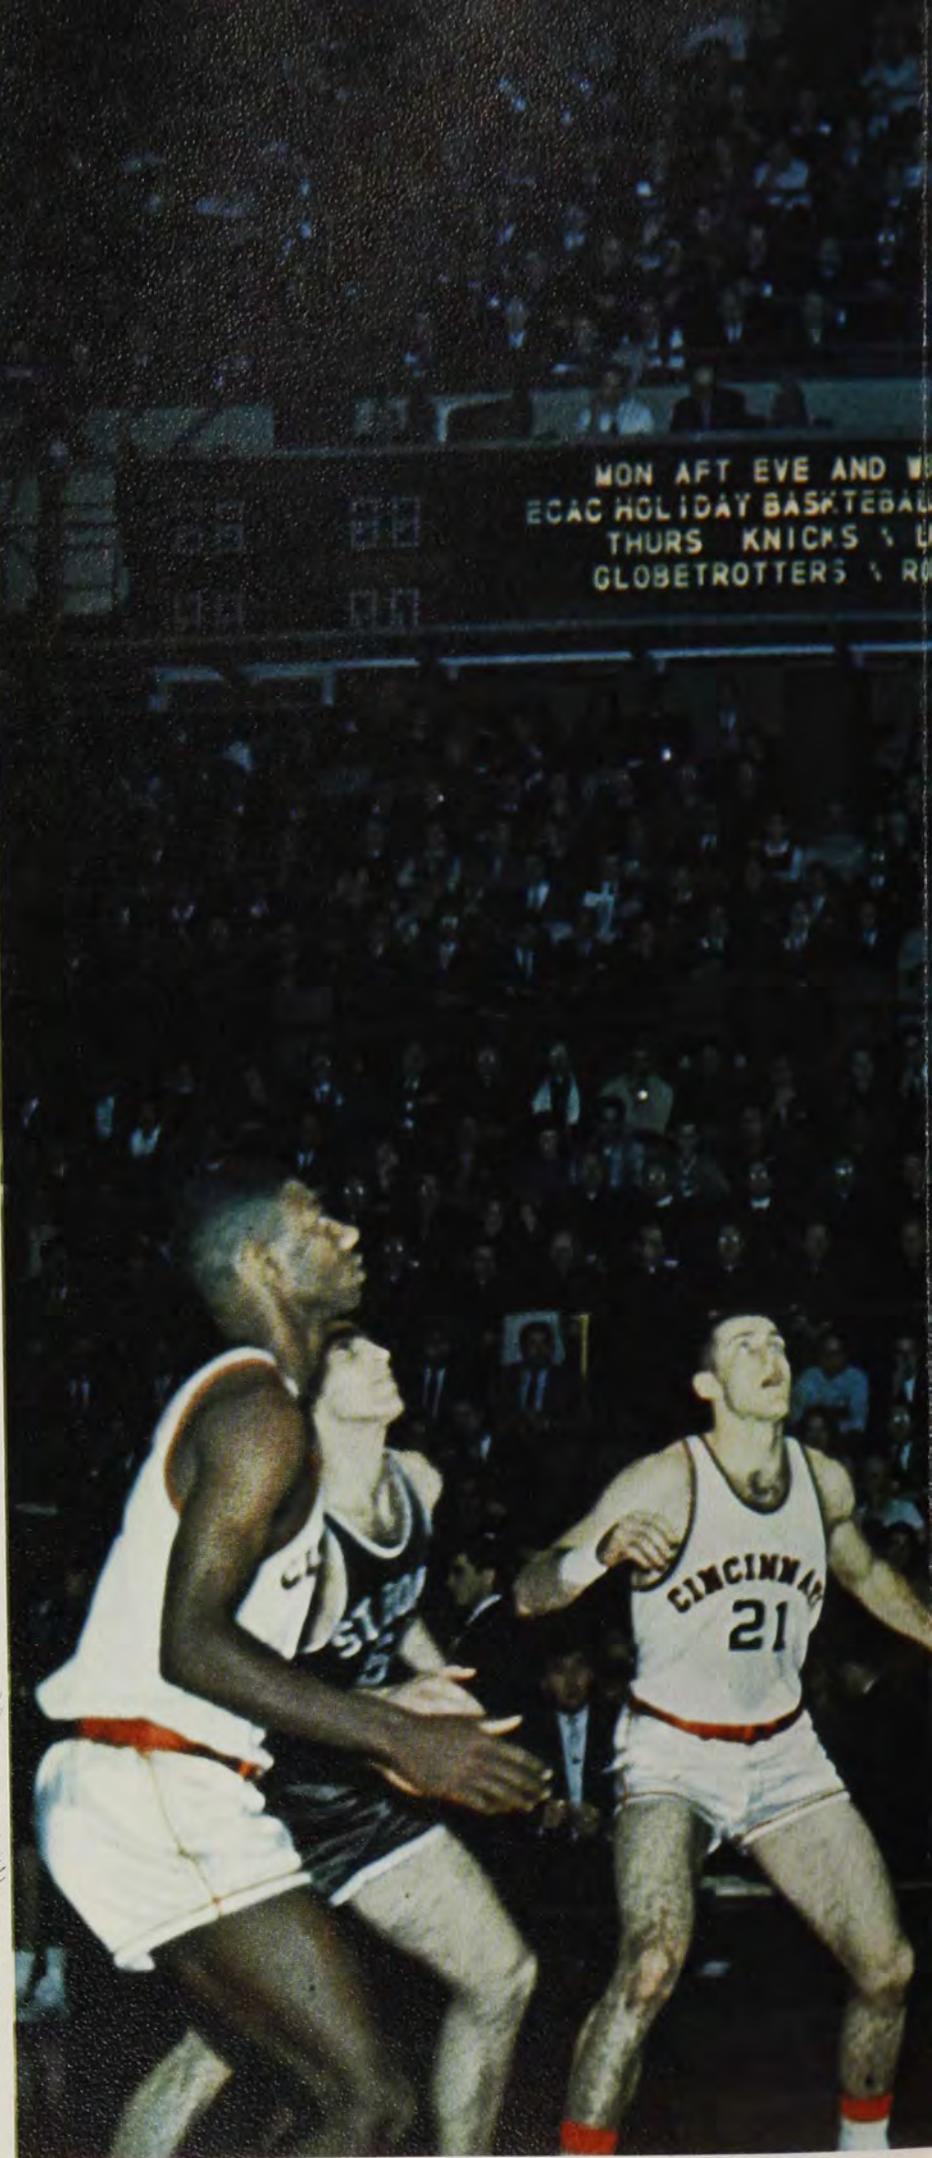

Mr. Eagan has been a lawyer since 1933 and has been active in the world of sports since 1920 when he won the Olympic light-weight boxing championship at Antwerp, Belgium. He was Chairman of the New York Athletic Commission from 1945-51, and in subsequent years has been affiliated with the fund-raising division of the United States Olympic Commission.

Mr. Eagan is also a writer of note having contributed to the "Saturday Evening Post" and having written a book entitled *Boxing For Fun*.

“When the souls of these men are presented to the Lord by the angels, the Lord will show them the fruits and wages of their labors in the many souls saved by their example, prayer and tears, and he will say to them, ‘My beloved children, look, so and so many souls have been saved through your prayers, tears and example. Because you have been faithful over a few things I will place you over many things.’” — St. Francis

Left to right: T. Stith, Coach E. Donovan, S. Stith.

Kneeling Left to right, T. Connors, Mgr., W. Martin, B. Connery, M. Conneoly. Standing Left to right, S. Stith, Captain, E. Donovan, Coach, B. McCully, T. Fitzmaurice, T. McHugh, T. Stith, E. Petrovick, T. Hannon, O. Jirele.

The 1959-60 Brown Indian basketball season was unofficially opened by an exhibition victory over the highly-rated Sweeney Pipers of Cleveland.

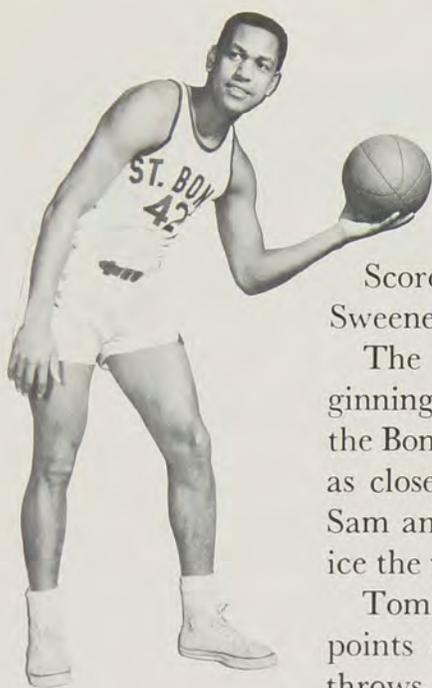

Included in the Piper lineup were such former college stars as Corny Freeman of Xavier, Gene Tormohlen of Tennessee and John Barnhill of Tennessee State.

The Bonnies jumped to a quick 8-0 lead but two quick jump shots by Barnhill and a lay-up by Freeman closed the gap.

Mid-way through the first half the Bonnies again surged ahead on the fine shooting of Bill Connery, Whitey Martin, and the Stith brothers, Tom and Sam.

St. Bona's 79 — Sweeney Pipers 72

Score at the half; St. Bona's 38, Sweeney Pipers 29.

The Pipers caught fire at the beginning of the second half and shaved the Bona lead to three points. That was as close as they could get however as Sam and Tom Stith hit consistently to ice the verdict.

Tom Stith led all scorers with 34 points on 13 field goals and 8 free throws while brother Sam chipped in with 25. Connery and Martin had 10 and 9 respectively.

Corny Freeman paced the tall invaders with 17.

Bonaventure's Brown Indians completely overpowered a game Villa Madonna five in gaining their 88th straight victory at the Olean Armory.

Tom and Sam Stith led the onslaught. Tom hit for 31 while Sam responded with a 21-point effort. Martin followed with 16 and Hannon 13.

St. Bona's 95 - Villa Madonna 69

The Bonnies surged to a 12-2 advantage at the four minute mark and opened a 24-9 lead mid-way through the first period.

The Rebels from Kentucky switched to a zone defense and cut the Bona lead to 12 points, 42-30 at the half.

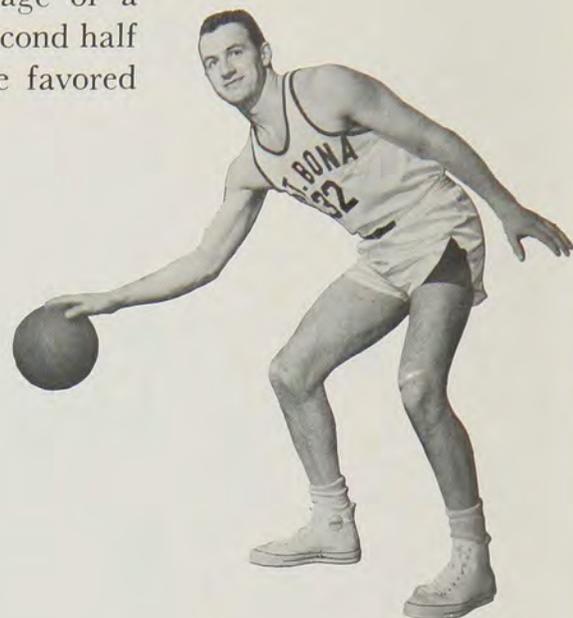

The second half was all Bona with the visitors never able to seriously threaten.

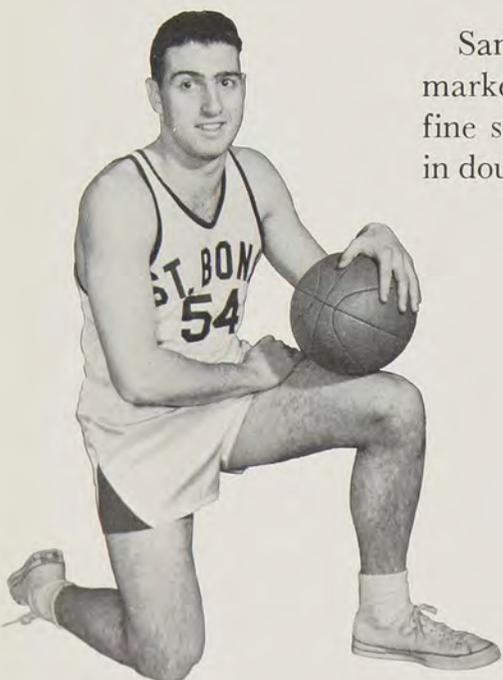

In a game marked by the absence of Ron "Whitey" Martin, the Bonnies suffered their first Buffalo Auditorium defeat in 16 games at the hands of a good Xavier five.

The Musketeers, down 37-34 at intermission, took advantage of a Bona "cold spell" in the second half and rallied to subdue the favored Indians.

St. Bonaventure (57) - Xavier (69)

Sam Stith paced the loser with 19 markers, while the visitors showed fine scoring balance with four men in double figures.

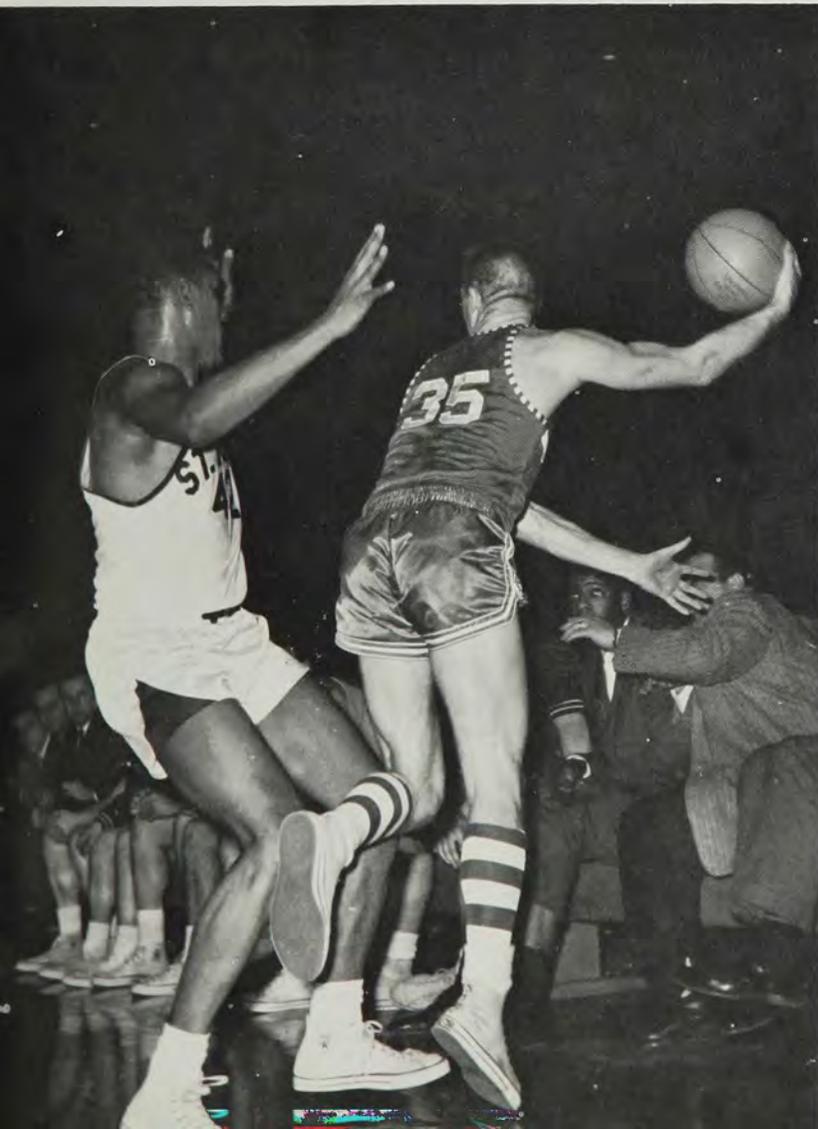

The Big Green from West Virginia provided the opposition as Tom Stith established a new Buffalo Auditorium scoring record while leading St. Bonaventure's Brown Indians past a determined Marshall College five.

Stith finished with 48 points after he and his teammates erased Marshall's five point half-time bulge and downed the Big Green in another up-hill struggle.

St. Bonaventure (93) - Marshall (80)

There was no stopping Tom in the second half as he displayed his wares with a variety of shots. Sam Stith and "Whitey" Martin were once again towers of strength on defense.

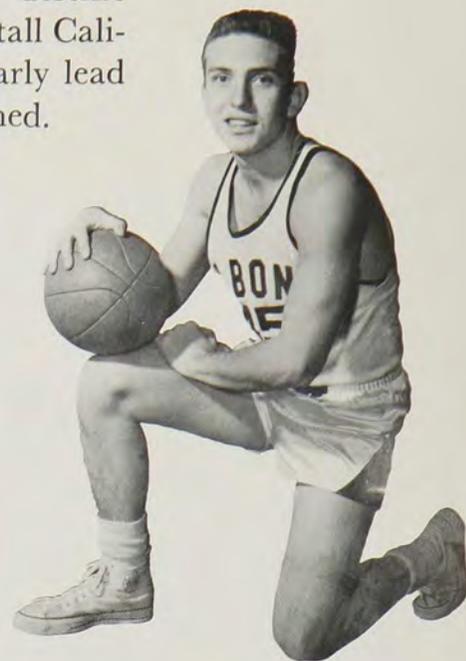

Classy John Milhoan finished with 32 points in a losing cause.

Santa Clara's eastern trip was not without reward as the West Coast quintet handed coach Eddie Donovan's crew their second straight Buffalo defeat.

Displaying an air-tight defense and a versatile offense, the tall Californians jumped into an early lead which they never relinquished.

St. Bonaventure (48) - Santa Clara (69)

All efforts by the Bonnies to save the game were hampered by an off-shooting night (28.3%) as they were at no time able to seriously threaten.

The loss evened off Bona's record at two and two.

Russi was high for the winners with 28 points while Tom Stith had 20 for the Indians.

St. Bonaventure edged past stubborn arch-rival Canisius 70-67 before a jammed throng of 11,101 screaming fans at Buffalo's Memorial Auditorium.

Fattening their record to 10-3 on the season, the Bonnies were forced to make up an 11 point deficit with but seven minutes remaining in a great come from behind hair-raiser.

St. Bonaventure (70) - Canisius (67)

Playing the greatest game of his career in the come-from-behind victory was unsung Ed Petrovick who flipped in clutch stab shots from 12 feet out to spark the Bona drive.

The Golden Griffis were effective in holding the nation's second highest scorer Tom Stith to 19 points, but brother Sam took up the slack dumping in 25 to lead all scorers.

Coach Donovan guided his charges brilliantly and successfully in achieving an all important win.

TAKING NO CHANCES

Cincinnati's Paul Hogue (22) is still high in air as he clears rebound to Oscar Robertson in first half of Ecac Holiday Basketball Festival game against St. Bonaventure Dec. 26. St. Bonaventure's Tom Stith (42) is other identifiable player. Game wound up first day of tournament at New York's Madison Square Garden.

Holiday

Festival

TEN TO ONE HE GETS IT
 Manhattan's Tom Leder, at center, grabs loose ball in scramble with St. Bonaventure's Tom Hannon (partly hidden behind Leder) during first period of consolation round of Ecac Holiday Basketball Festival at Madison Square Garden, New York, Dec. 28. At left is Tom Stith of St. Bonaventure, who scored a record of 48 points to better the tournament record of 47 points set Dec. 26 by Cincinnati's Oscar Robertson against St. Bonaventure. Bonnies downed Manhattan 96-86. Other identifiable players are Bonnie's Whitey Martin (34) and Sam Stith (22).

HOLIDAY FESTIVAL

St. Bonaventure (56)—Cincinnati (96)

St. Bonaventure (96)—Manhattan (86)

St. Bonaventure (95)—St. John's (78)

Cincinnati, the nation's number one college basketball team, crushed all Bona's title hopes with a decisive 95-56 victory in the first round of the Holiday Festival Tournament played at New York's Madison Square Garden.

The Brown Indians, playing on fairly even terms throughout the first half, found themselves in early foul trouble in their spirited attempt to stop Cincy's fabulous Oscar Robertson. At half-time, the scoreboard read 39-30, Cincinnati.

It was a different story as play resumed with the Bearcats taking complete charge, steadily increasing their advantage. The big man for the Bearcats was the "Big O," Oscar Robertson, netting a record-breaking 47 point total.

Tom Stith was high man for the Bonnies with 16 points in a "nothing to be ashamed of" defeat.

In the consolation round, Bonas bounced back, led by All-America candidate, Tom Stith, to whip the Jaspers of Manhattan in a hard fought contest.

At half-time the deficit for the Bonnies was 5 points, 40-45. The "Tall T," Tom Stith, once more proved that he could be an All-American by coming through with a smashing 48 point record breaking total. He was assisted ably by brother Sam and the rebounds of Ed Petrovick added mightily to the win.

It was a hard fought contest, but the strength of the Bonnies proved too great for the Jaspers.

In the third game in which the Bonaventure team took part, Coach Eddie Donovan's charges captured the consolation honors with a resounding win over the St. John's quint.

With Tom Stith triple-teamed and held to but eight points in the first half, it began to look bad for the Bonnies; but the old stand-bys, Sam Stith and "Whitey" Martin, combined for a 21 point output which put Bona ahead by three points at the intermission.

In the second period, Bonaventure crammed 60 points through the hoop with Tom Stith accounting for 34 of these with his pretzel like shots from underneath while Sam and Whitey turned to defense and playmaking.

Tom smashed two Tournament records with a 48 point output which gave him a Tourney total of 106. His new records were short-lived, however, when Oscar Robertson scored 50 points in the final round to cop high scoring honors.

GETTING THE GOODS

Tom Stith, 6-5 center for St. Bonaventure, comes off boards with rebound in second half of game with St. John's (Brooklyn) Dec. 30 at New York's Madison Square Garden. At left is Stith's mate, Tom Hannon, (32). St. Bonaventure won Ecac Holiday Festival game 95-78 for fifth place and Stith set tournament scoring record for three games 106 points, with 42 against St. John's. St. John's player with crossed arms above Stith's head is Le Roy Ellis.

The high-flying Indians, fresh from a good showing at the Holiday Festival in New York, showed no signs of slacking off as they completely outclassed the Indiana Hoopsters from Valparaiso.

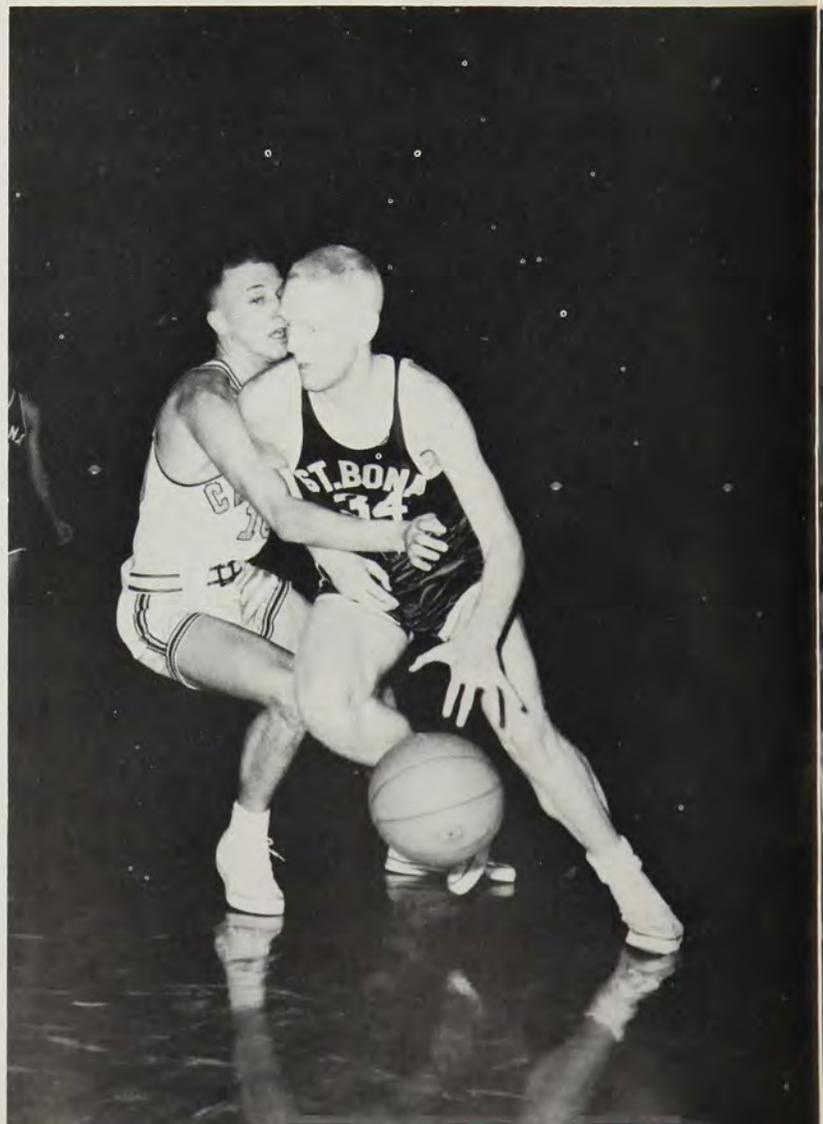

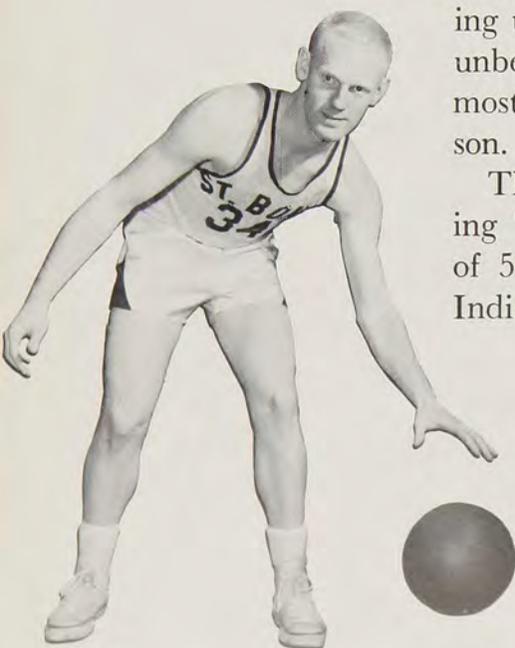

With Ed Petrovick established as a starter and controlling the boards, and "Whitey" Martin and Sam Stith hitting from the outside, and

St. Bonaventure (105) - Valparaiso (77)

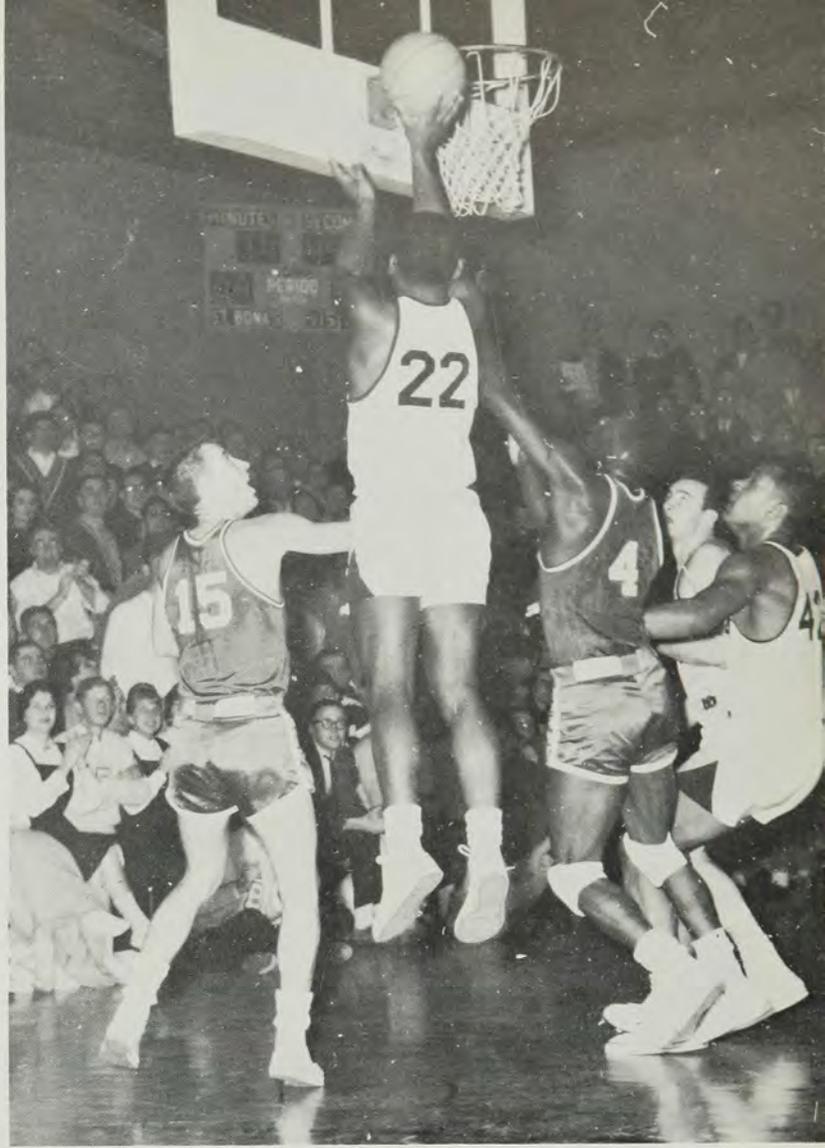

with Tom Stith twisting and turning underneath, the Bonnies looked unbeatable as they rolled up their most impressive victory of the season.

The Stiths, the nation's top scoring "brother act" garnered a total of 58 points, 29 each, to lead the Indians over the hapless Crusaders.

Ninety in a row, was the cry as the Brown Indians of Bonaventure met arch-rival Niagara before a sell-out crowd in the Olean Armory. And ninety it was as All-American candidate Tom Stith won a personal duel with Niagara's amazing Al Butler, meshing 34 points to Butler's 32, while leading the Bonnies to a hard-fought 83-75 win.

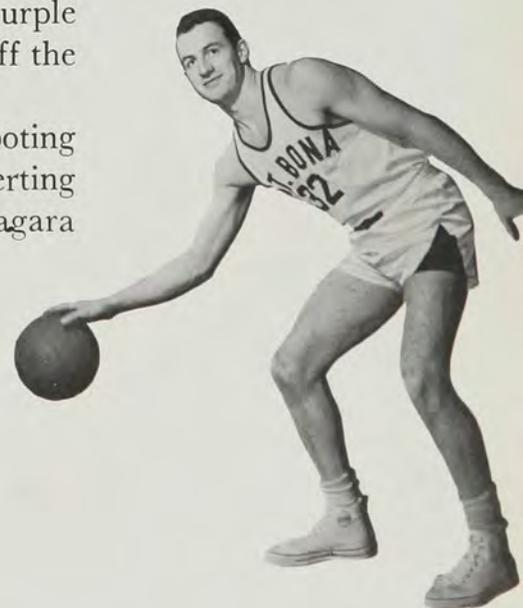

St. Bonaventure (83) - Niagara (75)

Despite Stith's scoring spree, it was reserve Orié Jirele's three clutch baskets which broke the Purple Eagles and took the pressure off the Indians.

Both clubs enjoyed good shooting percentages with Bona converting on 51% of their shots while Niagara shot 48%.

The streaking Brown Indians notched their tenth straight victory by edging the Iron Dukes of Duquesne 83-75 in Buffalo's Memorial Auditorium before a large turnout of fans.

The win made the Bonnies 13-3 for the season and they celebrated by officially announcing acceptance of a bid to participate in New York's National Invitation Tourney.

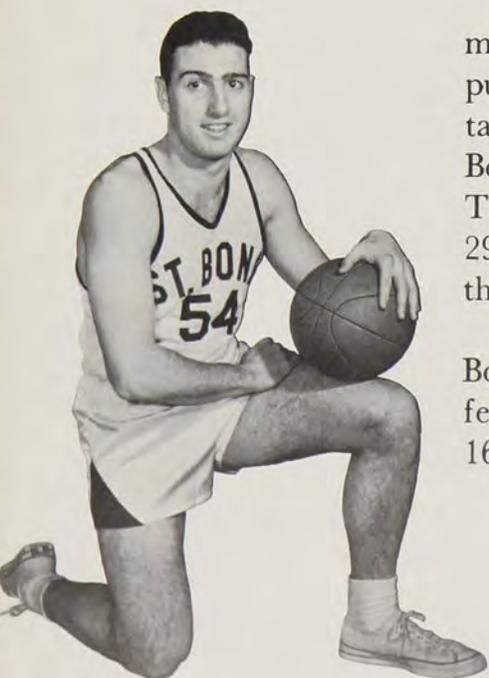

The well-balanced Dukes, who had four men in double figures, made quite a game of it as the lead shifted hands some 12 times during the first period.

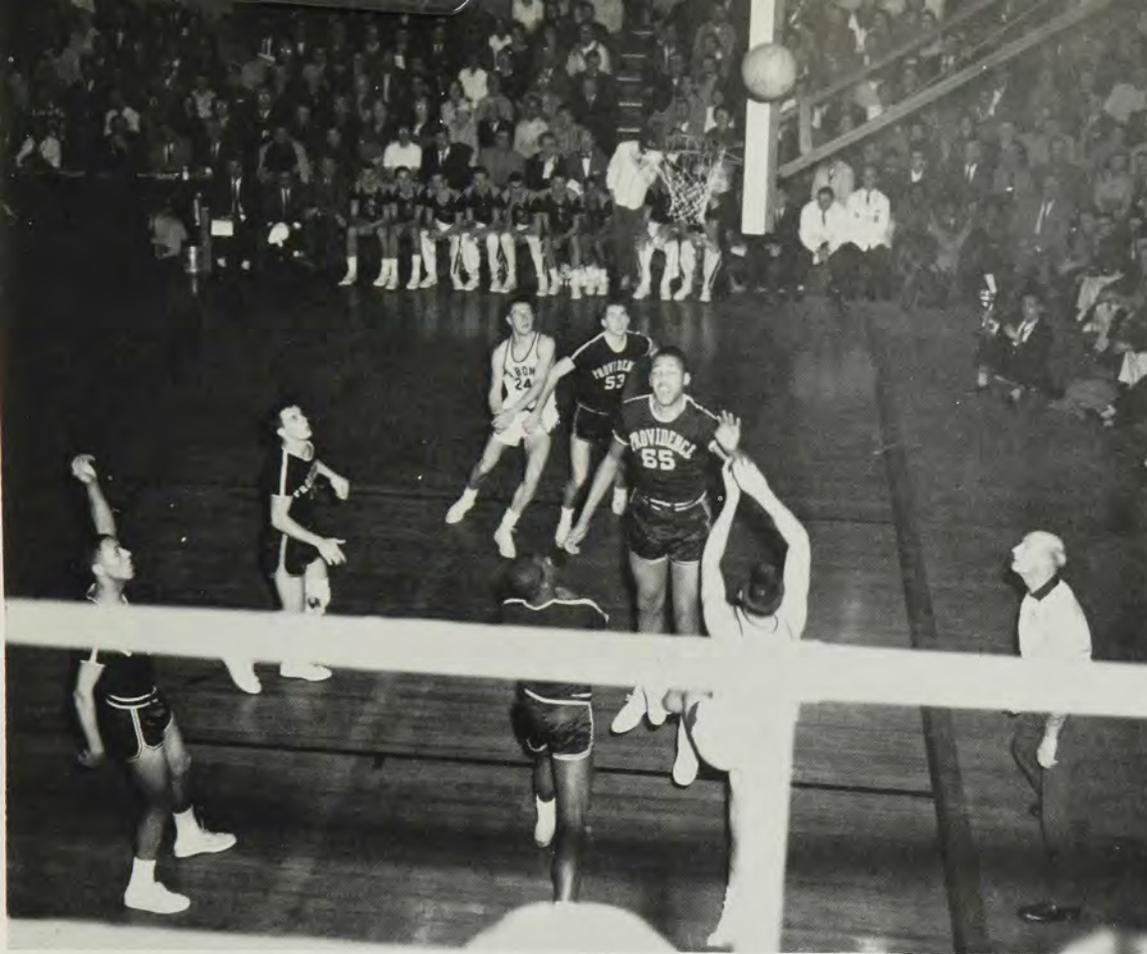

St. Bonaventure (83) - Duquesne (75)

Bona led at intermission 37-34.

With sharp-shooting Ned Twyman leading the way the Dukes pulled out to a seven point advantage early in the second half, but Bona rallied behind All-American Tom Stith, who crammed 20 of his 29 points in the final stanza, to put the game on ice.

Other men in double figures for Bona were Sam Stith with 20, defensive ace "Whitey" Martin with 16 and Tom Hannon with 10.

In a game that preserved their Olean Armory win skein at 92, and their current season's win streak at nine, and brought back for them the Johnnie Kreiger Memorial Trophy, St. Bonaventure, in three overtimes, sneaked by NIT-bound Providence College in a game that was heralded as "the greatest ever."

Providence, itself sporting a 10-game win streak and ranked 14th nationally, was superb on both offense and defense with the exception that they were unable to contain All-American Candidate, Tom Stith, who, to the delight of a capacity crowd of 3,000 wildly cheering fans, dumped in 46 points in a truly outstanding display of ability.

The Friars, led by accurate Len Wilkens, who finished with 34 points, seemed to have it wrapped up with a 78-72 lead in the second overtime, but Bonas stormed back to knot the count at the buzzer.

Tom and Sam Stith and Ed Petrovick teamed up in the third overtime to keep the Indians neck and neck with the Friars until with only seconds left before the gun "Tall Tom" layed in the deciding goal.

Bonaventure overcame this talented club with an amazing display of drive, teamwork and sheer determination. It was a resounding and well-deserved victory. Final score: 90-89.

In another thriller, Bonaventure's "red hot" Indians, upset seventh ranked Villanova 72-70 in an NIT preview at the Philadelphia Palestra.

All-American Tom Stith packed 22 points into the first period with a great variety of underneath shots, enabling the Bonnies to maintain a slim half-time margin.

With the Villanova defense tightening around Tom in the second half "Whitey" Martin, a stalwart on defense, took to the offense to lead a victorious Bona drive.

St. Bonaventure (72) - Villanova (70)

However, in the final seconds with the game tied 70-all it was "The Little Fiddler," Orrie Jirele who snapped a pass to Senior Bill Connery on the give-and-go for the game winning bucket.

High man in the game was Tom Stith with 30, while Driscoll and leaper Hubbie White had 26 and 16 respectively for the losers.

Bona accustomed to coming from behind and pulling it out did it again as the Indians downed a strong Marquette team 74-70 in Buffalo's Memorial Auditorium.

This time the Bonnies needed all the strength they could muster to overcome the 11-point advantage the Warriors had built up. But with All-American Tom Stith spearheading the attack and "Whitey" Martin and Oris Jirele hawking on defense the NIT-bound Bonnies notched their twelfth straight victory, the longest win streak in major college basketball.

St. Bonaventure (74) - Marquette (70)

Tom, the nation's second leading scorer, meshed 42 points to fatten his scoring average to 31.7, while Don Kojis was high man for the losers with 29.

Bona's First All-American

Tom Stith

Seniors See Fourth N.I.T.

For the fourth straight year, St. Bonaventure University's basketball team was one of twelve colleges honored with a post-season bid to participate in The National Invitation Tournament played in New York's Madison Square Garden.

Although the Bonnies ended their regular season with 16 straight victories and an overall record of 19 wins and 3 losses, they were not ranked among the seeded teams. The N.I.T. selection committee picked Bradley, St. Louis, Utah State, and defending champion St. John's of New York, in that order, as the tourney's top clubs.

It wasn't long after the Bonnies arrived in New York however, that sportswriters and basketball fans alike were spreading the word that Bonaventure could "go all the way."

In Bona's quest for the N.I.T. crown, the Brown Indians first met and defeated another unseeded eastern power; the Holy Cross Crusaders.

On March 12th, St. Bonaventure clashed with Holy Cross for the first time in the basketball history of the schools. As the game got underway, the Bonnies had trouble getting started and for awhile it looked like an uphill fight down to the final buzzer.

The Crusaders, behind Jack (the shot) Foley, grabbed an early lead which they held for most of the first half. Late in the period, however, the Bonnies offense began to click and they stopped the Holy Cross drive long enough to gain a 41-41 tie at Intermission.

All-American Tom Stith opened the second canto with seven straight markers and Holy Cross was never again able to regain the lead.

The final count showed St. Bonaventure on top, 94-81. Sam Stith with 27; brother Tom with 25; and Whitey Martin with 19 points paced the winning attack.

Not only had the Bonnie cleared their first tournament hurdle by defeating Holy Cross; they also set a new school record for consecutive victories at 17 straight. But even so, coach Eddie Donovan wasn't satisfied. "We didn't play our best against Holy Cross," he argued. "We'll have to be a lot sharper if we hope to beat defending champ St. John's."

Like the Bonnies, St. John's had come on strong in the latter part of the season. The Redmen had the home court advantage, and more than anything, they were hungry for revenge. St. Bona had thumped them by 17 points earlier in the season. Thus the stage was set for a nailbiting episode.

A packed house watched both teams trade buckets in the game's opening minutes. No one anticipated what was to come.

With about six minutes gone, Bona's Sam Stith, Orrie Jirele, and Whitey Martin began to employ a pressing, gambling defense that resulted in numerous Redmen mistakes and eventual Bona baskets. Before long, St. John's had lost its poise completely while the Indians continued to pile up the points. By halftime, St. Bonaventure led by a comfortable 53-33 margin.

The Bonnies kept on rolling in the second half and at one stage led by as many as 42 points. The whole Bona team got into the act as the Indians went on to amass their greatest triumph of the season, whipping the Redmen 106-71.

Bonnie Pair Amazing in Win Over St. John's

By Dave Eisenberg

First there were the Brothers Karamozov, and after them came the Smith Brothers and the Crosbys. But they didn't say basketball, their contributions being to literature, cough medicines and croonings.

Now New York is thrilling to the greatest brother act in the history of basketball, a short pants version of the Dean brothers of baseball and the Baer brothers of boxing. They're the Stith Brothers of St. Bonaventure to whom you tip your hat in appreciation of their job of putting the Olean, N. Y., school in the semifinals of the National Invitation Tournament.

Never did basketball see a better brother act than that of Sam and Tom in the NIT. They drove the Bonnies to successive victories over Holy Cross (94-81) and last night's fantastic hiding of St. John's by 106-71. As Joe Lapchick, the Redmen coach, said afterward:

"I never had to endure a night like this before. This was the most humiliating defeat I've ever suffered."

Fine Match

N. I. T. Best in Decade

By Irving T. Marsh
The finest basketball season New York has had in the decade ended its team co...

New York went wild. The name "Bonaventure" blazed across every major New York newspaper. The big topics were Bonaventure's "nervous defense" and the Stiths who were acclaimed as "the greatest brother act in basketball history." St. John's great coach, Joe Lapchick, admitted to the press that his team's loss to St. Bonaventure was "the most humiliating defeat I've ever suffered." But amidst the shouting and glory of victory, the sting of defeat was near at hand.

Bradley University proved why they were picked as the Tourney's top club by shutting the door on the Bonnies title hopes with an impressive 82-71 win over the Indians in the semifinals.

The Peoria Braves displayed a well-coordinated attack in overcoming a first half Bona lead. The Bonnie "nervous defense" wasn't quite nervous enough to stop Bradley's Mike Owens from getting the ball past half-court and into his big men. When the smoke cleared, the Bonnies

had tasted defeat, but at the hands of the Tourney's eventual champion. Bradley later defeated Providence for the N.I.T. crown.

Captain Sam Stith and Bill Connery, the clubs only two seniors, played their last game for their Alma Mater when the Brown Indians battled Utah State in the consolation final. Their career ended on a sad note however as the Utes laced the deflated Bonnies 99-83 to grab third place in the tournament.

In winning two of four tournament games the Bonnies broke three N.I.T. records. Sam Stith's 47 field goals eclipsed the old N.I.T. mark of 44 set by Maurice Stokes. The team meshed 42 field goals against St. John's and massed a total of 354 points in four games, both good enough for new Tournament records.

St. Bonaventure has every right to be proud of their fine coach Eddie Donovan who piloted the greatest basketball team in the history of the school.

BASEBALL

Guided by Coach Fred Handler, in his first season as mentor, the Bonnie nine had a short Fall schedule. Playing doubleheaders with Niagara, Canisius, and Erie County Tech. They compiled a—won 3, lost 3 record.

The Spring season will see Bona as a member of a conference sponsored by the Buffalo Evening News. Other members of this league will consist of Canisius, Erie Tech, University of Buffalo, Buffalo State Teachers, and Niagara. Non-conference competition will be provided by the University of Rochester, Geneseo State, and the Rochester Institute of Technology.

The pitching staff will include Pete Havstad, Pete Geise, Tom Joyce, "Drew" Monahan, and

Bob Green. Their battery mate will be Gioffre.

The infield will include George Gath, Joe Caimano, Tom Connors, and Paul Scully. In the outfield the main duties will probably fall to Mike Davey, Al Muliero.

Play Ball

Swimming Team

SWIMMING

Under the capable leadership of Mr. John Skehan, swimming was placed for the first time, on the Inter-Collegiate level.

Journeying to Rochester for their first meet, the Bona "mermen" suffered defeat by a 68-27 count. Junior Mike Davey, however, won the 50 and 100 yard freestyle events.

Niagara provided the competition for the second meet and the Bonnies ended up on the short end 53-42. The University of Buffalo was next and here the Indian Swimmers got their first taste of victory. The score was University of Buffalo 39, Bona 56. Heavy snows saw the cancellation of the Buffalo State match. Cortland was next, and the Bonnies came close but lost 52-43, despite a fine effort by Mike Davey. Davey captured the 60 and 100 yard freestyle events and anchored the 400 yard freestyle relay team.

The Bona team got back into the win column in their next match by defeating Harper College 68-27. This match saw the Bonnies take 8 of 11 events. Dick D'Addario was the only double winner for Bona, taking the 220 yard individual medley and the 200 yard backstroke. Mike Davey won his fifth straight 100 yard freestyle event to remain undefeated.

The season closed with entry in the Upper New York State Championship at Buffalo.

Golf

GOLF

The 1959-60 edition of the Bona "Linksmen" for the third time in a row copped the "little three" golf championship. This also marked their 34th consecutive win.

The spring campaign will feature seven matches beginning around April if weather conditions are good.

Once again, the golfers will be spearheaded by Dan Kaczor, followed by Ed Forrest, Ted Kochan, Dick Grimm, John Ahern, Joe Ganem, and John Berger. Missing from the scene will be the popular Johnny Carroll.

The season is expected to conclude in June, with entry into the Eastern Intercollegiate Tourney.

Cross Country

Left to Right (Standing): C. Montana, W. Scanlon, G. Farrell, B. A'Hearn, Moderator John B. Skehan, Dan Kaczor. Left to Right (seated): Ted Hyle, Clint Martin, Joseph Shine.

Intramurals

This past year the intramural program at St. Bonaventure has undergone a drastic change from the past. Gone is the Czar, gone is the fee for participants, and gone is the era of the "stacked" teams. In their places we now have an intramural council comprising one representative from each of the eleven dormitory floors in school. This council elects one from its number to act as head of the program. This year Clint Martin has acted as the head of the program.

The present intramural system is under the auspices of the Physical Education Department headed by Prof. Skehan. Each floor has the prerogative to enter two teams in competition for the President's trophy and for individual sports trophy.

The main advantage of the new system is participation. Whereas the old system capitalized on the big three sports; basketball, football, and softball; the new system offers a wide variety of sports which appeal to all levels. In the Fall we have football, tennis, golf, and cross country. In the winter Basketball, volley ball, badminton, ping-

pong, bowling, and swimming are featured. The Spring sports are track and field, softball, golf, and tennis.

The money which is needed for such an extensive program is appropriated from the student activities' fee and all the games are refereed by Physical Education majors.

In addition to a trophy for excellence in each sport, each team vies for the President's trophy which is awarded to one floor according to the number of points they have garnered on the basis of participation and excellence.

The new program is considered a success after its trial year because in football, basketball, and softball, twenty-two teams have participated; there were 257 entries in the track and field competition; 66 golf contestants; 60 in tennis; and 35 in cross country. This is a marked improvement over the student intramural participation in the past.

Activity is climaxed at the end of the year by an athletic banquet at which the trophies are presented.

Basketball

Seniors

“If the servant of God studies to have and keep, within and without that spiritual cheerfulness which proceeds from a clean heart and is acquired by devotion to prayer, the evil spirits cannot harm him . . . but the demons are elated when they can extinguish or in a measure interfere with the devotion and joy proceeding from prayer that is pure, and from other virtuous actions.” — St. Francis.

Class History

The history of the class of 1960 began on September 12, 1956. On this day, approximately four hundred young men obtained their room keys from Miss Edel, said good-bye to their parents, and set out to discover Olean and Allegany.

The next five days were really great since we frosh had nothing to do but take guided tours of the campus and make several trips to the Guidance Center for various aptitude tests.

Finally the big day of registration arrived. I can still see the long line of bewildered frosh waiting to get into the gym to see what classes they would be taking. After having completed registration, we were all ready for classes to start. That Wednesday, armed with blue, pink, and yellow registration cards and the shiniest new books from the Book Store, we invaded De La Roche Hall for our first day of classes.

Things went fine for all of us budding Bonaventure men until that fateful day when we were told to report to the gym for a frosh meeting. It was at this meeting that we were given the traditional dinks, ties, and signs which were to mark us as lowly frosh for the next two months. At least we were lucky in one respect, the upperclassmen were not allowed to haze us physically. Nevertheless frosh rules were pretty rough and we were glad when the Student Senate announced that we were going to be the first class to produce the Frosh Frolics Variety Show. The members of our class put everything they had into producing the Frolics and apparently, the Senators and upperclassmen liked what they saw because it was not to be long before rules would finally be over with initiation day down at the football field.

The long awaited Thanksgiving vacation finally came and the whole student body left for five days leaving the old campus pretty much deserted. It was quite a thrill to see the old gang at home again and boast about our accomplishments as college men.

We returned from Thanksgiving and launched into a study campaign to ready ourselves for the forthcoming January final exams. Almost before we knew it, it was time to go home for Christmas vacation. After we had returned back to school, we all strated cramming for January finals and wished we had applied ourselves day-to-day, as our Profs had suggested.

In March of our freshman year, our Varsity Basketball Team was selected to participate in the National Invitational Tournament in New York City. It was a great thrill to be able to go to New York City and see our basketball team do so splendidly.

Our class officers for our memorable freshman year were John Daley and Tom Zacharias, holding down the posts of president and vice president respectively; and Thomascina Costa and Bill Repp as secretary and treasurer.

All in all, our frosh year was a good year. At last we were college men and the summer was sure to hold many experiences which would be told the next year in the dorms on the cold winter nights.

When we returned to St. Bonaventure for our sophomore year, we were quite the collegians. It seems as though we had forgotten what had happened to us during frosh rules, because we really lorded it over the poor frosh.

Our Student Senators were John McGuire, Doug Hettrich, and Sal LaForgia and our class officers were Joe Tierney, president; Frank Odisiri, vice-president; Thomiscina Costa, secretary; and Jack Corrigan, treasurer.

Our sophomore year was greatly significant due to the opening of the centennial year on the Feast of St. Francis 1957. It seemed that there was a banquet every other week and this was fine as far as we were concerned. Francis Cardinal Spellman, sixteen bishops, and Averell Harriman, the Governor of New York State came to wish us a happy one hundredth birthday.

This was the year of the great influenza epidemic on campus. It was also the second year in a row that the St. Bonaventure basketball team received a bid to participate in the N.I.T. Our basketball team was beginning to be noticed for its home game winning streak of 77 straight games. We, of the class of 1960, were proud to have those of our classmates on the varsity basketball team. They were Sam Stith, Bill Connery, and Stan Koliander.

It was during our sophomore year that our class started sponsoring dances and I can remember one very profitable social which was sponsored by the class of '60 that year.

With studying for tests an old thing for us now and something that we had "mastered,"

we took the May finals and arrived home in time for Memorial Day. We were glad to get out for summer vacation, but we knew we would miss the guys back at school.

Before we knew it, the summer was over and we were beginning our third year as Bonaventure students. Some of our predecessors had said that the junior year was the easiest, but we began to wonder, when we were hit with a barrage of tests, book reports, and term papers.

We noticed a few changes around campus our junior year. It seemed that we were going to have more coeds on campus since part of St. Elizabeth's Academy was given over to a women's residence hall.

Griff no longer made his rounds guiding the Super Atomic derby horses. He was now confined to Andy's truck and during the winter months we missed the cherry voice asking how the atomic gang was. As soon as Spring broke forth, however, Griff's window was rolled down once again and things were better somehow.

We witnessed the visit of the Apostolic Delegate to the United States on campus and we hoped that Bonaventure's second century would be as profitable as its first.

We also saw the framework being laid for the new Liberal Arts Building which would become Plassmann Hall next year.

We saw the death of four great Catholics in our junior year. Pope Pius XII died in October and there was much praying for the repose of his soul. The Head of our Psychology Department, Rev. Alan Glynn, O.F.M., and the Head of our History Department, Rev. Roderick Wheeler, O.F.M. also found their eternal reward when we were juniors and that "grand old man" of Bonaventure Fr. Thomas Plassmann, O.F.M. left this earth for greener pastures. Fr. Tom was perhaps the greatest single figure in Bonaventure history.

The sadness caused by the death of these four men was great. The three who had been so close to us and the one who had been our supreme pontiff made us all realize how vulnerable we were to the wishes of God.

This year, for our Student Senate Representatives, we elected Art Haberman, Sal LaForgia, and Doug Hettrich. Our class officers were John Berger as president, Thomas Zacharias as vice-president, Dan McNally as secretary,

and Dave Schryver as treasurer.

The Junior Prom that year initiated a new tradition at Bonas with an unprecedented 4 day prom weekend. Stan Kenton and his orchestra played for our prom which carried the theme of Southern nocturne and was enjoyed by all who attended.

Once more the basketball team went to the N.I.T. in New York City, and once more the winning streak in the Olean Armory was upheld. We were very proud of our basketball team.

During the summer of 1959, many of our classmates were treated to a six weeks' vacation at Fort Sill, Oklahoma, courtesy of the R.O. T.C.

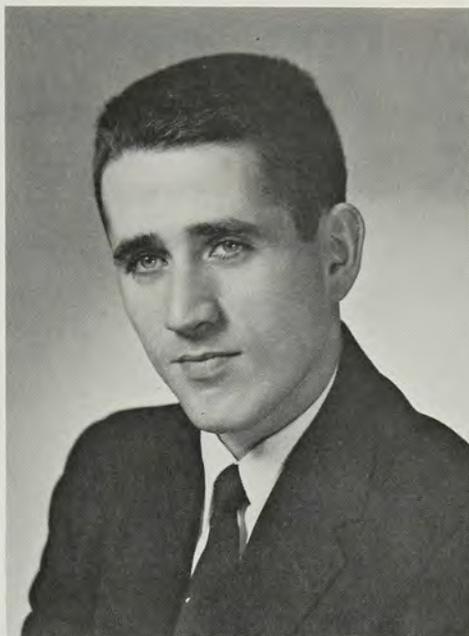

It was with both joy and sadness that we approach our senior year. We realized that we would soon be on our own in a cruel world, but we want to thank our Alma Mater for helping us to prepare for our future endeavors.

The class of 1960 started out strong financially with the annual Fall Festival. It was a wonderful weekend with more girls attending than in any other previous year. An overflow crowd packed the Olean Armory to hear the orchestra of Maynard Ferguson. Mr. Stewart out-did himself in preparing one of the finest buffet luncheons we had ever seen. It was interesting to note that many students attended the Dixieland Jam Session at Gargoyle Park on Sunday. The student participation was very good for the Fall Festival and so many people attended that our senior class was able to net \$3,000.00.

Our standard bearers for our last year at St. Bonaventure are Harry Smith as class president, Theodore Choma as vice-president, Daniel McNally as secretary, and David Schryver as treasurer. Our Senators are Sal LaForgia, Art Haberman, Joe Tierney, and Steve Giunta.

As we prepare to leave these hallowed halls of learning we can pause for a moment to look back over the four short years that have passed since our first coming here. How we took frosh rules so seriously when we were freshmen, how we thought we knew everything when we were sophomores and juniors, how we finally settled down to face comprehensives and graduation — these are the memories which we shall have for the rest of our lives.

Who

The 1959-'60 scholastic year has seen ten St. Bonaventure seniors honored in the yearly edition of "Who's Who Among Students in American Universities and Colleges." To receive this honor, one of the highest that can be given to the college student, the following requirements must be fulfilled:

1. The student's leadership and participation in extracurricular and academic activities.
2. His excellence and sincerity in scholarship.
3. His citizenship and service to the College.
4. His promise of future usefulness to business and society.

Those receiving this honor are awarded a certificate of recognition presented before the entire student body. They also receive the assistance of a placement service offered by the organization.

Dear Parents:

In truth this is the end of our "Bonadieu 1960". Cover to cover we have attempted, through pictures and copy, to bring to you a connecting link between your son's and daughter's college days and the passing years. We hope that you have been able to grasp the amazing transition that has occurred in your child's life.

We have sketched the arrival at St. Bonaventure, a boy, a girl. We then searched through four years of precious memories seeking to highlight equitably the rich endowment of spiritual, educational and social experiences. Lastly, we see the departure of a Bonaventure Man or Woman. This is a college graduate with a true "Alma Mater". They join today more than 8500 alumni and alumnae — Doctors, Dentists, Lawyers, Teachers, Priests, Sisters, Businessmen, Scholars, Scientists and Journalists, all of whom have been suckled by the "Nourishing Mother," St. Bonaventure University.

Yes, this is the end of "College Days" but merely the threshold of all your son's and daughter's hopes and happiness. We

join now with the entire senior class in saying, "Be proud dear parents, that you have been able to give us the best, a Bonaventure education."

We hope that we have succeeded in our objective to make this yearbook a most memorable one. It is only fitting therefore that those responsible should be acclaimed in our "Storehouse" of cherished memories.

To the parents of underclassmen who have helped defray a fractional part of the enormous expense of the book, we hope it extends to you an insight to the real Bonaventure Life.

To the Seniors' parents, we want you to know that when you shake your graduate's hand, you will be saying, "Congratulations" and he will be saying, "Thanks".

Thanking you for your kindness and thoughtful generosity, we remain,

Very truly yours,

BONADIEU STAFF

100th ANNIVERSARY

The Olean Times Herald is observing its 100th birthday in 1960. For a full 100 years in an unbroken chain, your newspaper has contributed to the progress of Olean and its neighboring Western New York and Pennsylvania communities.

Early in the year 1860, an enterprising group wanted a local newspaper. They paid the first publisher \$1,200 to establish the medium through which they could keep informed of current news events.

L. M. Gano was the first publisher. He was under contract for five years — the same year Abraham Lincoln was elected President of the United States. The original Olean Times was a weekly publication, but soon after became a daily.

Mr. Gano sold out to A. E. Fay, an associate. He in turn sold to George D. A. Bridgeman. The next owner was E. F. Dickinson. His brother acquired his interests in 1881, when E. F. Dickinson went to Florida.

The Times Publishing Company, a stock organization was formed that year. The Times later was merged with the Olean Press. E. L. Vincent and George N. Wood became owners two years later. B. B. Webber and A. W. Ferrin bought the Times December 1, 1887, after the death of Mr. Wood. They were at that time publishers of the Salamanca Republican. S. C. Green became associated with them. His partners acquired his interest in 1891.

Charles S. Strait was taken into the firm in 1894. He acquired Webber and Ferrin's interests in 1895. Mr. Strait published the Times until 1911. That year the true history of the newspaper was established.

M. G. Fitzpatrick purchased the Times in February, 1911. He was 42 years of age at the time. He found himself with a circulation of less than 1,200. There were ten employes and equipment to match. A lumberman by training and experience, Mr. Fitzpatrick had no intention of staying in the newspaper business.

However, he became so interested that he never left, building it into the present Times Herald. Under his direction the circulation increased ten fold. In 1954, the circulation was more than 15,000. Today its net paid circulation is more than 17,000. He was president and publisher until his death, October 8, 1952.

E. B. Fitzpatrick, present president and publisher, was general manager at the time of his father's death. Mr. Fitzpatrick a native of Olean. He was graduated from Olean High School and the United States Military Academy at West Point. He served with the United States Coast Artillery during World War I.

The Times Herald was formed from a merger of two newspapers, the Olean Evening Times, which was published by M. G. Fitzpatrick, and the Olean Herald. The Herald had its beginning January 5, 1877, as the Olean Record. Henry W. McKenzie was the publisher. W. W. Henry and Charles F. Persons, purchased it in 1879, during the Allegany oil field excitement.

H. D. Sibley acquired an interest in 1885. He retired in 1896. A new firm was formed by Mr. Persons, Mr. Sibley and W. Spaulding. Mr. Sibley formed a company later with W. L. Ostrom, his brother-in-law as partner. In the early 1920s New England parties bought the Herald. Gannett Newspapers later published the Herald for about four years.

The Herald merged with the Olean Times in 1932, to become the Times Herald. M. G. Fitzpatrick retained the majority interest. For 26 years the Times Herald enjoyed a pleasant and beneficial association with the Gannett Newspapers. In July, 1958, the minority interest was purchased and the Olean Times Herald reverted to single ownership.

E. B. Fitzpatrick, today is associated with his son, Grey Fitzpatrick, who is vice president of the Olean Times Herald Corporation. He is also editor and general manager of the newspaper.

A graduate of Olean Schools and West Point Military Academy, the younger Mr. Fitzpatrick is a veteran of World War II. He served as an officer in the Pacific area.

The Times Herald employes a staff of 80 in producing the daily newspaper. The number is in addition to its carrier boys.
