Published by the Students
Of St. Bonaventure University

Amid a country marked by failure and success, a country torn by mistrust, racial rioting, political assassination, Vietnam, yet a country somehow united by its self-complacency, we, the graduating class of 1969, have existed in a unique community which attempted to understand and interpret the issues of the day in light of our academic, moral, and social development.

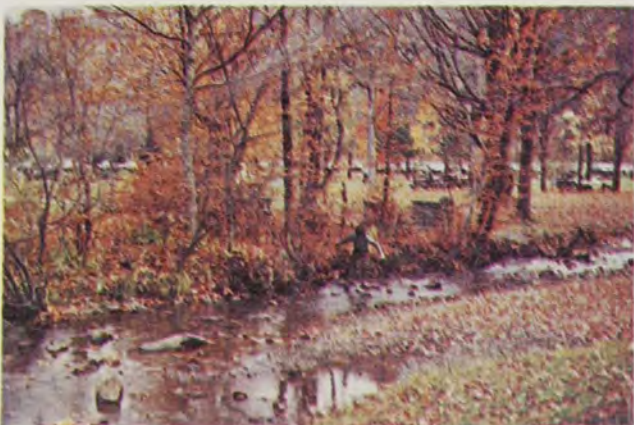

The student participates in the world schema through the academic and cultural outlets offered by his particular campus community, perceiving life on a smaller but nevertheless valid scale. Today's student is complex, he demands more than an academic education, sometimes wanting to be alone with himself, at other times needing the involvement offered by academic pursuit, extracurricular activity, socialization, sports.

Perhaps the role of the student can be best expressed in the concept of awareness—awareness on the academic, political, cultural, and social level. St. Bonaventure has witnessed the formation of a Free Student Union, Students for a Democratic Society, a Head Start program, a CCD teaching staff, a lecture and a film series, providing the student with an opportunity to channel his particular interests into creative thought and work. There is an inherent drive in many of today's students to expose themselves to as many facets of life as possible in an attempt to become more concerned, more understanding, more aware individuals. The college student does not seek approval as much as he seeks understanding, understanding which will enable him to develop in a manner most meaningful to him, as a unique and free human being.

St. Bonaventure, seeking its own identity or role as a Catholic university, does not offer the student a neat and concise packaged outlook on life. Each student, by his limited involvement with the world through his perceptions, his activity, his campus affiliations, must ultimately formulate his value judgments. The emphasis is on the individual student. In his inaugural address, Fr. Reginald Redlon, O.F.M., University President, expressed this idea by asserting that "We dare not take him (the student) for granted. He must be treated as sacred."

Our four years of undergraduate study cannot be labeled as a period of apathy, a period of involvement, an era of change, an era of complete fulfillment. At best, it can be referred to as a period of the student searching and questioning. Like the world around it, St. Bonaventure is marked by a series of failures and successes, comprised of a student body which perhaps expected too much from a new administration too soon. For some, the failure of expectation turned to bitterness, for others, a slow and gradual step toward improvement. Nevertheless, St. Bonaventure has succeeded in giving us a warm and intimate glimpse into human relationships, providing the individual with some type of socialization and development. It is to this spirit, accenting the individual student, his views, his moral code, his philosophy on life, that the 1969 BONADIEU addresses and presents itself.

Autumn 1968 saw the return of St. Bonaventure football, the first time varsity football had been played at St. Bona since 1952. The Brown and White, organized under a club basis, found enthusiastic student support.

With an extended Spring practice session, and two Spring games, the 1968 Bonnies tackled one of the toughest club football schedules in the nation.

The seven-game schedule included such top ranked teams as Detroit, Siena, and Adelphi.

Sparked by a fine coaching crew, led by Head Coach Matt Conte and assistants, Don Raabe, Joe Pastore, Motor Anastasia, John Banks, and Dick Conrad, the Brown and White showed desire and poise in the initial season.

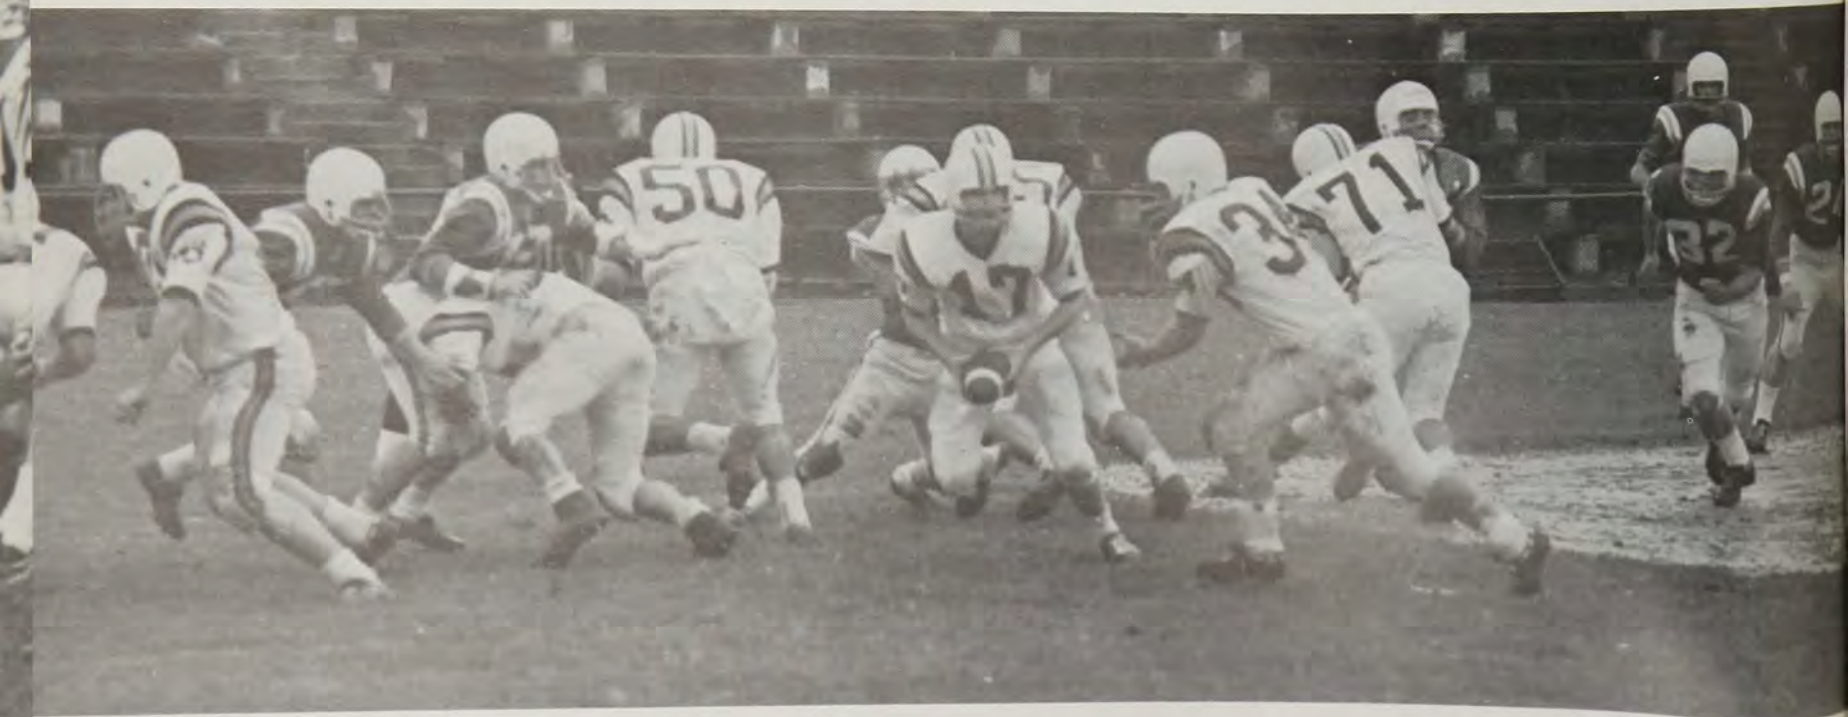

After winning the season opener, 21-16, over Scranton, St. Bonaventure suffered successive defeats at the hands of Niagara and Canisius.

The fast improving Bonnies held a highly touted Adelphi team to a 0-0 halftime score, only to lose in the final stanzas.

Facing fourth-ranked Detroit the following week, the team held a 14-6 lead in the final quarter, but could not prevent a rugged Detroit team from pulling into a 14-14 deadlock.

The final game of the season found an inspired Bona football team, led by quarterback Tim Bergen, battering RIT 36-14, assuring their supporters that they were already anticipating a successful season in 1969.

Leadership of Co-Captains Mike Foster and Rick Rafferty, plus consistent performances from offensive specialists Ed DeVerna, Jim Collins, Kevin Beiter, John Morello, and defensive standouts Tom Hackwelder, Tony Dovi, Leo Keenan, Dave Pieciak, and Bill Scott, provided the strength of the Brown and White squad.

SOCCER

FIRST ROW: J. Ladzinski, P. Bonanno, C. Verneti, G. Mitchell, Captain; B. Cullen, J. Linnehan, M. Westerholt, L. Chastaine. SECOND ROW: F. Schenkel, C. Lawrence, R. Salluzzo, G. Iannotta, M. Sutter, M. McGrane, P. Alfano, J. Barrett, G.

Laurin, Associate Coach. THIRD ROW: J. Skehan, Head Coach; M. Tiernan, R. Fodge, P. Kelly, T. Woods, G. Orsenigo, F. Rubick, P. Wells, E. Barrera, Assistant Coach.

An outstanding schedule provided the Bona booters with a keen challenge. Early season injuries to Captain Gregg Mitchell and Pete Bonanno caused weaknesses in the starting lineup, and St. Bonaventure could not match the strength of such foes as the University of Rochester, Cleveland State, Ohio State, and Ithaca College.

As the season progressed, and with valuable starters as Ron Fodge, Mark Tiernan, and Mark Westerholt returning, the Brown and White played quality soccer.

After suffering a close defeat to the RIT club, the Bonnies downed Canisius, Alliance, and St. Vincent's to close a hard fought 3-7 campaign.

FRESHMAN SOCCER

An exceptional freshman soccer team, with high scorer Charlie Butler and top defensive men Jim Morrison and John Zimmer, posted a 6-3 log. While losing to both Rochester and Ithaca by a single goal, the freshman booters scored wins over Niagara, Gannon, Houghton, Fredonia State, Alliance and RIT.

FIRST ROW: P. Arendt, T. Lowe, J. Radell, M. Ewanow, J. Piampiano, C. Michael, R. Ciccolella. SECOND ROW: M. Gaul, J. Christner, F. Barthmaier, C. Butler, J. Biernat, J.

Led by sophomore Paul Winkler, St. Bonaventure finished the season with a 6-5 record. In addition to winning the Little Three Championship for the second consecutive year, the Bona harriers captured the team trophy in the J.F.K. Memorial Run.

A promising freshman squad placed second in the New York State Championship to conclude a successful season.

In compiling a 7-6 record for the 1968-69 season, the Bona Mermen were forced to rely on constant "iron man" performances by swimmers who were the nucleus of the team. Under the direction of Coach John B. Skehan, the Bonnies swam a particularly difficult schedule which included, on the road Kent State, St. John's, and the University of Rochester. The home meet lineup was equally challenging, with the Brown and White facing Youngstown State, Notre Dame, and the U.S. Merchant Marine Academy.

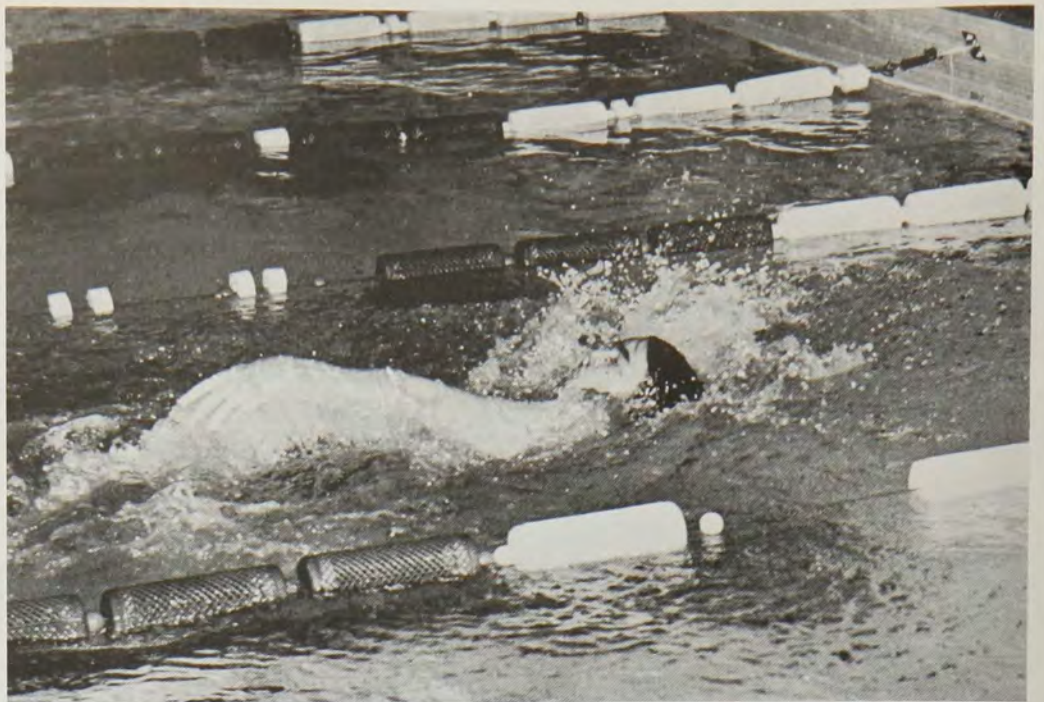

Led by Co-Captains Bill Brennan and Bill Reichle, St. Bonaventure found its strength in seniors Dave McClave, Mike Macys, Tom Stein, and Tom Dougherty; juniors Mike Piedmont, John Goodman, and Ed Flanagan, and sophomores Rick Martin and Frank Fernandez.

Despite the crucial lack of depth, St. Bonaventure scored impressive wins over Ithaca College, Hobart, Brockport State, and Cortland State, on the way to their winning record, with an equally impressive performance in the N.Y.S. Championships at Syracuse.

The '68-69 season brought new additions to the Bona swimming record book. Sophomore Rick Martin set a varsity record in the 200-yd. butterfly with a time of 2:15.0. Freshman Steve Saluga established a new pool record with a 11:16.2 in the 1000-yd. freestyle and a new pool mark in the 200-yd. individual medley with a 2:08.4 time. Saluga also set a freshman record in the 200-yd. butterfly. Freshman diver Jack German established new freshman marks in both the one- and three-meter diving events.

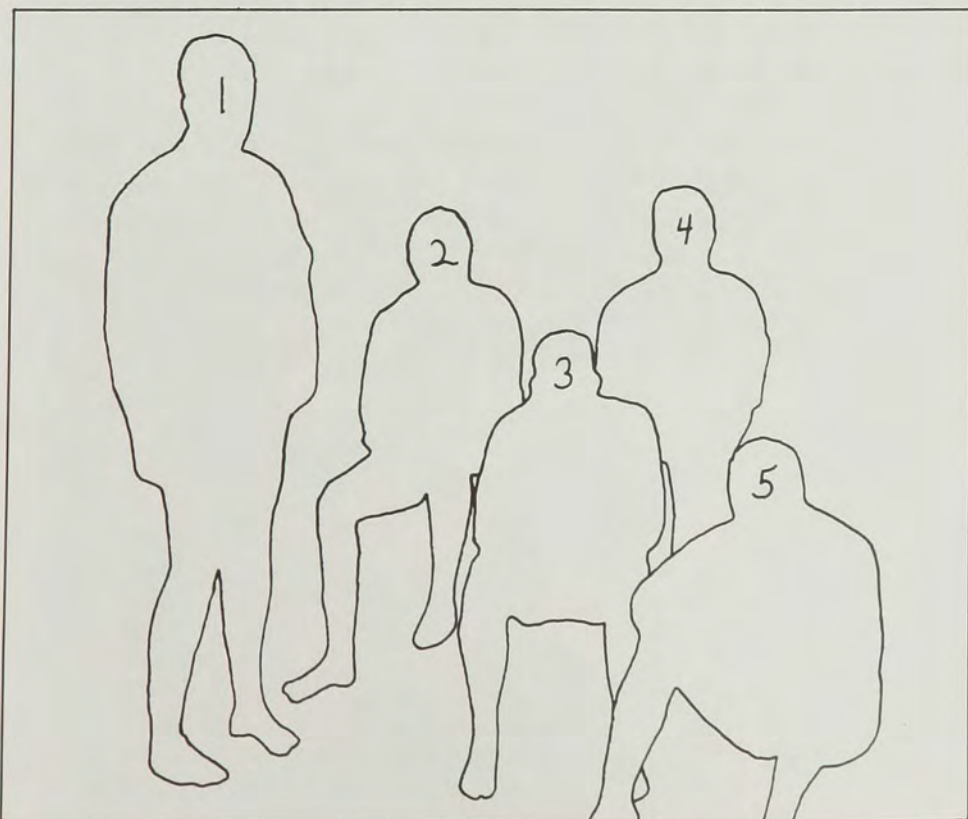

The fact that the St. Bonaventure regulars were as talented as any in New York State cannot be denied. The only fact which kept the Bonnies from greatness was that there was not enough over-all team strength. Judging from the results of individual performances, the tremendous amount of team desire and pride displayed was obvious.

With the addition of Steve Saluga and other strong second year men next year, the Bona swimmers will point to an excellent 1969-70 campaign. An ECAC ruling making freshmen eligible for varsity competition in swimming will provide even more support for Coach Skehan's forces in future years.

BASKETBALL

The 1968-69 season was one of learning and building for the Bonnies. An NCAA tournament ban and probation gave St. Bonaventure an unofficial loss before the actual game schedule began. With hopes of post-season tournament play already lost, the Brown Indians, had to work for just a fine game record—nothing else.

The 24-game schedule began with three quick wins over regular losers, Detroit College, St. Francis of Loretto, and Thomas More. All-American Bob Lanier led the way for the Bonnies. That was no surprise. The question was how much support would the rest of the team, particularly sophomore hopefuls Ed Klimkowski, Greg Gary, Dale Tepas, and Paul Grys, be able to lend Lanier, Captain Jim Satalin, Bill Kalbaugh, and ailing John Hayes.

The first three wins had been more or less expected. But the next two could very well tell the story for things to come through the rest of the season. In just three short years a fiery rivalry had developed with Toledo, and this year the Rockets were as threatening as ever. Forty points from Lanier and a ten point victory started the basketball fever again. Next on the list was Detroit University. Spencer Heywood was not the only problem that had to be contended with. The Detroit sophomores carried the game and gave the win to Heywood. Loss number one brought the realization that there might be more.

This was confirmed all too quickly. Following a 109-76

win over Illinois Wesleyan, the Brown and White moved into Oklahoma City for the annual All-College Tournament. The University of the Pacific was disposed of 91-65 in the first round. But another Eastern power was also included in the field and the Iron Dukes of Duquesne impressed that fact on the Bonnies, rolling over them 89-70 in round two. It was the same story in the consolation round when host Oklahoma City beat St. Bonaventure 81-71.

With two losses in a row the Brown Indians returned home to face the top team in the East at the time—the Villanova Wildcats. The longest two seconds of the season saw Frank Gillen throw in a desperation jumper that stole the win for Villanova 68-67. It was a crushing loss for the Bonnies as they failed to recover in time and dropped their next one 70-59 three nights later at Providence.

It was now that the team needed a lift. The sophomores would have to come through. The Indians were faltering with a 6 and 5 record. Dale Tepas was inserted on the starting lineup, Lanier gained more speed, and the team was lifted. St. Francis of N.Y. and Niagara were beaten, but Duquesne was waiting again in Pittsburgh. The 15 point loss margin was not indicative of how close the Bonnies came to beating a Duquesne team that rarely loses in Pittsburgh.

The loss to Duquesne had not destroyed a momentum which was now growing. The Brown and White returned

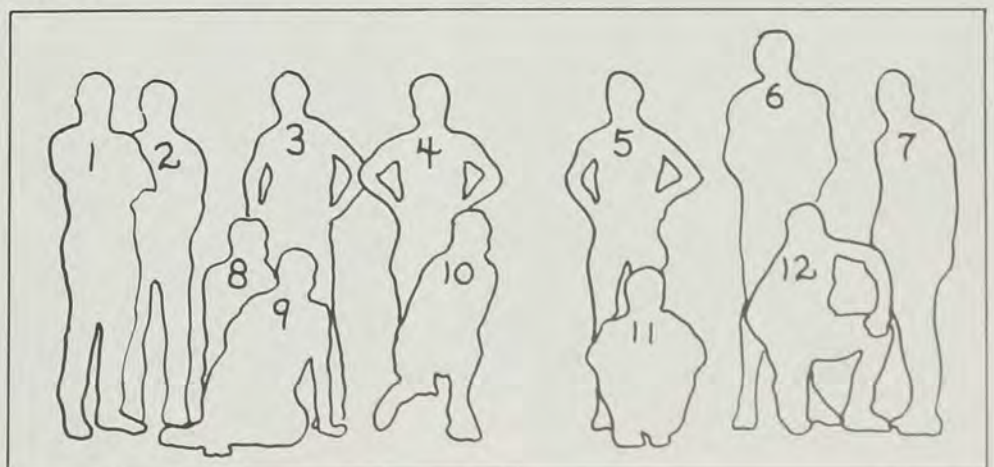

home to belt Canisius 79-61 as Lanier scored 33. There was never any question of the outcome. This win would be the first of five in a row. Xavier fell 71-69 in the wake of one of the best single-game comebacks of the year. Fairfield was beaten with ease 105-80, with a fine team effort as the Indians awaited a battle with Marquette in New York City.

Leading the team as he had done all year, Bob Lanier poured in 36 points and Ed Klimkowski added 17 as the Bonnies ran away from Marquette 84-62. Another easy win followed against Kent State 81-58, but in a hotly contested affair in Chicago, DePaul outscored the Indians 72-71 in overtime. Again the team returned home to face an always dangerous Niagara ball club. Lanier proved to be too much for the Eagles as St. Bonaventure won 98-90. Two nights later All-American Lanier erased Tom Stith's old single-game scoring record as he tallied 51 points in helping beat Seton Hall 97-79 in the final home game of the season.

In rapping Canisius 91-64 at the Buffalo Auditorium, the Bonnies won their fourth straight Little Three Championship in as many years. Satalin and Lanier were outstanding.

In the season finale at Omaha, Nebraska, Billy Kalbaugh's layup with only seconds remaining beat Creighton 74-72. With Lanier out for most of the game, Captain Jim Satalin, playing his finest game of the season, led the determined Bonnies to a tremendous finish.

Despite some ups and downs, the 1968-69 varsity finished on a strong note winning 11 of their last 13 games. Those 11 wins were well-deserved and earned. The team was young, but gained some wisdom and much experience. This will show next year. The sophomores were counted on and were not disappointing. The veterans were superb. The bench support was vastly improved. Bob Lanier proved to be a truly great All-American against 24 teams who could not prevent it.

All great teams have a great leader and Captain Jim Satalin was that leader. Even at times when it was so difficult, "Sats" came through with the clutch performance. He is a Captain who should be remembered.

Coach Larry Weise brought his team back from near disaster to a truly successful season. Considering the bad breaks of the Fall and the early season, the 1968-69 Bonnies put on quite a show. And when thinking about next year, we can conclude that the show should get even better.

An outstanding Brown Indian freshman team rolled to a 16-1 regular season record behind starters Matt Gantt, Tom Baldwin, Vic Thomas, Paul Hoffman, and Bruce Miller. After a first game loss, the frosh pounded out 16 straight wins, while beating teams like Broome Tech, the University of Buffalo, Niagara Community College, and Niagara and Canisius twice each.

Coach Fred Handler's yearlings, one of the top freshman teams in the East, showed unusual talent and poise throughout the year. They will be counted on to provide much support in the anticipated fine 1969-70 varsity season.

RIFLE TEAM

FIRST ROW: T. Drinkwater, Maj. Frink, Moderator; C. Miller, K. Hislop, D. Hart, Sgt. Regan, Coach; D. Penfold, Captain.

Led by team Captain, Dan Penfold, the St. Bonaventure riflemen recorded the best season in their history. Penfold, state collegiate title holder and national prone record holder, along with junior Tom Drinkwater, were consistent scoring standouts as St. Bonaventure rose to be a strong contender in the N. Y. S. rifle league.

GOLF

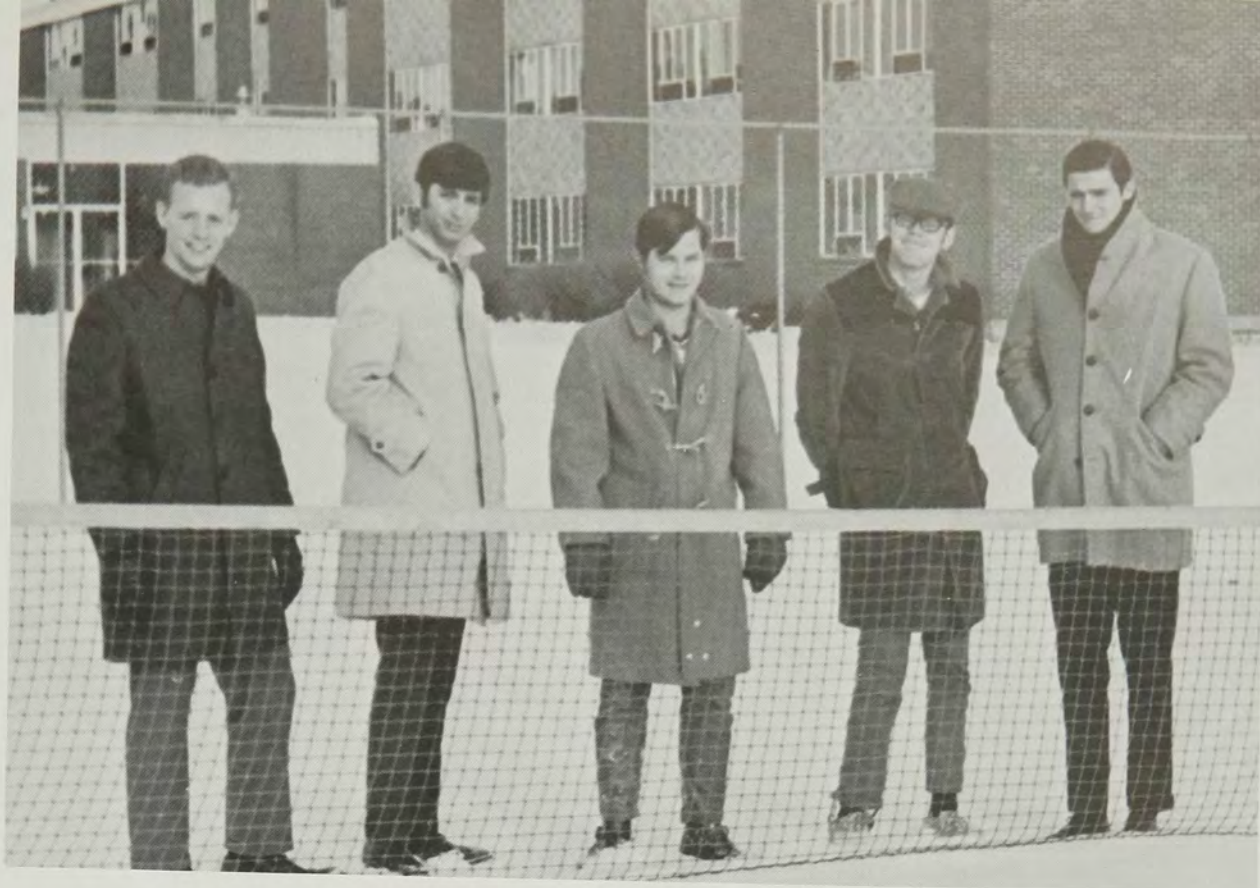

The Bonnie golfers, led by Co-Captains Jim Leddy and Tom Barnish, compiled one of the most impressive Fall records in years.

Under the coaching of Professor Leo Keenan, the Bonaventure Golf Team finished with a 9-2-1 record, winning tough matches against the Universities of Buffalo and Niagara, in addition to capturing the Little Three Championship.

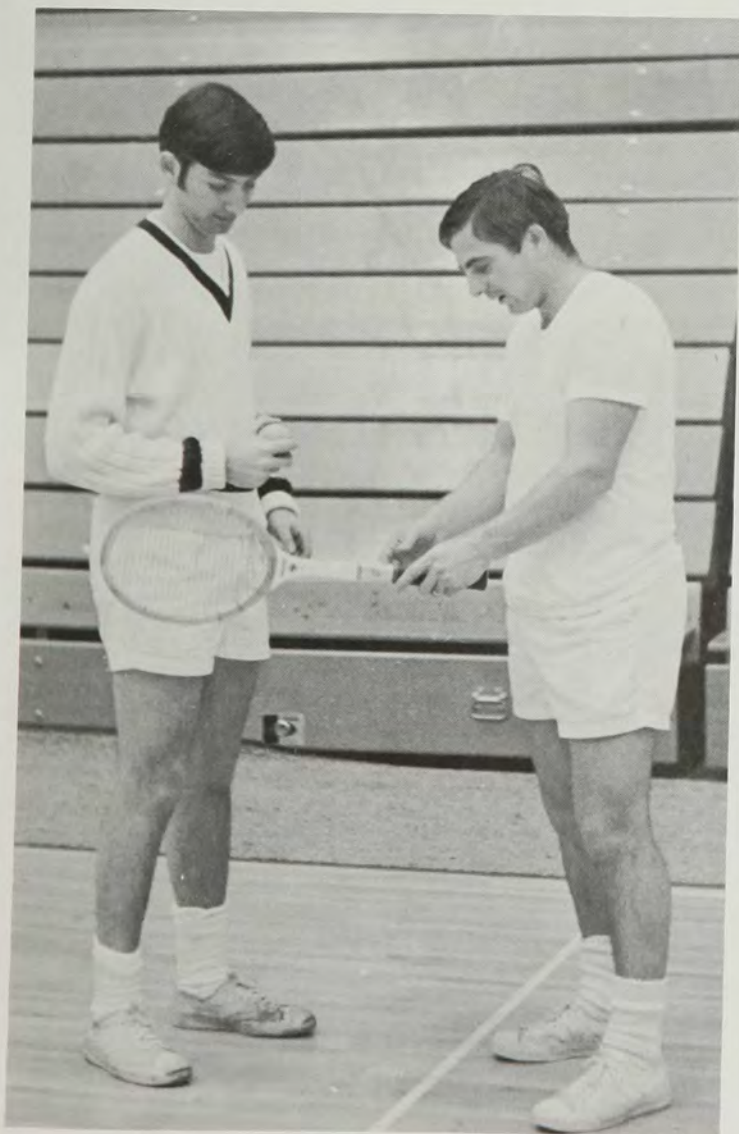

TENNIS

J. Marron, J. Rosati, J. Moritz,
T. Stein, D. McClave.

A going St. Bonaventure tennis team finished the Spring 1968 season 1-4. Jeff Moritz and Mike Verdon gained the double finals at the Fredonia Invitational. Coach Patrick Panzarella found the nucleus of his squad in regulars Jack Rosati, Terry Valentine, Dan McDonald, Dave McClave, and Tom Dougherty.

TRACK

The Bona cindermen, coached by Terry McFadden, compiled an impressive Spring '68 record, taking two first place finishes in the Buffalo State relays and winning the Little Three Championship.

With an expanded indoor schedule, St. Bonaventure participated in relay meets in Boston, New York City, Philadelphia, and Cleveland, with excellent results.

Tucker. SECOND ROW: E. Saroney, T. Graziano, F. Handler, Coach; J. Lapsley, R. Tamulski, D. Grabowski, T. Sullivan.

The key factor in the 1968 St. Bonaventure baseball season was rain. Twelve of the twenty games scheduled were washed out, and the team won four of the eight games played.

Led by mound aces Ed Saroney, Tim Sullivan, and Larry Snyder, and sluggers Rich Tamulski and Captain John Doemel, St. Bonaventure defeated Niagara, Canisius, and Erie Tech.

Power characterized the Bona offensive punch with the first six players in the lineup gathering home runs throughout the rain-soaked season.

JIM BISHOP DAY

Jim Bishop and his wife Kelly view the new JIM BISHOP ROOM in Friedsam Memorial Library.

During this past year St. Bonaventure was greatly honored when one of America's leading contemporary authors, Jim Bishop, released his latest and perhaps most monumental work, *The Day Kennedy Was Shot*, from this university.

As he told those students and guests who helped him celebrate his birthday the evening before the release, he feels a great love for St. Bonaventure, primarily for the spirit of life which is on the campus. No where else had he seen this vision of love and brotherhood as real as here.

After his morning press conference, his luncheon with some of the guests, and the dedication of the new JIM BISHOP ROOM in Friedsam Memorial Library, where the manuscripts to all of his works are to be kept, Dr. Bishop autographed copies of his book. It was a mood which was festive, yet somber, for one could not help but think that this was five years to the day after the shooting of the late President.

Later during the year, Dr. Bishop presented the University with still another gift—a ciborium to be used in the University Chapel in memory of his late father.

It is with grateful appreciation, therefore, to Dr. Bishop and his charming wife Kelly, that we present a permanent remembrance of that day in this yearbook.

SCHOOL OF ARTS

The School of Liberal Arts, awarding its majors a Bachelor of Arts degree, places emphasis on the personal development of a student, enabling him to function as a more meaningful and integral individual in tomorrow's society. The ultimate goal of a liberal arts education is the very education itself—it should provide the student with a total, comprehensive, unrestricted viewpoint, a viewpoint fostering personal and individual development. In this capacity, it becomes the task of the administration and faculty to direct and inspire, never dominating, inhibiting, or stifling student thought, ideas, or aspirations.

The Very Reverend Reginald A. Redlon, O.F.M., embodied this idea in his inaugural address asserting that St. Bonaventure must preserve its emphasis on persons, for each student possesses a partical of yet unrevealed truth, a truth which is uniquely and genuinely his, a truth which hopefully will be encouraged, developed, and realized in the four years of undergraduate study.

A liberal education is a process of becoming in which each student is inspired to develop his own unique form of thought, enabling him to become a more understanding and tolerant human being.

SCHOOL OF BUSINESS

The School of Business, awarding its majors a Bachelor of Business Administration degree, strives to fulfill the diverse needs of the modern executive.

In educating its students, this school attempts to invoke a balance or harmony, combining the task of catering to the professional needs of the student in his particular field of business, commerce, or finance with the responsibility of inspiring the student to develop precise habits, values and critical judgements, not only with the single aim to solve problems relevant to the business world, but to achieve a greater understanding of human nature and relationships as well.

The importance of the Humanities cannot be underestimated in this particular school since it not only seeks to provide the student with the basic tools of business but also encourages the personal development of each individual, thereby enabling him to act as a more effective, complete and tolerant human being in and out of the business world.

SCHOOL OF SCIENCE

The key to education at St. Bonaventure is the word *liberal*; encouraging the individual student to develop as many facets of his personality as possible.

It is within the context of the liberal education that the School of Sciences, awarding its majors a Bachelor of Science degree, finds itself. As might be expected, the goal of the school is to train students in the particular field of scientific endeavor that they choose. However, in light of the over-all liberal approach of the University toward education, this singular and pointed goal takes on a wider and richer meaning.

It becomes the duty of every institution of higher learning to prepare its students to live in a world of growing complexity and mystery. The sciences aim higher than the laboratory when they seek to educate. The mature man can find his fulfillment in commitment to a world of thought, experience, and study in light of his times. Thus, the role of Humanities in a liberal scientific curriculum is an important one. Each student must leave St. Bonaventure prepared to cope with the vicissitudes of life that the future may hold. The sciences are aware of these challenges and seek to awaken each student to his own identity as well as the world around him.

Why
We
Carry
GANT

There's more than fabric superiority in Gant. In addition, "needled into the warp and woof of every Gant shirt," there's flair, fit and show—three vital invariants that make all the difference when a man wears a Gant.

“Defenseless under the night
Our world in stupor lies;
Yet, dotted everywhere,
Ironic points of light
Flash out wherever the Just
Exchange their messages:
May I, composed like them
Of Eros and of dust
Beleaguered by the same
Negation and despair
Show an affirming flame.”

Newspapers make a **BIG DIFFERENCE** in people's lives -- every day

Strife erupts in some far-off trouble spot on the other side of the world. But that fact is not enough. Where? Who is fighting whom? What is the conflict about? How will it affect world tension and political maneuvering? You want — and you deserve — to know more than one flash fact. Providing the answers is a responsibility assumed by your newspaper.

Death — caused by nature's ravages or by man's hand — strikes in some part of the world. But that fact's not enough. Where? Who did what to whom? Why? How are we involved? Your newspaper provides the answers, bringing you thorough coverage, careful analysis, maps and pictures.

A siren sounds in the middle of the night. A close friend's oldest daughter is married. Your favorite team wins a football game. Death claims a man whom you have respected all of your life. Flash facts are not enough. You want — and you deserve — to know far, far more. Your newspaper assumes the important responsibility of meeting that need. This is a job done by men and women who have the experience and the know-how needed to report and edit the news, to produce and distribute an informative, entertaining and all-new product each day — your newspaper.

Because your newspaper brings you and other readers "far, far more," it makes a **BIG DIFFERENCE** in people's lives — in your life — every day.

*Aim high,
and read!*

It's clear as the print you read. To get ahead in this competitive world, you must be well-informed, and to be well-informed, you must read. Reading has to continue, even after high school and college. You are moving into a fast-moving, jet-age world that is changing with bewildering speed, and the best way to keep up with it is by reading The Buffalo Evening News daily, a habit that will not only help you in future endeavors but also enrich your personal and family life.

EPILOGUE...

A yearbook, it has been said, should have the personality of those for whom it was created. This year we have attempted, in a rather abstract way, to express the vast complexities—in mood, attitude, and spirit—of the modern college student. In treating an abstract theme such as this, it was necessary for us to direct all resources available to us toward the proper development of our thoughts—much creative, artistic, and determined work was involved in the ultimate creation of the 1969 BONADIEU. Quite simply, therefore, we have attempted to encompass all of those attitudes prevalent during the year at this university.

This year the BONADIEU has utilized many new and interesting techniques to aid us in creating what we believe to be an unsurpassed annual. Indeed, it was our aim to greatly improve upon the past and, with good fortune, to point the way for the future. We believe this yearbook to be totally different from any ever published at St. Bonaventure and sincerely hope that it will be received in this spirit.

A book such as this could never have been dreamed possible without the dedicated work of two photographers, Tom Wagner and John Schmit, who unselfishly gave of their time and energy throughout the year to produce a quality of photography which has never been equalled in any past BONADIEU.

To Judy Dubyak, Joe Ferlo, Mike McGovern, Pam Longo, and Bob Skinner, a special note of thanks. It is to you that the entire university owes a debt of gratefulness for a job well done.

This editor, in due appreciation of the totally unselfish professional aid of Mr. George Evans, wishes to say that your assistance and criticism throughout the year was always appreciated by us on the staff. I would also like to thank all those staff members whose work ensured the success of the book. It was truly appreciated.

In truth, however, mere words cannot express my deep feelings toward these people. It is with all of you, more than with myself, that the ultimate credit for this book lies.

This, my fellow students, is a history of the 1969 BONADIEU. We have attempted as best as we could to present to you our concept of this university during this past year. We like to think of this book as a success; certainly, it was hoped to be such from the outset. In the final analysis, however, for all of those people who spent so many countless hours, with little personal reward, working on this book, I know that the 1969 BONADIEU has indeed been a success.
