CROSSROADS

1996 Bonadieu

St. Bonaventure University

St. Bonaventure, New York 14778

TO THE CLASS OF 1996:

You are at the Crossroads.

As the editor in chief of the 1996 Bonadieu, I would like to take this opportunity to wish the class of 1996 well as you begin your journey into the future.

May you take with you all that you have found here at St. Bonaventure University; the pride and satisfaction found in achievement and the love and kindness found in the Franciscan heritage. And, as you travel down life's highway, stop every once in a while to think of the challenges that you have met, and the friends that you have made along the way.

Above right: This weather is A-OK for this guy.

T

his year brought every kind of forecast imaginable to the St. Bonaventure campus.

The crazy New York weather varied daily- one day it snowed and the next was an unbelievable 60 degrees! While feeling that sun was nice, it also wrecked havoc with the blizzard-like snows, causing some intense flooding around the area. The flooding was so bad in some areas that teachers couldn't make it into class (poor students!).

The rain alternated with snow even into the beginning of May.

Spring Weekend brought the Barenaked Ladies and sleet to Bonaventure.

Here's hoping for a much more consistent summer!

Above: The girls make the most out of a fleeting moment of sun.

The Mountain Makes a Great Retreat

Whether it's to pray, enjoy a home-cooked meal, or spend time with friends, the Mountain's where it's at!

This year the Mount Iranaeus Retreat was blessed with the addition of a new house (they must have needed more room for all the students who discovered what great meals are cooked there!)

The Mountain always offers Evenings Away, when students can visit for a few hours in the evening, or there are Weekends Away. Of course, everyone is welcome at any time.

Student Life

A Campus full of activities

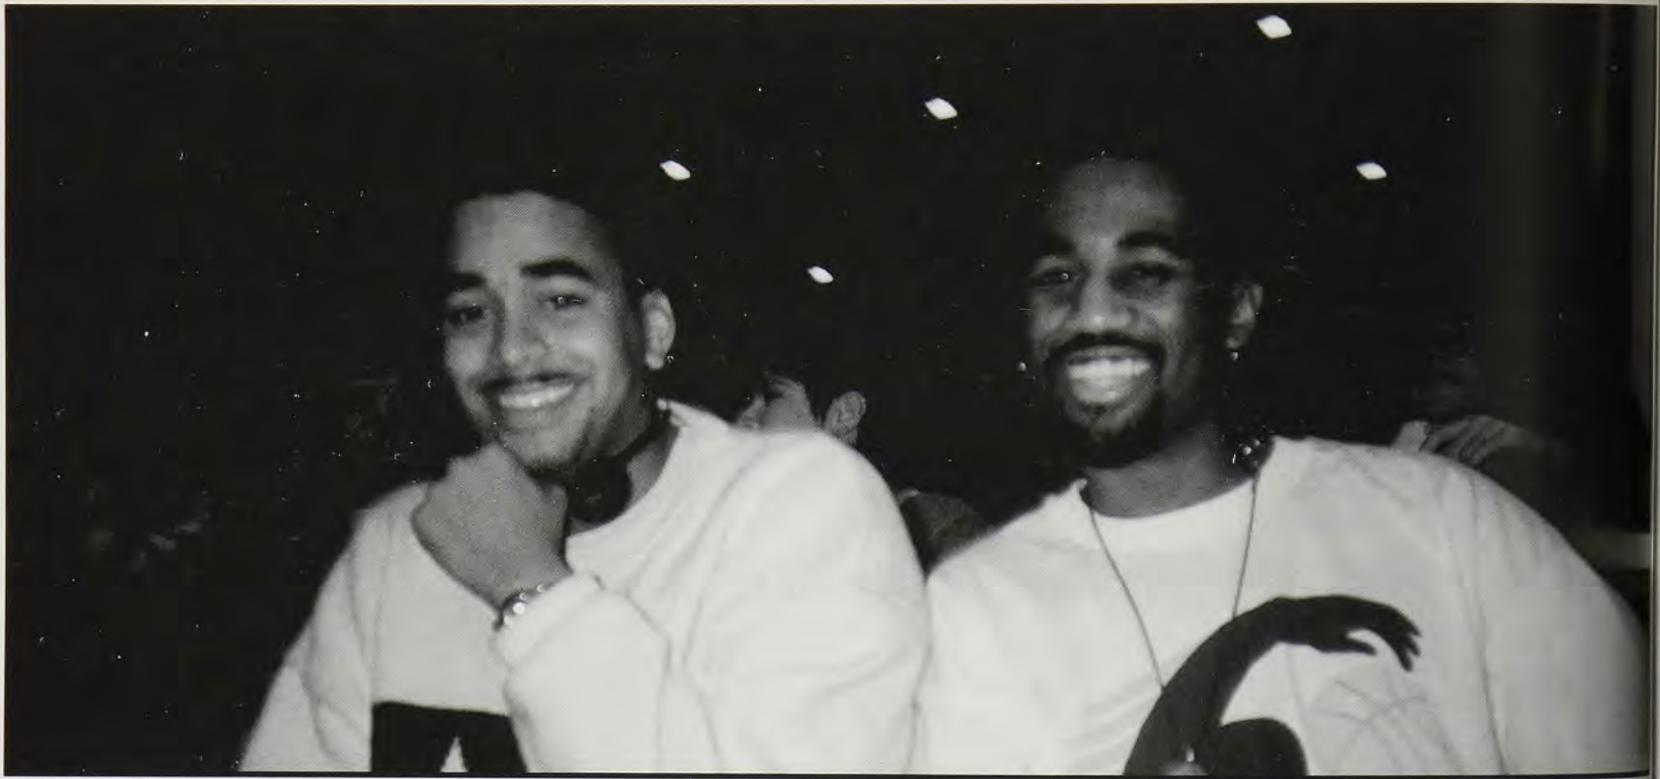

There's never a dull moment on the Bonaventure campus.....

No one can ever complain about there being nothing to do at St. Bonaventure. Every semester there is a flurry of activity that you just can't miss.

A special event was added to the Fall semester line-up this academic year- the Festival of Trees Celebration. Students scouted out sponsors to help purchase Christmas trees and the decorations for them, along with enough money to buy underprivileged children in the area gifts. University student-run organizations also participated by buying trees. After a troublesome display (the high winds caused tree collapses) behind the Robinson-Falconio build-

ing, the trees and their decorations were donated to needy families in the Olean area. The event proved so successful that promoters are looking forward to making this an annual celebration.

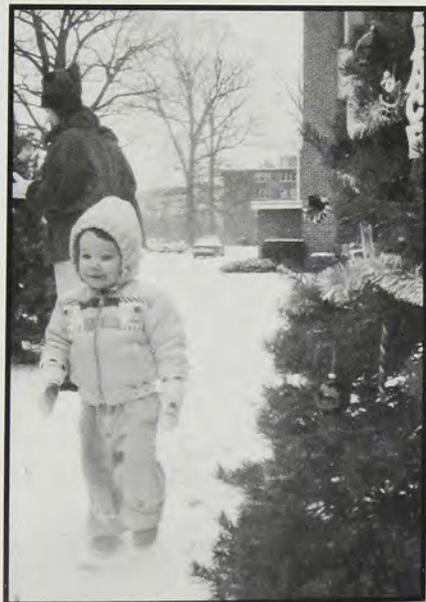

Also adding new life to the campus was the addition of the 6th Man Club at Bonaventure home basketball games. Yep, someone tried to actually control the bleacher crowd this season by limiting the number of people to those in the 6th Man Club. Games were still just as exciting, just a little less life-risking.

Above: Gene and Edwin show off their 6th Man spirit.

At right: A little Koski wanders through the Festival of Trees.

When Bonaventure students wander off campus...

From the Warming House to Armory or even other campuses-the Bona students shine!

The Warming House in Olean offers meals to the underprivileged, and is totally student-volunteer run.

The Armory provides the space for the annual Military Ball, traditionally for Army personnel and dates. This year the Ball was opened up to the rest of the St. Bonaventure Community.

Bonaventure pride just overflows the boundaries of campus!

Bonaventure students bring Bona Spirit off campus, too!

SPORTS

Soccer's new look

The men's soccer team under a new head coach, Bob Butehorn, showed the conference that they are going to be a team that will not lay down and die. The team finished with a 7-9-1 record, going 3-6-1 in the Atlantic-10. Feilding just one senior, Jim Ciolek, the team surprised many people with upsets and big conference wins over Fordham, Temple and LaSalle.

The leading scorer for the Bonnies was freshman Dan Hetrick who contributed 8 goals along with 5 assists.

David Hesch proved he wouldn't crack under pressure with 3 of his 6 goals were game-winning goals.

Freshman Walter Valesky turned in a outstanding season in the goal allowing 1.95 goals a game and recording 2.5 shutouts.

Women show competitive spirit.

The women's soccer team played much tougher than their 5-11-2 overall record indicates. They finished 1-5-1 in the conference, losing five games by one goal.

Sophomore, Jo Storms lead the team with 15 pnts, while classmate Janeen Bartlett had 7 assists. Sophomore, goalie, Margaret Reif saw action in every game giving up only 2.23 goals per game and averaging 7.47 saves.

Seniors Erin Partain, Joanne O'Donnell, Kristin Gilmore, and Kathleen Gradisher were all solid performers in their last season as Bonnies.

Volleyball program continues improvement.

The volleyball team improved its record this season by 9 games. They finished the season with an overall record of 14-20, 4-12 in the Atlantic-10. They won six of the first seven games, including winning the Bucknell Tournamnet. Senior, Toni Racanelli averaged 3.3 digs and 2.7 kills in her final season, while junior, Jackie Grady recorded 967 assists. Sophomore, Nikki Renninger lead the team with 4.1 kills and 1.0 blocks per game. Freshman Melissa Clark showed that she will be an up and coming star for the Bonnies in the future. Clark was second on the team with 34 service aces and

averaged 2.5 digs per game.

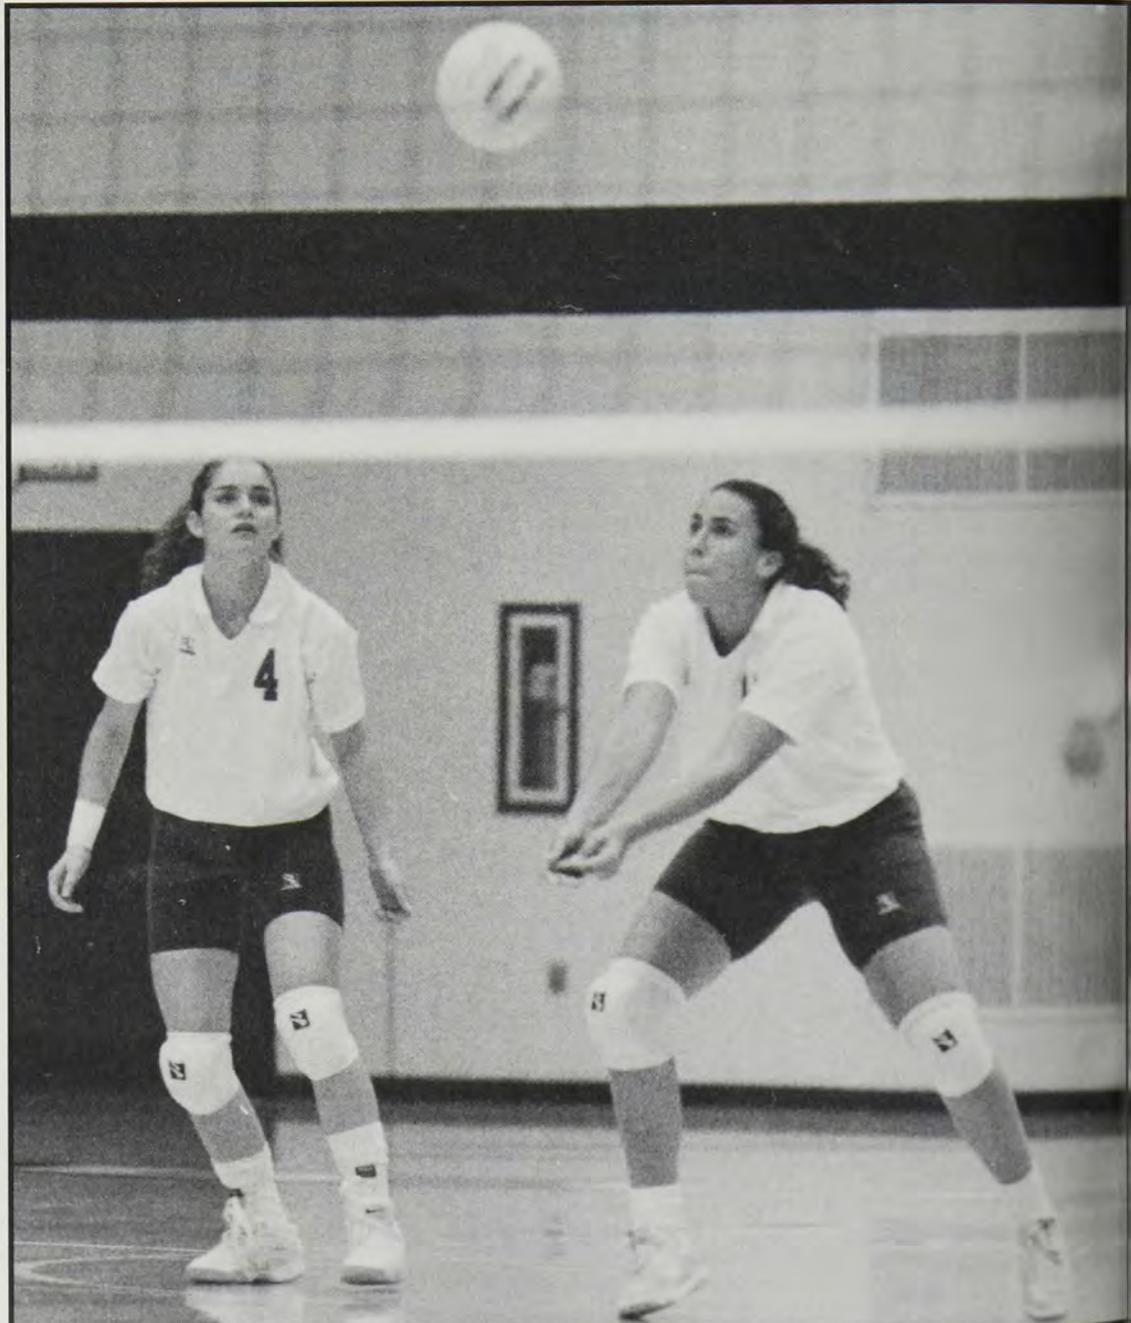

Senior, Wendy Whitney played a vital role, coming off the bench she averaged 2.1 digs per game.

Injuries Hamper Bonnies

The Bonnies struggled through a season full of injuries.

Sophomore, Chris Lumsdon was redshirted after he had shoulder surgery. Freshmen, David Capers and Terrence Durham also missed much of the season. Durham, who started 6 of the first 11 games, went down with a torn ACL in midseason. Capers played in only 6 games after he broke his thumb.

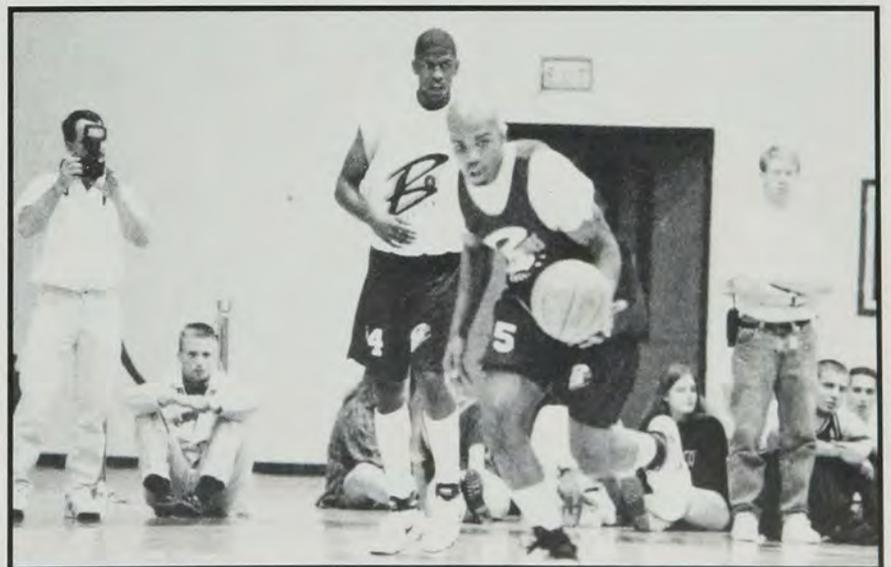

Sidney Shelton, the lone senior on the team, missed a good portion of the season with thigh problems.

After all of these downfalls the Bonnies made up for it in the Atlantic-10 tournament. Their win over Dayton was the teams first tournament win since 1985.

Freshman, Daks Williams scans the defense as he brings the ball up-court.
