12th Annual Candlelight Ceremony - Friday May 11th

when we let

# COMMENCEMENT

May 13, 2007

**"You are very special people."**

**"And today we celebrate. We can stand PROUD to be called daughters and sons of St. Bonaventure University. We are part of a very special FAMILY! We will carry with us the value learned and the memories shared wherever we go. And OH, THE PLACES WE'LL GO!"**

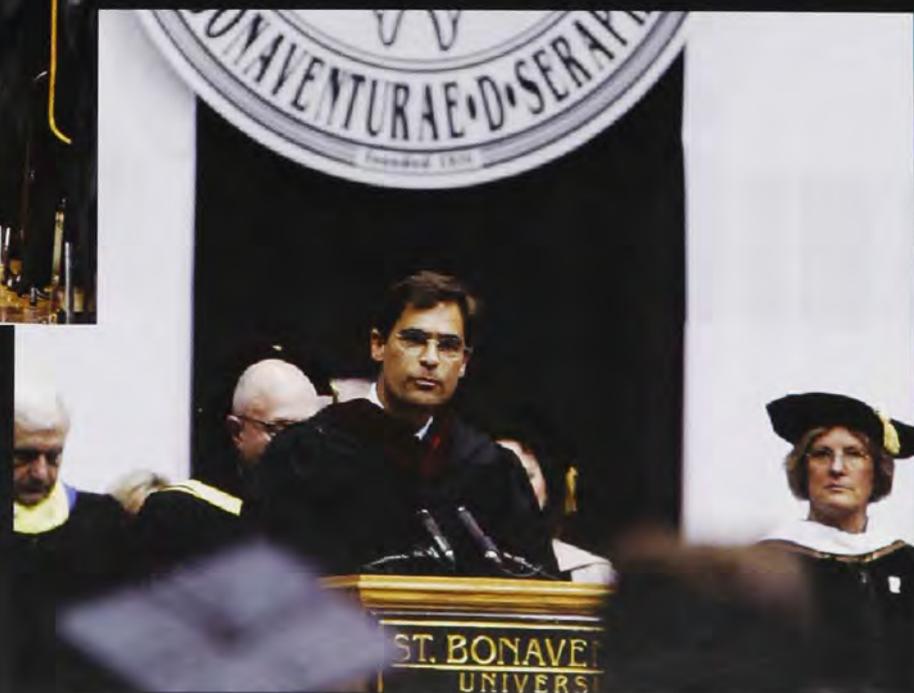

A familiar and friendly face, Fr. Dominic V. Monti, O.F.M., told the 2007 St. Bonaventure University graduates to be “open, vulnerable and engaged with life” as their lives unfold. “As you go forward, continue to listen to the reality around you. Remember that what’s really important are not abstract ideas or lofty theories, but the individual.” St. Bonaventure’s 147th Commencement focused on the great Franciscan heritage that its students share. U.S. Sen. Chuck Schumer also made an unscheduled appearance, telling graduates that “if there was ever a time to aspire to your dreams, your time is now. ... Don’t let the fear of failure deter you.”

## You are Bonaventure’s best.”

-Fr. Dominic V. Monti, O.F.M.

"As I look back on all that has happened:  
growing up, growing together, changing you and  
changing me. There were times when we dreamt  
together, when we laughed and cried together.  
As I look back on those days I realize how much  
I will truly miss you and how much I truly love you.

The past may be gone forever

Our todays make memories of tomorrow.

Therefore it is with all my heart that I send you  
my love, hoping that you'll always carry my smile  
with you or all we have meant to each other and  
for what the future may hold times when I feel all  
alone, I think of you and my heart heads

A photograph of a park with trees and a path, overlaid with lyrics from Rush's 'Everyday Glory'. The scene is bathed in warm, golden light, likely from a low sun, creating long shadows on the grass. A person is walking on a path in the lower right corner. The lyrics are written in a white, cursive font.

If the future's looking dark  
We're the ones who have to shine  
If there's no one in control  
We're the ones who draw the line  
Though we live in trying times  
We're the ones who have to try  
Though we know that time has  
wings  
We're the ones who have to fly.

# Forever Young

May the good lord be with you  
Down every road you roam  
And may sunshine and happiness  
Surround you when you're far from home  
And may you grow to be proud  
Dignified and true  
And do unto others  
As you'd have done to you  
Be courageous and be brave  
And in my heart you'll always stay  
Forever young, forever young  
Forever young, forever young  
May good fortune be with you  
May your guiding light be strong  
Build a stairway to heaven  
With a prince or a vagabond  
And may you never love in vain  
And in my heart you will remain  
Forever young, forever young  
Forever young, forever young  
Forever young  
Forever young  
And when you finally fly away  
I'll be hoping that I served you well  
For all the wisdom of a lifetime  
No one can ever tell  
But whatever road you choose  
I'm right behind you, win or lose  
Forever young, forever young  
Forever young, forever young  
Forever young, forever young  
For, forever young, forever young

# 2007: A Year in Review

In January 2007, students selected the name Café La Verna after 19 entries were submitted in a student-only contest.

La Verna is the name of the mountain retreat that was given to St. Francis and his brothers. It was a place to which Francis returned frequently and where St. Bonaventure wrote the "Itinerarium," the foundational

text for the Intellectual Journey course and the Clare College core curriculum at St. Bonaventure. A dedication ceremony was held on May 3.

**1** June 29  
Apple's iPhone is available in stores. By the end of September 1.4 million have been sold.

Eric Schlosser's "Fast Food Nation: The Dark Side of the American Meal" is chosen as the All Bonaventure Reads selection for 2007-2008. The book deals with themes relevant to a wide spectrum of academic majors and touches on many issues that resonate with our Franciscan heritage.

**3** February 17  
After a major meltdown, Britney Spears, 25, shaves her head. Hair stylists in Las Angeles refused to cut her luscious locks, so Spears took the shears and did it herself!

January 10  
President George W. Bush announces 20,000 additional US troops will be deployed to Baghdad.

February 8  
Anna Nicole Smith is found dead in Seminole Hardrock Hotel and Casino in Hollywood, Florida. She was 39.

March 27 "Reckless," a critically acclaimed comedy, is performed by SBU Spring Theater in the Garret Theater.

March 28

*What an amazing year. So much happened in 2007. You should all be proud of what you have, and have yet to accomplish. Our hope is that your efforts have been reflected in this book. Enjoy the memories.*
